Love Kindness And Universal Responsibility:

Love, Kindness and Universal Responsibility Dalai Lama XIV Bstan-'dzin-rgya-mtsho, 1997 The book is compilation of three published work of H H the Dalai Lama It reveals his philosophy of life based on the concept of universal responsibility and reverence for all living beings His Holiness has dwelt on compassion and need for universal brotherhood His approach to World Peace and non violence are explicitly outlined in the book Dialogue Among the Faith Communities Lucien F.

Cosijns, 2008 After twenty five centuries of rapid human evolution dialogue has now come to be a word and concept of daily use in the media and a theme of discussion all over the world In this current period of our human history the centuries long struggle for survival and our belligerent confrontation with each other is being replaced by a new era of collaboration in dialogue The most intriguing aspect of this new dialogue is that the interfaith conversation has extended worldwide within the past fifteen years Ultimately this new conversation has resulted in efforts towards a corroborative dialogue between the world of faiths and the political world This book's aim is to sketch this striking movement in its philosophical and religious evolution and expression **1400 LESSONS FROM THE 14TH DALAI LAMA** Akṣapāda, 1400 LESSONS FROM THE

a deficiency she discovered while engaged in psychological research a nearly complete omission of the importance and cultivation of compassion Other books exploring Buddhism and psychology have focused on what the Theravada school of Buddhism which teaches personal liberation through enlightenment can offer psychology A Call to Compassion works with Mahayana Buddhism in which practitioners commit to the liberation of all sentient beings with compassion central to

attaining that goal In her fascinating and exceptionally clear and concise review of the work of Freud Jung and others Glaser shows how psychology has been ambivalent about the subject of compassion and therefore has developed no methodology for helping individuals cultivate this essential quality in the service of helping others Glaser introduces as a remedy the Buddhist practice of the lojong expressed in the text of The Seven Points of Mind Training for developing love and compassion With modern day life examples she illustrates the four major points compassion for self compassion for others exchanging self and others and no self and no other affirming that these points are indeed attainable If we make the effort to contemplate understand and truly integrate these four essentials we will have a sound basis for both psychological health and genuine transformation DIV

Why the Dalai Lama Matters Robert Thurman, 2008-06-03 His Holiness the Dalai Lama is an extraordinary example of a life dedicated to peace communication and unity What he represents and what he has accomplished heals and transcends the current tensions between Tibet and China Why the Dalai Lama Matters explores just why he has earned the world's love and respect and how restoring Tibet's autonomy within China is not only possible but highly reasonable and absolutely necessary for all of us together to have a peaceful future as a global community In the few decades since the illegal Chinese invasion of Tibet Tibetans have seen their ecosystem destroyed their religion language and culture repressed and systematic oppression and violence against anyone who dares acknowledge Tibetan sovereignty Yet above it all the Dalai Lama has been a consistent voice for peace sharing a Middle Way approach that has gathered accolades from the Nobel Peace Prize to the U S Congressional Gold Medal Modeling this peaceful resistance shows the world that nobody is free unless everybody is free and that a solution exists that can benefit all parties not just one And more than just his nation have taken notice His inter religious dialogues honest humble demeanor and sense of compassionate justice sets him apart in a world at war with itself When China changes policy and lets Tibetans be who they are Tibet can in turn join with China in peaceful coexistence Why the Dalai Lama Matters is not merely a book about Tibet or the Dalai Lama It is a revealing provocative solution for a world in conflict dealing with the very fundamentals of human rights and freedoms By showing the work that the Dalai Lama has done on behalf of his people Thurman illuminates a worldwide call to action showing that power gained by might means nothing in the face of a determined act of truth
