Barnett, 2012-12-13. God Loves Abused Women Too is an inspiring book that not only does it bring about an awareness for the abuse in many women's lives but how God deals through the abuse. This book demonstrates the skills and strategies used to break the abuse in a woman's life. God Loves Abused Women Too shows the true spiritual meaning of how God loves women through an abusive cycle and how they can get out when they are trapped. There are many audiences within the book such as pastors, missionaries, ministers, psychology students, scholars, and the general public that need to address the issues women have involving abuse. There is an impeccable taste for penmanship within the book that far exceeds its time and the author has produced a fine literary work. These audiences all have a chance to get deeper understanding by looking at the many perspectives on abuse and the journey to healing and wholeness. There is something **A Course in Light** Toni Moltzan, 2017-09-28. Throughout many disciplines of spiritual growth, light is mentioned as the source of all life. Those who have experienced enlightenment describe it as being aware of everything that surrounds them as energy and light. The light energy referred to within A Course in Light is not a symbolic term but the actual light energy of your own soul and body of light. Through the meditations and lessons, light magnifies and is directed throughout the physical system for transformation and change. The first level focuses on the physical body and your material surroundings and acquaints you with the different egos and bodies that are aspects of yourself. Your personality ego and organic and cellular egos are individual and collective intelligence that have been impressed with your mental and emotional experiences. These egos are acknowledged during meditation to help bring unity within. When vibrations of all the bodies are in harmony, you experience a wonderful new wellness, strength, and clarity. What makes this different from any other course? The direct experience you feel, sense, and become aware of during meditation. Energy surges through your body, mind, and soul during your sessions. It is a path healing every aspect of your body and its egos. This course takes you step by step through your personal clearing. Based on the ancient teachings of Agni Yoga, this is a bridge between all spiritual paths. *Let's Choose to Stay Together* Stacey L. Griffin, 2022-06-06. Hill,2010-03-27 Ten years ago I set out on a Spiritual Journey Through the years I have lost friends both my father and stepfather and my favorite aunt and most of all bad attitudes Through it all I held on to Gods hand and He continued to show me that with him I can truly conquer all things including the feat of becoming a whole woman I learned that I am not defined by others but I am defined by my love of self others and God As a single mother and child of God I have endured many obstacles in my journey into self actualization and spiritual wholeness Many times I would pray and ask the Lord why do I have to endure the pain and heartache that I am going through God let me know that my pain was not in vain and that I needed to write down all the conflicts that I go through as a mother a single woman and a child of God These poems and words of wisdom are about how I as a Christian woman have endured trials and how God has made me victorious over every obstacle in my life I pray that my ability to be open and honest about my love for God my love for myself and my love for

people as a whole will help someone who feels lost or confused about how to have peace and fulfillment in your journey with Christ I was led to name my first book Spirit Train after the revelation that we are all on a Spiritual Journey to attain wholeness and our souls are liken to a train We will come to destinations in our life in which we will have to unload or allow some things to depart from our souls and minds and in return we will allow Gods attributes to come aboard and give us the spiritual and self fulfillment that we so desire to attain I give biblical reference to every poem I write I order or you to meditate not only on the poetry but on the word of God that inspired the poetry I have left extra space after each thought of the day in order for you to write down your own thoughts and do some self exploration I challenge you to take the Spirit Train find out the will of God for your life and move forward in faith becoming the fulfilled loving person that God already sees you as Be blessed for these words are from my heart and they are inspired by the Heavenly Father above **Survivor**
