Love And Empire:

Love and Empire Erik Orsenna, 1993 **Love and Empire** Felicity Amaya Schaeffer, 2013 The spread of the Internet is remaking marriage markets altering the process of courtship and the geographic trajectory of intimacy in the 21st century For some Latin American women and U S men the advent of the cybermarriage industry offers new opportunities for re making themselves and their futures overthrowing the common narrative of trafficking and exploitation In this engaging stimulating virtual ethnography Felicity Amaya Schaeffer follows couples romantic interludes at Vacation Romance Tours in chat rooms and interviews married couples in the United States in order to understand the commercialization of intimacy While attending to the interplay between the everyday and the virtual Love and Empire contextualizes personal desires within the changing global economic and political shifts across the Americas By examining current immigration policies and the use of Mexican and Colombian women as erotic icons of the nation in the global marketplace she forges new relations between intimate imaginaries and state policy in the making of new markets finding that women s erotic self fashioning is the form through which women become ideal citizens of both their home countries and in the United States Through these little explored highly mediated romantic exchanges Love and Empire unveils a fresh perspective on the continually evolving relationship between the U S and Latin America

Love and Poetry in the Middle East Atef Alshaer, 2021-12-30 Love has been an important trope in the literature of the region we now call the Middle East from ancient times to modern This book analyses love poetry in various ancient and contemporary languages of the Middle East including Akkadian ancient Egyptian Classical and Modern Standard Arabic Persian Hebrew Turkish and Kurdish including literary materials that have been discovered and highlighted for the first time Together the chapters reflect and explore the discursive evolution of the theme of love and the sensibilities styles and techniques used to convey it They chart the way in which poems in ancient poetry give way to complex and varied reflections of human sentiments in the medieval languages and on to the modern period which in turn reflects the complexities and nuances of present times Offering a snapshot of the diverse literary languages and their relationship to the theme of love the book will be of interest to scholars of Near and Middle Eastern Literature and Culture

Love and Louis XIV Antonia Fraser, 2010-06-25 The superb historian and biographer Antonia Fraser author of Marie Antoinette casts new light on the splendor and the scandals of the reign of Louis XIV in this dramatic illuminating look at the women in his life The self proclaimed Sun King Louis XIV ruled over the most glorious and extravagant court in seventeenth century Europe Now Antonia Fraser goes behind the well known tales of Louis s accomplishments and follies exploring in riveting detail his intimate relationships with women The king s mother Anne of Austria had been in a childless marriage for twenty two years before she gave birth to Louis XIV A devout Catholic she instilled in her son a strong sense of piety and fought successfully for his right to absolute power In 1660 Louis married his first cousin Marie Th r se in a political arrangement While unfailingly kind to the official Queen of Versailles Louis sought others to satisfy his romantic and sexual

desires After a flirtation with his sister in law his first important mistress was Louise de La Valli re who bore him several children before being replaced by the tempestuous and brilliant Ath na s marquise de Montespan Later when Ath na s reputation was tarnished the King continued to support her publicly as Ath na s left court for a life of repentance Meanwhile her children s governess the intelligent and seemingly puritanical Fran oise de Maintenon had already won the King s affections in a relationship in complete contrast to his physical obsession with Ath na s Louis XIV lived happily with Madame de Maintenon for the rest of his life very probably marrying her in secret When his grandson s child bride the enchanting Adelaide of Savoy came to Versaille she lightened the King s last years until tragedy struck With consummate skill Antonia Fraser weaves insights into the nature of women s religious lives as well as such practical matters as contraception into her magnificent sweeping portrait of the king his court and his ladies

State Board of Censors,1918 containing the names and the disposition made of more than 20 000 pictures from May 15th 1915 up to the end of the year 1917 This list will be supplemented by further lists presented at the end of each half yearly period Pennsylvania State Board of Censors of Moving Pictures Report 1918 p 7 *The Story of Faith, Hope and Love* William Edward Dewberry,2013-10-23 The Story of Faith Hope and Love is a book about discovering God s nature character love justice forgiveness and truth The Bible answers these questions and offers people hope for eternal life This book answers important questions that inquiring minds might wonder about For example where did people come from What is the purpose of their existance What happens to them when they die Does their spirit live forever What happens to the spirit of people when the body dies This book gives an answer to all these questions and offers people hope for eternal life If this book is read without prejudice it will have the intended effect of producing faith in God Faith will lead to a desire to obey God and except Jesus Christ as the Son of God which can lead to eternal life The story of faith hope and love would be a great help to anyone in the missionary field as well as being an aid for Bible School teachers or anyone wanting to know more about the teachings of the Bible and their own personal salvation *Love and Romance in the Bible* Asher Elkayam,2013-01-14 This new project concentrates on the power of love and other passions that changed the world As we consider the Bible as a historical document we cannot help but wonder about those personalities in the Bible who can take credit for creating a multitude of tribal orders and nations throughout the globe Sarah and Abraham were the very first ancestors who discovered Monotheism and consequently gave birth to powerful nations who ended up populating nearly half of the people s planet One of the most populous nations on earth Islam was created as a result of Sarah s consent to have Abraham her husband consort with her maid Hagar Ishmael was born and he became the father of twelve powerful tribes Love in The Bible speaks about how entire kingdoms were formed and other destroyed It also emphasizes the power of seduction aimed at altering a destiny of a nation Delilah sought to destroy Samson in order to guarantee the supremacy of the Philistines over the Israelites Athaliah the mean destroyed her own children in order to maintain power Jezebel managed to do away with over four

hundred so called prophets in order to maintain her power over the land Those women of power did evil while using their men Delilah used Samson by seducing him and convincing him to disclose the secret of his power Jezebel and Athaliah used their men kings in order establish their own kingdom On the other hand there were impressive female heroes Deborah was a pure military strategist who saved a whole nation with her inspiration and positive attitude towards victory Deborah was also a poetess and a highly praised judge who kept a nation in peace for forty years Esther was a special queen who came to the rescue of the entire Jewish Persian minority because she was the preferred woman of King Xerxes King Solomon in his Song of Songs described love and romance in a manner that can be duplicated in our modern era His poetry is still read and appreciated in our times and it can be quoted repeatedly by true lovers of our century Romance and the longing for love have never changed Lovers can be imaginative and use silly ways to remain in love as they do today However love can take different turns as well A true shocking story of love by accident is the story of Judah who became the father of Judaism Could anyone imagine that Judah the head of the tribe of Judah a tribe that was almost extinct suddenly became the ancestor of the most populous tribe of Israel It happened at a time where Judah was almost childless By accident he encountered a woman named Tamar who posed as a harlot However since Judah did not recognize her he became intimate with her Tamar was actually Judah's daughter in law Since her two husbands Judah's sons died it was Judah's duty to have Tamar marry the only surviving son That never happened either As Tamar used a special ruse to fool Judah she conceived and she became the actual ancestress of Judaism as we know it today This intriguing soap opera like story is described in details What is more she became the ancestor of Boaz and David King of Israel Both Jews and Christians claim Tamar as their ancestor while Christians state that King David was twenty generations apart from Jesus Love And Romance in The Bible depicts other passions such as incest and rape The daughters of Lot who saw it necessary to revive seed from their own father because they were afraid of their generation becoming extinct committed incest The Bible does not condemn nor condone this act However the curious outcome was that two nations evolved out of this incestuous act Moab and Ammon The Amnon and Tamar daughter of David's story is a perfect example of an insecure man son of David who gets infatuated with his half sister Tamar and ends up abusing and humiliating her In the **The Imperial Theme** G. Wilson Knight, 2013-10-08 First Published in 2002 This is a collection of essays and commentary on the later Shakespearian tragedies of Julius Caesar Hamlet Macbeth Coriolanus Anthony and Cleopatra and Richard II *The Album of Love; Containing Love Thoughts [in Verse]* by *Many Contributors* ALBUM, 1840 Empire's End Jerry B. Jenkins, 2015-06-09 Jerry Jenkins surprising new novel is filled with adventure drama historic people and places and even romance Empire's End tells of a man who single handedly turned the Roman Empire on end It will be the surprising heart stopping story of the year *Love of Glory and the Common Good* Michael Palmer, 1992 More clearly than any previous work on the subject Michael Palmer's Love of Glory and the Common Good defines the relationship between Periclean democracy and the decline in Athenian political life that followed the death

of Pericles The author elaborates upon the views of Thucydides who saw the subsequent tyrannical rule of Alcibiades and the accompanying disintegration of Athenian political life as a logical consequence of the defects in the speeches and deeds that Pericles used to inspire the Athenian people With careful attention to details in the order and structure of Thucydides narrative Palmer shows this historian as a political thinker of the first rank who deserves the same careful study accorded to Plato and Aristotle *Love and War* marchesa Nadja Malacrida,1915 **For the Love of Humanity** Ayça

Çubukçu,2018-08-14 On February 15 2003 millions of people around the world demonstrated against the war that the United States the United Kingdom and their allies were planning to wage in Iraq Despite this being the largest protest in the history of humankind the war on Iraq began the next month That year the World Tribunal on Iraq WTI emerged from the global antiwar movement that had mobilized against the invasion and subsequent occupation Like the earlier tribunal on Vietnam convened by Bertrand Russell and Jean Paul Sartre the WTI sought to document and provide grounds for adjudicating war crimes committed by the United States the United Kingdom and their allied forces during the Iraq war For the Love of Humanity builds on two years of transnational fieldwork within the decentralized network of antiwar activists who constituted the WTI in some twenty cities around the world Ay a ubuk u illuminates the tribunal up close both as an ethnographer and a sympathetic participant In the process she situates debates among WTI activists a group encompassing scholars lawyers students translators writers teachers and more alongside key jurists theorists and critics of global democracy WTI activists confronted many dilemmas as they conducted their political arguments and actions often facing interpretations of human rights and international law that unlike their own were not grounded in anti imperialism ubuk u approaches this conflict by broadening her lens incorporating insights into how Amnesty International Human Rights Watch and the Iraqi High Tribunal grappled with the realities of Iraq s occupation Through critical analysis of the global debate surrounding one of the early twenty first century s most significant world events For the Love of Humanity addresses the challenges of forging global solidarity against imperialism and makes a case for reevaluating the relationships between law and violence empire and human rights and cosmopolitan authority and political autonomy *Louis XIV and the Land of Love and Adventure* K. F. Oelke,2018-07-16 If this story seems like it has a thousand voices there are and they are set to the rhythm of the flow of their time We are entering a virtual and imagined reality for us and a real and imagined world for them The baroque space The living realm Imagine this story as a fairy tale a fantasy even though it all is true So many princes and princesses duchesses and marquises the abdicated Queen Christine of Sweden the exiled Queen of England Henriette de France A pageant a parade The whole Court going from castle to palace to castle the royal caravan stretching out for miles and miles golden carriages riders in full colors red purple blue and their hats with long plumes Beautiful prancing horses The King rides alongside a carriage and flirts with a lover Shiny ornate razor sharp swords sheaved at the men s waists Delicate fans flickering lightly in the dainty white hands of the demoiselles let pass glimpses of flattering smiles Musketeers mingling

Soldiers bringing up the rear Stopping dallying in the pristine and bucolic French countryside The farmers come to watch as the procession passes googling at their near heavenly presence The nobles pass through villages and towns banners waving trumpets sounding They stop for accolades a party and a feast telling stories laughing drinking and dancing through the torch and candle lit night There is no hurry nothing presses except their barely fettered desires And as they lived they imagined Charles Perrault the author of Little Red Riding Hood Cinderella Puss in Boots The Sleeping Beauty and Bluebeard was not only a member of the Acad mie Fran aise and the leader of the Modernes in the controversy with the Ancients he was an integral part of the Court The Court was young and uninhibited incessantly creating new ways of thinking plays ballets novels painting The art of conversation the social arts These were the artists of the time and if they weren t themselves artists they supported and patronized them Racine Moli re Lully even the satiric Scarron to mention just a few received pensions from the King

Love among the Ruins Victoria Wohl,2009-02-09 Classical Athenian literature often speaks of democratic politics in sexual terms Citizens are urged to become lovers of the polis and politicians claim to be lovers of the people Victoria Wohl argues that this was no dead metaphor Exploring the intersection between eros and politics in democratic Athens Wohl traces the private desires aroused by public ideology and the political consequences of citizens most intimate longings Love among the Ruins analyzes the civic fantasies that lay beneath but not necessarily parallel to Athens s political ideology It shows how desire can disrupt politics and provides a deeper at times disturbing insight into the democratic unconscious of ancient Athens The Athenians imagined the perfect citizen as a noble and manly lover But this icon conceals a multitude of other possible figures sexy tyrants potent pathics and seductive perverts Through critical re readings of canonical texts Wohl investigates these fantasies which seem so antithetical to Athens s manifest ideals She examines the interrelation of patriotism and narcissism the trope of politics as

prostitution the elite suspicion of political pleasure and the status of perversion within Athens's sexual and political norms. She also discusses the morbid drive that propelled Athenian imperialism as well as democratic Athens's paradoxical fascination with the joys of tyranny. Drawing on contemporary critical theory in original ways, Wohl sketches the relationship between citizen psyche and political life to illuminate the complex frequently contradictory passions that structure democracy ancient and modern.
