

Love, Pain And Hope

A little bit of love is what I asked him for,
But pain is all he gave.
I waited for him down below,
Through the storm and the rain.
I cried and screamed throughout the night,
But he did not seem to hear.
Death was what scared me before,
But its life that I now fear.

It was he, who taught my heart to love,
And he who has broken me.
All I pray for is just one chance,
To show him how, my love is deep.
And when that happens id tear my heart
Right out of my chest,
To show him how I have impossibly survived,
Loves fiery test.

Love Pain Hope:

The Road Less Traveled: A Story of Love, Pain, Hope and Everything In-Between Elizabeth "Beth" Billingsley, 2016-07-14 Life doesn't always work out the way we planned. Things happen that we have no control over and circumstances seem overwhelming. I never thought I'd marry an abusive man, a man whose mental demons turned him into two different people. I never imagined being a widow at the age of thirty-eight. I never dreamed that one decision could so profoundly change my life and my viewpoint of mental illness. I didn't know how much I still had to learn about myself. Through these circumstances, I now know more about who God is. I also know who he is not. I know more about who I am now and I know who I will not be anymore. I have always believed in my head God could work everything out for good and that He loved me. Now I know in my heart. Head knowledge and heart knowledge is completely different. I invite you to read these pages with an open mind and heart. Allow our story to shed light in dark places. Freedom is within these pages, the freedom to be yourself, to be loved for who you are, and to bring your hurts into the light of God's love where he heals all things. Remember, love is the greatest of all things and it does conquer all. Love has already won. Music of the Heart L.R. Phoenix, 2013-01-28 This book is about the emotional journey of life experienced through the worlds of pain, hope, and love. It allows the reader to feel or sense the highs and lows during a specific period of time in the author's life in a poetic format. The author's heart is displayed throughout each page with the hopes of not only giving the reader a mental picture but also for them to find a sense of healing if in need of it.

The multiple ways in which adoptive birth and foster mothers experience gender oppression from their different social positions of class, race, and nationality are explored, and the interdependencies and inequalities of the motherhoods of these three groups of women are brought to light.
