From her training days to her deployment on the frontlines, Rupali faces adversity with strength and determination. As Rupali battles her own demons, she finds unexpected support in Aman, a kind and compassionate man who shares her love for her country. But their relationship is threatened by the dangers of war and the pressure of societal expectations. Against all odds, Rupali and Aman fight for their love, their family, and their country. All for Love by John Dryden, 1672-01-01, is a play. Although John Dryden the poet is best known for his alexandrine epics, John Dryden the playwright is most honored for this blank verse tragedy. The summit of Dryden's dramatic art, *All for Love* (1677) is a spectacle of passion as felt, feared, and disputed in the suspicious years following the English Civil War. Due to its dramatic compression and elegance, *All for Love* is one of the most enduring plays of the Restoration repertory. It was so successful that in the eighteenth century, Dryden's tragedy drove Shakespeare's *Antony and Cleopatra* from the stage. The play depicts the catastrophic passion of Cleopatra and Marc Antony, who could not be conquered but by love. Fidelity to family and friends, adherence to codes of honor, national loyalties, and the rule of law compete with each other, tearing the world with violence.
