Love In The Valley:

Love in the Valley of the Kings Nicola Italia, 2015-08-16 Intelligent and lovely Emma Hayward is the pride and joy of her father renowned archaeologist Rupert Hayward. Having graduated from college, Emma is intent on following in her father's footsteps to become an archaeologist in her own right. After extensive research from decades of digging in Egypt, Rupert believes there remains an undiscovered intact tomb in the Valley of the Kings. With financial backing secured, Rupert decides to bring his family to Egypt, and Emma is thrilled to begin excavation on her first official dig. When the Haywards arrive in Egypt, Emma is introduced to the newest member of the excavation team, exotic and handsome Winston Spencer. Half Egyptian and half British, Winston finds himself drawn to the blond beauty even though she is engaged to another man. Working and living together day in and day out, the two archaeologists find themselves falling in love amid the endless sand and sultry heat of Luxor. But as the team closes in on the tomb of the famed King Nebnubuta, someone among them wants nothing more than to destroy it all. Emma and Winston must stop a killer before he strikes again and before they lose their one chance at a lifetime of happiness. *Love in the Valley of Fire* David Reynolds, 2020-04-24 Who is shooting at us and why? Ken asked. It's probably my boyfriend, Kim, replied casually. Ken should have known. Every other woman named Kim had been trouble, but this one, she might be deadly unless he found a way out of the mess he had just skied into. **Love in Sayre Valley** Dennis Carr, 2022-05-31 When fate draws two musicians from opposite ends of the music spectrum together in West Virginia, and both look to own the same stunning piece of real estate, sparks inevitably fly. Courtney Meadows, lead violinist with the Indianapolis Symphony Orchestra, inherits her ancient family homestead called The Meadows in Sayre Valley, West Virginia, and decides to flee her boring life and move to the property abandoned for decades. At the same time, Rob Wilson, frontman for the underground grunge band Treetop Rant, settles in West Virginia as his escape destination from an anything but boring life in the rock music world and becomes obsessed with buying the property. Simply establishing ownership and developing the property proves to be difficult for whoever wins the battle. They face obstacles and hurdles that range from locating the various wills, deeds, and other legal instruments relating to the land to surveying and environmental testing to rebuilding a washed-out access bridge and infrastructure for such basic services as roads, water, sewage, and power. Not to mention, there is also an armed hillbilly claiming squatter's rights. Although the mutual attraction is undeniable from their first brief meeting, the same fate that keeps throwing them together physically seems determined to keep them from connecting romantically. Can a grunge rock star from the East Coast and an ultra-conservative classical symphony violinist from the Midwest overcome their many philosophical, cultural, and musical differences and find love? *LOVE OPENS the VALLEY of EMPTINESS* Daniel Lynn Ferguson, 2017-02-18 Within are a collage of poems exploring all forms of love, friendship, and the journey we share called life together. We share love and friendship in many ways; these are some of the ways I have shared my thoughts about love and friendship. Life is a journey we should dive in and enjoy it while we are

Value in the Valley Iyanla Vanzant, 2002-05-23 The most powerful spiritual healer fixer teacher on the planet Oprah Winfrey Is it the job you hate but need in order to pay the rent Is it that relationship that you gave your all to only to end up with a broken heart again Perhaps it's your children a family member or a life long friend doing you in dragging you down pushing you to the brink If you are an honorary member of the Black Woman's Suffering Society you have probably been told that it's all your fault Or that struggling and suffering is your lot in life Iyanla Vanzant says No Life is an Act of Faith and suffering is optional Those everyday challenges obstacles and dilemmas are what Iyanla calls valleys As bad as they may seem there is a purpose or as Iyanla says There is so much value in the valley If you've ever been disappointed betrayed rejected abandoned or just plain old scared to let go then you've been or may still be in a valley Iyanla knows she's been there and on a bad day she's still there but now she shares the way out with you Grace in the Valley Heath

Adamson, 2018-10-02 Perhaps no psalm is more widely known than Psalm 23 Spoken by David during a time of great stress and difficulty it summons us to lie down in green pastures and walk thru the valley of the shadow of death Yet so often it seems we do just the reverse lying down in the valley and fixating on the danger fear and uncertainty We wonder where God has gone and why he doesn't make things right never considering that perhaps what we perceive as a spiritual trial is actually an invitation from God In this inspirational examination of Psalm 23 Heath Adamson asks the provocative question What if the green pasture and valley of the shadow of death is the same place Uncovering the rich historical and spiritual context of the shepherd's psalm he explores how God has provided a place of rest for each of us even in the times of unrest uncertainty moral ambiguity and fear
