Dawson Jr.,2024-01-24 This book is written for the thinking person who is struggling to believe It does this by presenting Christianity as a matter of relationships Good behavior and correct belief do not build relationships but grow from them The Bible tells the unfolding story of a relationship given lost and reoffered again and again This is more clear when we begin here below where we are accentuating God s immanence over his transcendence In such an approach optional understandings of church teachings become evident options that are biblically and theologically sound but are seldom offered There is more than one way to skin a dogma These alternatives to many teachings provide hope to those outside the church who wish for something more than competition for material possessions and for those inside the church and struggling to stay We are socialized into a scientific world view in which there is little room for spirituality This tension between science and religion is addressed by the presentation of Christianity that is not anti intellectual rigid or defensive This book shows that we do not need to choose between our worldview and our faith Mightier than the sword timothy squires,2009-08-22 a complete collection of my work from the early seventies until 2007 Thirty years of writing my thoughts in verse on paper for the public Prophecy poetry power for all ages and age groups See if you are up to the challenge because the pen is Mightier than the sword **What You Really Want, Wants You** Dr. Toni Lamotta,2007-12-27 Following the principles put forth in this book will help us all to become the universal humans we were born to be It s a step towards

the conscious evolution of our planet I endorse this work fully Barbara Marx Hubbard president Foundation for Conscious Evolution Success gurus recommend setting goals Ancient spiritual teachings suggest living in the now and allowing things to happen rather than making things happen What You REALLY Want Wants You reveals the secret that s been missing for all those people whose hopeful positive thinking didn t make them rich or bring them unending contentment and joy Dr Toni LaMotta takes the focus off achievement and turns it to the significance of your life as a whole allowing you to experience the true essence of your desires By focusing on The Divine Dozen twelve innate qualities you already possess Dr LaMotta shows you how to identify and focus on what you really want and explains why the things you think are your current goals are only distracting symbols of what you actually seek With her Spiritual System for Success you will discover the immense power within you learn how to access it and use it to embark on a genuinely fulfilling meaningful journey When you enjoy greater abundance in all areas of life then you know true significance By focusing on the divine infinite qualities you already possess you can obtain more than you ever thought possible you can get what you really want **Love's Triple D's** Maria Truth,2013-06-07 For abused sisters Joy and Anna growing up under their teenage mother s wing in the Great North has not been easy Always dreaming of becoming more than what god intended the girls try to break free from their small town and small life living seeking out solutions to childhood problems on the interstate The road ahead leads the girls down winding roads of misery Finding love and happiness is nothing what they thought it would be when the man all leave in the same manner The Flashlights of Truth Elizabeth Delvine King,1918 **Flashlight Frights: Fireside Tales to Tell in the Night ,**
