MATCH4LOVE Jorge Dyszel, 2024-06-17 With a rich tapestry of experience across 15 countries Jorge's global footprint would make most travel bloggers green with envy. But it's his writer's hat that truly makes Jorge's story a blockbuster. His passion for weaving words has not only produced captivating narratives but it has also equipped him with a unique cinematic flair, turning the drab world of trading into a riveting screenplay. Trainees, whether rookie or old hat, get a touch of Hollywood drama with their dose of trade wisdom. Now let's talk cinema. Jorge isn't just a fan; he's a game changer. He pioneered a method to usher blind individuals into the magical realm of theaters, a contribution that garnered him standing ovations across the globe. A creative force with a holistic approach, Jorge is in the business of turning ventures into vibrant victories. To him, life isn't merely a reel of past events; it's the art of sculpting those experiences into captivating tales. **MATCH4LOVE** is not just a book; it's an extension of Jorge's fascinating journey. Grab your popcorn; it's going to be a delightful read. **Love's**

Rajwade, 2022-10-06 In this modern era where there is sorrow, pain, and suffering, how can we have influence over our lives and make it heaven? I have mentioned all of these in my book. Armadillo Gary P. Nunn, 2018-01-23 I want to go home with the Armadillo. And you will too once you've picked up Gary P. Nunn's new memoir of the life and times of this true Texas original. As one of the founding fathers of the progressive country music scene in Austin, Texas, Nunn helped change the face of popular music. His anthem *London Homesick Blues* was the theme song of the wildly popular *Austin City Limits*, the longest running music series in American television history for over two decades. His hit songs such as *The Last Thing I Needed*, *First Thing this Morning*, and *What I Like about Texas* have been recorded by artists from Jerry Jeff Walker and Michael Martin Murphey to Rosanne Cash, Willie Nelson, and most recently Chris Stapleton. *At Home with the Armadillo* is a unique and revealing debut work that showcases Nunn's exceptional abilities as a storyteller. His obvious songwriting talents have translated naturally into honest, captivating prose as he recounts the story of his life from a humble childhood in rural Oklahoma to playing with members of the famous Crickets to his move to Texas and into the burgeoning Austin music scene of the early 1970s. The story of this extraordinarily talented musician will captivate a broad audience. It's a book for lovers of country and rock and roll music, students of the history of those genres, people who grew up in Austin or Texas in the sixties and seventies, and those who wish they had. This is a heartfelt narrative that doesn't hold back as Nunn reflects about the good times and the bad of a young musician on his way to a future that wasn't always clear. As much as this is the story of Nunn's life, *At Home with the Armadillo* is also an homage

to Texas to the rich and star studded history of Austin music and to all the musicians and other personalities Nunn met on their respective ways through the music world of the last five decades Personal stories of musicians like Murphey Walker and Nelson are integrated with tales of the festivals clubs and venues from Los Angeles to Nashville where their careers and Nunn s were made Nunn shares wild adventures in Mexico his personal encounter with the Viet Nam War and the glory days of Austin when the Live Music Capital of the World was coming into its own Whether you re a country music fan of any age a cosmic cowboy an aging hippie or anyone who wants to know how it all happened this book will take you back to the days To the days of the Armadillo World Headquarters where as Nunn states It s been said that our music was the catalyst that brought the s kickers and the hippies together at the Armadillo Nunn notes I have been blessed with good health and I have driven over two million miles alone without an accident knock on wood Success is survival as Leonard Cohen told me many years ago To readers of At Home with the Armadillo We re lucky to be along for the ride Music and Me P.

Detective Jack Diamond Investigations Mary Beni,2012-06-12 CEAs Jack Diamond Schuster is an intelligent doctor of forensics He has years of experience with problem solving especially with crime scene investigations He doesn't like the district attorneys offices way of doing things Diamond feels that it should be the police that solve the crimes The district attorneys staff judges the crimes too soon Schuster has a close partner who he appreciates very much Rachel Machiavelli is usually right by his side These two hard working detectives dive head first into the crime scene investigations Each crime is unique Jack is sure that there is more than meets the eye in each investigation Jack is suspicious all the time Diamond's spiritual love life is tantalizing Diamond smokes cherry cigars so often the reader can actually smell the aroma of the cloudy smoke **Situations** Linda Cannady,2005-02-15 This book was wrote with a sense of urgency to prompt those who are in an abusive relationship And to alert those who may be heading in that direction Get out of it save money and have an escape plan dont wait on the worst to happen because once you go back the situation gets worst and you may say to your self that no one could be that cruel but the best of them can and will Because no matter how good you look how good you make love the fact that your a good working person or how much money you have the problem comes from within them it could be the way they were raised or a mental problem from birth or both So my advice is never get in a relationship with someone to cover the pain from a previous relationship because you will be blinded of their faults until its to late Plus even bandages ware out and fall and if you ware a bandage to long it makes your skin pale so never put a bandage which is that new person coming in your life on your pain in your heart but let it air out meaning stay single until you are sure the wound is completely healed Use that time to get back to number one you And see what you want to do in life on you own and then and only then will you be able to see a person for who they really are **STAY TUNED FOR SITUATIONS PART TWO** External Soul - The Feelings of heart - Valentine Day Special Anthology Book Piyush Arora,2025-02-13 Love that speaks emotions that linger Eternal Soul The Feelings of Heart is a soulful collection of poetry and articles that celebrate love in all its forms From the thrill of first love to the ache of longing from the warmth of companionship to the beauty of unspoken emotions this anthology captures the essence of the heart's deepest feelings Written by passionate writers and published by Brown Page Publication this book is a tribute to the magic of love releasing this Valentine's Day Let these heartfelt words take you on a journey where love is not just felt but truly lived A book for every heart that has loved lost and loved again
