## Love Thoughts Over Latte:

**Love, Lattes and Mutants** Sandra Cox,2015-02-17 Finding love is hard even when you aren't a mutant Like most seventeen year olds Piper Dunn wants to blend in with the crowd Having a blowhole is a definite handicap A product of a lab engineered mother with dolphin DNA Piper spends her school days hiding her brilliant ocean colored eyes and sea siren voice behind baggy clothing and ugly glasses When Tyler the new boy in school zeroes in on her ignoring every other girl vying for his attention no one including Piper understands why Then Piper is captured on one of her secret missions rescuing endangered sea creatures and ends up in the same test center where her mother was engineered There she discovers she isn't the only one of her kind Joel is someone she doesn't have to hide from and she finds herself drawn to the dolphin boy who shares her secrets Talking to him is almost as easy as escaping from the lab Deciding which boy has captured her heart is another story 63 486 Words

**Love and Lattes** Karis Walsh,2023-01-10 Bonnie James has built her life around her passions cats coffee and community She rejected her family's narrow visions of success and instead chose the non lucrative fur filled life of a cat caf owner So what if her decision means she works way too much to have time for true love She has plenty of friends and cats to keep her company Wedding planner Taryn Ritter has a knack for making impossible dreams come true She might not understand the appeal of getting married in a cat caf but if that's what her clients want then she'll make it happen She's not about to let the reluctant caf owner stand in her way so she makes Bonnie an offer she can't refuse give her the venue for one day and she'll find a way to get more cats adopted into happy homes When Bonnie and Taryn join forces to help a bunch of shelter cats find their forever homes they just might discover forever for themselves as well
