Dewey,2003-06 **The Oxford Handbook of the Philosophy of Love** Christopher Grau,Aaron Smuts,2024 The Oxford Handbook of the Philosophy of Love offers a wide array of original essays from leading philosophers on the nature and value of love Servants Leading Servants - 15 Signs of a REAL Servant Leader (FACILITATOR) Hermann Eben, **Conscience and Love in Making Judicial Decisions** Alexander Nikolaevich Shytov,2013-03-14 THE CONSCIENCE OF JUDGES AND APPLICA nON OF LEGAL RULES The book is devoted to the problem of the influence of moral judgements on the result of judicial decision making in the process of application of the established positive law It is the conscience of judges that takes the central place in the research Conscience is understood in the meaning developed in the theory of Thomas Aquinas as the complex capacity of the human being to make moral judgements which represent acts of reason on the question of what is right or wrong in a particular situation The reason why we need a theory of conscience in making judicial decisions lies in the nature of the positive law itself On the one hand there is an intrinsic conflict between the law as the body of rigid rules and the law as an living experience of those who are involved in social relationships This conflict particularly finds its expression in the collision of strict justice and equity The

idea of equity does not reject the importance of rules in legal life What is rejected is an idolatrous attitude to the rules when the uniqueness of a human being his well being and happiness are disregarded and sacrificed in order to fulfil the observance of the rules The rules themselves are neither good or bad What makes them good or bad is their application **Out of the Darkness into the Light** Uzziah Anthony Harris,2010-12-30 Out of the Darkness Into the Light is a cognitive and emotional snapshot that chronicles a mans life during a period of great emotional loss and upheaval It shares the common struggle of our humanity and frailty that is oftenmost present during times of what some would call depression From cover to cover it highlights a journey of self discovery and takes you from the pits of despair disillusionment and self pity to a place of triumph and victory The transparency of this piece is eye opening and comforting while the victory inherent within these short anecdotal essays is to say the least inspiring Some will laugh others will cry but all will in some way shape or form relate to and be impacted by the trials as well as the resolutions illustrated within these pages If one has ever experienced pain or loss and if one has ever searched for answers and not them through their own introspective moments then this book may be of sound assistance to you If you know anyone who is struggling to come to grips with themselves or simply in need of a new birth a new direction and new possibility then have them try this rejuvenating series of life lessons and experience If all seems dark or even dim help them turn on the light this book can help them can help you turn life around **The Purpose and Power of Love & Marriage** Myles Munroe,2005-01-28 Probably no other dimension of human experience has been pondered discussed debated analyzed and dreamed about more than the nature of true love Love is everywhere in songs and in books on televisions and on movie screens Yet for all of our thinking and talking how many of us truly understand love and where can we turn for genuine insight in matters of true love In The Purpose and Power of Love Marriage Dr Myles Munroe provides the answers to questions surrounding the true nature of love as he also exposes the false images created in our culture Throughout this book he eloquently illuminates the many facets of love while at the same time tackling the really tough subjects of separation and divorce This book is sure to become a classic that will last for a lifetime and beyond as it responds gently and practically to those seeking to resolve the challenges of human relationships *Haunted by Paradise* James Bernard Murphy,2021-01-07 The Bible today is weaponized by both liberals and conservatives each side cherry picking their favorite verses Have you ever wondered why the Bible lends itself to supporting contradictory positions in moral debates why even the devil quotes Scripture If so you will enjoy this book Haunted by Paradise reveals the unity and coherence of the Bible in the light of paradise The Bible begins in Eden and ends in the new Jerusalem in between the Bible is haunted by the memory of paradise lost and the hope for paradise regained With paradise as the interpretive key Murphy unlocks biblical ethics He shows that there is no Old Testament ethics or New Testament ethics only a unified biblical ethics In sixteen short chapters this book addresses urgent moral questions about issues ranging from capital punishment to war including divine justice homosexuality marriage nature racism patriarchy and work In each chapter Murphy shows how the

Bible negotiates the tension between divine ideals and human realities *Love Understood* Laura Mucha, 2019-01-29 For Love Understood almost 200 strangers in over 40 countries have come together to share their most personal stories feelings and insights about love These are incredibly frank intimate and illuminating conversations and author Laura Mucha has used these rare and varied insights as a springboard from which to dive into the subject of love scrutinizing it from all angles scientific psychological emotional and philosophical Romantic love is something that poets and artists have been trying to explain and define for centuries but it s still one of the most complicated and intimidating terrains to navigate specially when you re directly involved Psychologists see it as a basic human drive yet most people are afraid to be open and honest about it until now Each chapter begins with a personal story from someone Laura has spoken with and then goes on to explore the questions and themes that have arisen from the account intertwining the opinions of other interviewees with the empirical findings and insights of academics The interviews allow readers to connect with people of all backgrounds cultures and ages Sometimes they ll empathize sometimes they ll be challenged and at other times they ll find comfort Love Understood combines academic theory with everyday experience and is for anyone who is curious about how we as humans work when it comes to romantic love
