That's Amores Linda Andrews,2013-02-14 How s a girl supposed to stay single with the entire town wants her married Alessa Lombard has a plan to avoid the marriage trap It s not that she s opposed to marriage wedded bliss is fine for other people All she needs is the help of the town s newest bachelor to help pull off a fake romance and the family curse won t have a chance to ruin her life Determined to fall in love Sloan Dugan immigrates to the magical town of Amores Surely in a town devoted to love he ll find a woman who doesn t use trickery and deceit But Cupid has other plans Alessa and Sloan will find themselves playing the game of love whether they want to or not Will winner take all Or lose everything *The Tammany Times* ,1903 *Silent Partners* Amy M. Froide,2017 Silent Partners restores women to their place in the story of England s Financial Revolution Women were active participants in London s first stock market beginning in the 1690s and continuing through the eighteenth century Whether playing the state lottery investing in government funds for retirement or speculating in company stocks women regularly comprised between a fifth and a third of public investors These female investors ranged from London servants to middling tradeswomen up to provincial gentlewomen and peeresses of the realm Amy Froide finds that there was no single female investor type rather some women ran risks and speculated in stocks while others sought out low risk low return options for their retirement years Not only did women invest for themselves their financial knowledge and ability meant that family members often relied on wives sisters and aunts to act as their investing agents Moreover women s investing not only benefitted themselves and their families it also aided the nation Women s capital was a critical component of Britain s rise to economic military and colonial dominance in the eighteenth century Focusing on the period between 1690 and 1750 and utilizing women s account books and financial correspondence as well as the records of joint stock companies the Bank of England and the Exchequer Silent Partners provides the first comprehensive overview of the significant role women played in the birth of financial capitalism in Britain **A History of the Philadelphia Theatre, 1835-1855** Arthur Herman Wilson,2017-01-30 No detailed description available for A History of the Philadelphia Theatre 1835 1855 [An Index to the Remarkable Passages and Words Made Use of by Shakspeare](#) Samuel Ayscough,1827 **Catalogue of the Allen A.
