# Love Russian Style

**Julie A. Cassiday**

## **Love Russian Style:**

*The Battle of the Sexes Russian Style* Nadezhda Ptushkina, 2018-01-01 Ptushkina's plays reflect her keen interest in constructing multidimensional characters that reflect the myriad ways people are affected by today's turbulent world. Often writing strong female roles she does not shy away from exploring the sometimes tragic implications that lie behind her comical almost farcical scenes. Ptushkina questions the nature of love and explores the boundaries between the spiritual and the base, the constructive and the destructive that lie within every human being. Her writing questions the relationship between ideals and reality and between truth and deception. In this new translation western readers have a chance to discover why Ptushkina's work holds such a wide appeal in the Russian theatre. The universal themes of love, the need for human closeness and multifaceted complex female characters make Nadezhda Ptushkina's plays desirable material for any professional theatre, says Slava Yastremski in the preface to this edition. Current edition contains such famous Ptushkina's plays as *I Pay Up Front Somebody Else's Candlelight*, *Momma's Dying Again*, *My Goldfish* and *Rachel's Flute*. Translated from the Russian by Slava Yastremsky and Michael M. Naydan.

**Russian Style** Julie A. Cassiday, 2023-12-19 In the two decades after the turn of the millennium Vladimir Putin's control over Russian politics and society grew at a steady pace. As the West liberalized its stance on sexuality and gender, Putin's Russia moved in the opposite direction, remolding the performance of Russian citizenship according to a neoconservative agenda characterized by increasingly exaggerated gender roles. By connecting gendered and sexualized citizenship to developments in Russian popular culture, Julie A. Cassiday argues that heteronormativity and homophobia became a kind of politicized style under Putin's leadership. However, while the multiple modes of gender performativity generated in Russian popular culture between 2000 and 2010 supported Putin's neoconservative agenda, they also helped citizens resist and protest the state's mandate of heteronormativity. Examining everything from memes to the Eurovision Song Contest and self-help literature, Cassiday untangles the discourse of gender to argue that drag or travesti became the performative trope par excellence in Putin's Russia. Provocatively, Cassiday further argues that the exaggerated expressions of gender demanded by Putin's regime are best understood as a form of cisgender drag. This smart and lively study provides critical nuanced analysis of the relationship between popular culture and politics in Russia during Putin's first two decades in power.

**The New Psychology of Love** Robert J. Sternberg, Karin Sternberg, 2019 This is a much needed update on the latest theory and research on love supplied by leading scientific experts. It is suitable for psychologists, neuroscientists, anthropologists, sociologists, and anyone with an interest in love and what has been learned from scientific studies of it.

**Why We Love** Helen Fisher, 2005-01-02 A groundbreaking exploration of our most complex and mysterious emotion. Elation, mood swings, sleeplessness, and obsession: these are the tell-tale signs of someone in the throes of romantic passion. In this revealing new book, renowned anthropologist Helen Fisher explains why this experience, which cuts across time, geography, and gender, is a force as powerful as the need for food or sleep. *Why We*

Love begins by presenting the results of a scientific study in which Fisher scanned the brains of people who had just fallen madly in love. She proves at last what researchers had only suspected: when you fall in love, primordial areas of the brain light up with increased blood flow, creating romantic passion. Fisher uses this new research to show exactly what you experience when you fall in love: why you choose one person rather than another and how romantic love affects your sex drive and your feelings of attachment to a partner. She argues that all animals feel romantic attraction; that love at first sight comes out of nature and that human romance evolved for crucial reasons of survival. Lastly, she offers concrete suggestions on how to control this ancient passion and she optimistically explores the future of romantic love in our chaotic modern world. Provocative, enlightening, and persuasive, *Why We Love* offers radical new answers to the age-old question of what love is and thus provides invaluable new insights into keeping love alive.

**The Intricacies of Love and Intimacy** Ami

Rokach, 2024-08-30 This book explores the meaning of love and intimacy from a variety of perspectives, specifically philosophical, psychological, and cultural. This volume is a focussed study on what makes them and what may break love and intimacy. Love and intimacy are central to us; is sought by almost everyone and while we seem to know what they are, they are not easily described. The present volume includes eleven chapters which are divided into two parts. The first part describes the meaning of love, intimacy, and romantic relations, and the second highlights what may go wrong in such relationships and why. The book explores theoretical debates and contemporary research around emotions and will be of interest to students and researchers of psychology, philosophy, as well as sex, marriage, and family therapists and counselors. The chapters in this book were originally published in *The Journal of Psychology*.

*Nihilist Order* Professor David Ohana, 2016-04-19

The explosive combination of nihilist leanings together with a craving for totalitarianism was an ideal of philosophers, cultural critics, political theorists, engineers, architects, and aesthetes long before it materialised in flesh and blood, not only in technology but also in fascism, Nazism, bolshevism, and radical European political movements. *The Nihilist Order* originally published in three hardcover volumes and now published in a consolidated paperback edition with an encompassing new Introduction, inspired excellent review endorsements both amongst the academic and public spheres and has been heralded as a great achievement in European intellectual and cultural history.

*Talk of Love* Ann Swidler, 2013-06-25

Talk of love surrounds us and romance is a constant concern of popular culture. Ann Swidler's *Talk of Love* is an attempt to discover how people find and sustain real love in the midst of that talk and how that culture of love shapes their expectations and behavior in the process. To this end, Swidler conducted extensive interviews with Middle Americans and wound up offering us something more than an insightful exploration of love. *Talk of Love* is also a compelling study of how much culture affects even the most personal of our everyday experiences.

**What's Next in Love and Sex** Elaine Hatfield, Richard L.

Rapson, Jeanette Purvis, 2020-02-25 *What's Next in Love and Sex* is a comprehensive examination of contemporary academic findings relating to all matters of the mind, body, and heart. Inspired by questions asked by students, the book covers cutting

edge topics so new that they are rarely addressed in current sexuality texts providing insight into modern trends such as hookup culture virtual pornography robots apps and online dating as they evolve in this day and age Written by one of the pioneers of love and sex research Elaine Hatfield along with historian Richard Rapson and social psychologist Jeannette Purvis this book uses contemporary scientific findings to provide an updated and relevant explanation for why we do the things we do when we re in love searching for love making love or trying to keep a faltering relationship together Combining rigorous scholarship with an accessible and entertaining style no other book will give college students and academics alike such a developed understanding of contemporary love and sex     The Origins of the Love Song Nino Tsitsishvili,2022-11-18

The book offers a radically new perspective on the origins of the love song and human sexuality in an evolutionary context By comparing different human societies and animal species past and present it reveals that love songs romantic love and exclusive pair bonds are not the original evolutionary features of Homo sapiens One of the key findings of the book is that early humans practiced multiple partner sexual relations similar to our closest relatives bonobos and chimpanzees but with the emergence of culture and sexual taboo their behaviour had to adjust It contends that since the exodus from Africa and the rise of culture humans started to distance themselves from the rest of the animal kingdom drastically restraining their innate sexual nature The book will appeal to both scholars and laypeople with an interest in evolutionary theory socio biology anthropology and the origins of culture     **Cross-Cultural Perspectives on the Experience and Expression of Love**

Victor Karandashev,2019-06-05 This ambitious volume integrates findings from various disciplines in a comprehensive description of the modern research on love and provides a systematic review of love experience and expression from cross cultural perspective It explores numerous interdisciplinary topics bringing together research in biological and social sciences to explore love probing the cross cultural similarities and differences in the feelings thoughts and expressions of love The book s scope which includes a review of major theories and key research instruments provides a comprehensive background for any reader interested in developing an enlightened understanding of the cultural diversity in the concepts experience and expression of love Included among the chapters How do people in different cultures conceptualize love How similar and different are the experiences and expressions of love across cultures What are the cultural factors affecting the experience and expression of love Cross cultural understanding of love as passion joy commitment union respect submission intimacy dependency and more A review of the past and looking into the future of cross cultural love research Critical reading for our global age Cross Cultural Perspectives on the Experience and Expression of Love promotes a thorough understanding of cross cultural similarities and differences in love and in so doing is valuable not only for love scholars emotion researchers and social psychologists but also for practitioners and clinicians working with multicultural couples and families The most striking feature of this book is the broad array of perspectives that is covered Love is portrayed as a universally found emotion with biological underpinnings The text expands from this core incorporating a wide range of manifestations of love

passion admiration of and submission to a partner gift giving and benevolence attachment and trust etc Information on each topic comes from a variety of sources cross culturally and interdisciplinary The text is integrative with a focus on informational value of ideas and findings If you take an interest in how love in its broadest sense is experienced and expressed you will find this to be a very rich text Ype H Poortinga Tilburg University The Netherlands Catholic University of Leuven Leuven Belgium In this wide ranging book Victor Karandashev expertly guides us through the dazzling complexity of our concept and experience of love Not only does he show the many different ingredients that make up our conceptions of love in particular cultures such as idealization of the beloved commitment union intimacy friendship and others he draws our attention to the bewildering array of differences between their applications in different cultural contexts or to their presence or absence in a culture In reading the book we also get as a bonus an idea of how an elusive concept such as love can be scientifically studied by a variety of methodologies all to our benefit A masterful accomplishment K vecses Zolt n E tv s Lor nd University Budapest Hungary Long considered a research purview of only a portion of the world s cultures we know today that love is universal albeit with many cultural differences in meaning form and expression Moreover love has a rich history of scholarship across multiple disciplines Within this backdrop Karandashev has compiled a remarkably comprehensive global review of how people experience and express their emotions in love Covering the topic from a truly international and interdisciplinary perspective this book is an indispensable source of knowledge about cultural and cross cultural studies conducted in recent decades and is a must read for anyone interested in the universal and culturally diverse aspects of love David Matsumoto San Francisco State University Director of SFSU s Culture and Emotion Research Laboratory

**The Psychology of Love** Michele A. Paludi, 2012-03-09 From arranged marriages to online dating this four volume work presents everything from personal accounts to empirical evidence to document what creates love in our culture as well as around the world The field of biology views love as a hard wired mammalian drive akin to thirst and hunger In contrast psychology views love from a social and cultural perspective where our drive to find love and our responses to it are highly dependent on societal norms In The Psychology of Love esteemed author and educator Michele A Paludi examines love through all lenses thereby providing readers a deeper understanding of the ways we can express caring sensitivity empathy and respect toward one another Each chapter in this comprehensive four volume work includes a scholarly overview of empirical research and theories about the psychology of love In addition individuals own definitions of love are included Special attention is paid to accepted standards of love across a variety of cultures the ways individuals express liking and love across the lifecycle and patterns in dissolutions of friendships and romantic relationships making note of gender and race differences

**The Sexual Revolution in Russia** Игорь Семенович Кон, 1995 **From Russia with Love! Russian for Kids (Paperback)** Carole Marsh, 2004-01-01 This fun introduction to Russian is full of reproducible activity pages This book introduces Russia s exciting history plus teaches hundreds of words with entertaining and humorous writing and lots of activities This foreign

*Central and Eastern Europe, Russia, and Eurasia* Mary Zirin,Irina Livezeanu,Christine D. Worobec,June Pachuta Farris,2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes *Handbook of Positive*

*Psychology* C. R. Snyder,Shane J. Lopez,2001-12-20 Psychology has long been enamored of the dark side of human existence rarely exploring a more positive view of the mind What has psychology contributed for example to our understanding of the various human virtues Regrettably not much The last decade however has witnessed a growing movement to abandon the exclusive focus on the negative Psychologists from several subdisciplines are now asking an intriguing question What strengths does a person employ to deal effectively with life The Handbook of Positive Psychology provides a forum for a more positive view of the human condition In its pages readers are treated to an analysis of what the foremost experts believe to be the fundamental strengths of humankind Both seasoned professionals and students just entering the field are eager to grasp the power and vitality of the human spirit as it faces a multitude of life challenges The Handbook is the first systematic attempt to bring together leading scholars to give voice to the emerging field of positive psychology **The Oxford**

**Handbook of Positive Psychology** C.R. Snyder,Shane J. Lopez,Lisa M. Edwards,Susana C. Marques,2020-12-30 The Oxford Handbook of Positive Psychology is the seminal reference in the field of positive psychology which continues to transcend the boundaries of academia to capture the imagination of the general public Almost 20 years after the first publication of this groundbreaking reference this new third edition showcases how positive psychology is thriving in diverse contexts and fields of psychology Consisting of 68 chapters of the most current theory and research this updated handbook provides an unparalleled cross disciplinary look at positive psychology from diverse fields and all branches of psychology including social clinical personality counseling health school and developmental psychology Several new chapters are included which highlight the latest research on positive psychology and neuroscience as well as growing areas for applications of positive

psychology      **Love and Russian Literature** Ira Nadel, 2023-11-30 Russia haunted the British cultural imagination throughout the 20th century whether as a romantic source of literary and political inspiration or as a warning of creeping totalitarianism In this new book Ira Nadel charts the story of that influence through the work of some of the key figures in British literature across the century including Joseph Conrad Somerset Maugham Jane Harrison Virginia Woolf and H G Wells Framed by the story of two romantic encounters between Walter Benjamin and the actress Asja Lacis in Moscow in 1926 and between Isaiah Berlin and Anna Akhmatova in 1945 *Love and Russian Literature* casts a vivid new light on the ways in which responses to Russia shaped the history of British modernism      **Maya Pill** German Sadulaev, 2013-11-07 In the traditions of Victor Pelevin and Vladimir Sorokin German Sadulaev's follow up to his acclaimed *I am a Chechen* is set in a twenty first century Russia phantasmagorical and violent A biting funny twenty first century satire *The Maya Pill* tells the story of a mid level manager at a frozen food import company who comes upon a box of psychotropic pills that's accidentally been slipped into a shipment He takes one and disappears down the rabbit hole entering the mind of a Chinese colleague dreaming that he is one of the rulers of an ancient kingdom even believing he is in negotiations with the devil A mind expanding companion to the great Russian classics *The Maya Pill* is strange savage bizarre and uproarious      *Go West!* Bernhard Hemetsberger, Andreas Oberdorf, 2025-03-31 The West is a central concept in public discourse but its meaning is often unclear and open to manifold interpretations and ascriptions of belonging and exclusion Who is part of the West When and where is it located How did its meaning change over space and time Who are the mediators of the West and what is their interest in terms of culture and education The West is often used without any critical questioning though This is also reflected in history of education research especially with focus on transnational or transatlantic issues Here the West is a sort of container term or fuzzy concept that can refer to a variety of historical entanglements and cultural transfers in school systems and education but also to conflicts and crises accordingly This book aims to stimulate a critical reflection and debate on ideas of the West in the history of education by gathering scholars from various fields of historical research With a reflexive historical distance to current political incidents in which ideas of the West are revived the contributions in this book are intended to enable readers to evaluate representations of the West in current academic or public discourses and debates alike      **Soviet Self-Hatred** Eliot Borenstein, 2023-06-15 *Soviet Self Hatred* examines the imaginary Russian identities that emerged following the collapse of the Soviet Union Eliot Borenstein shows how these identities are best understood as balanced on a simple axis between pride and shame shifting in response to Russia's standing in the global community its anxieties about internal dissension and foreign threats and its stark socioeconomic inequalities Through close readings of Russian fiction films jokes songs fan culture and Internet memes Borenstein identifies and analyzes four distinct types with which Russians identify or project onto others They are the *sovok* the Soviet yokel the New Russian the despised ridiculous nouveau riche the *vatnik* the belligerent jingoistic patriot and the *Orc* the ultraviolent savage derived from a deliberate

misreading of Tolkien's epic. Through these contested identities, *Soviet Self Hatred* shows how stories people tell about themselves can tragically become the stories that others are forced to live.

The Top Books of the Year Love Russian Style The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. Love Russian Style : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
