*Love Notes from God* Amanda Burke, 2011-09-27 Grief and loss are taboo subjects A mother doesn't want to talk about her child who died Or does she A woman who miscarries isn't losing as much as a mother who loses a newborn Or is she A father doesn't grieve as much as a mother Or does he Our culture is full of misconceptions about grief and loss Few mention the thousands of miscarriages and stillbirths the babies and small children who die every day leaving parents with empty arms and grieving hearts The journey through grief can be long and lonely for the families left behind *Love Notes from God* examines how parents cope when they go through a miscarriage or lose an infant Find out what you can say or do to help them and also learn what is never appropriate to say to someone who is grieving *Love Notes from the Heart of God* Christa Erario, 2014-11-07 These love notes tell of God's great and tender love for his people God is pouring out his heart to his people to anyone who will listen These notes are a wellspring of information and healing for people's souls and bodies I am a God of love and justice but in these end times I am pouring out my great unfathomable mercy on all mankind like never before since the creation of man I want nobody to be lost Thus I am writing these love notes to my people who I died to save in the hope that they will listen and have a change of heart before it is too late **Philippians, God's Love Letter** Lester Hutson, 2011-09-19 This Philippians Bible study is ideally suited for personal study and enrichment This love letter from God will bless you personally and prove to be a valuable resource and guide for teaching or preaching through Philippians The great themes of Philippians are many and sublime commitment evangelism the magnificence of Christ the salvation by Grace alone sanctification service the second coming unity and many more Dr Hutson systemically moves through Philippians with clear exegesis and explanations He shows how the church in Philippi is a model church Unlike other Pauline epistles which are characteristically stern Philippians is extremely tender He speaks affectionately to the church but also exposes the subtle danger that always threatens every good church This commentary and sermon series provides insight to life in the young church at Philippi and will cause you to see how relevant life in that church is to churches in any day [Love Notes in Lunchboxes](#) Linda J. **Revelation: God's Last Love Letter** Kenneth E. Nissen, 2014-04-16 Revelation is addressed to the churches in chapter one and for the churches in the last chapter One would expect God's last love letter to be a favorite book among Christians but it isn't It isn't because it isn't understood This book has been highly received by numerous evangelical leaders and is used as the textbook on Revelation in Bible colleges as far away as Africa and India From the first I was taken with the desire of Ken to help people see that the book of Revelation was written primarily to help people in their walk with God in the midst of troubled times and not as a text to figure out the sequence of the end times This was also the first time I had seen the theme of overcoming given as the main thrust of Revelation So I had to read his manuscript to see if in fact he had come upon something I had missed I am convinced that he has I have found his book to be extremely helpful to see the desire of God to have his children to be overcomers and the resources available to us to do just that as the end approaches And the book is more than that for it does not side step the questions that are raised as one reads the book of Revelation Stephen R Bradley Director of Field Education Columbia Bible College Columbia South Carolina
