Hesselgrave,2019-09-17 The Lord s Supper or Eucharist has often been a subject of intense debate in the church What is often lost in this debate is the significance of the relationship of the Eucharist to Jesus Last Supper with his disciples which was a Passover or Passover like meal Moreover the Last Supper connects back to various meals in Jesus earthly ministry And it looks forward to the great messianic banquet as fulfillment of Jewish expectations In exploring these connections this book focuses on the three motifs of new creation hospitality and hope in Christ Most significantly when we break the bread and drink the wine or juice together we are asserting the reality of the new creation in Christ affirming God s grace forgiveness and cruciform love which is to be embodied in the Christian community and anticipating the day when God s present and ongoing work of restoration justice and reconciliation will ultimately prevail The Supper then is basically a condensed summary of the story of God s plan of redemption Hesselgrave

brings together biblical theological ethical and social insights in a way that deepens our understanding of the meaning and practical significance of biblical texts related to this central ordinance of the church      *Classified Catalogue of the Carnegie Library of Pittsburgh. 1907-1911* Carnegie Library of Pittsburgh, 1914
