## **Love The Sinner:**

**Love the Sin** Janet Jakobsen, Ann Pellegrini, 2004-04-15 In this powerful and timely book Janet R Jakobsen and Ann Pellegrini make a solid case for loving the sinner and the sin Rejecting both religious conservatives arguments for sexual regulation and liberal views that advocate tolerance the authors argue for and realistically envision true sexual and religious freedom in this country With a new preface addressing recent events Love the Sin provides activists and others with a strong tool to use in their fight for freedom

**The Author of Love** Joc Anderson, 2011-07-08 Throughout history God has been depicted variously as a judgmental tyrant a grand conciliator and even as a rather low key comic portrayed by the cigar smoking George Burns in the movie Oh God The question thats begging to be answered is Who is God This devotional evolved out of one persons desire to portray God in a truer light In the Book of Job God reprimanded Jobs friends for failing to speak truthfully about Him They misrepresented His character Job on the other hand understood His Maker and was therefore the single voice of truth in an otherwise corrupt world Can you honestly say that you know your Creator Can you speak truthfully about Him This devotional will help you get to know the real God who is neither the judgmental tyrant nor the light weight movie character He is if nothing else a God of love and compassion At the conclusion of your devotionals I have formulated a Love Quotient L Q test to measure the depth of your love The questions are designed to be thought provoking and insightful You may also find them a bit daunting and uncomfortable Answer each question according to your beliefs There are no wrong or right answers It is my hope youll find this little exercise revealing and instructive of how you love The answers and Key is also included Your heart is what youre all about May you understand Gods love for you

**Hate the Sin Love the Sinner** Osbertine Pierre, 2023-12-22 God s Hate for Sin Does Not Affect His Love for Sinners God s Love for Sinners Does Not Affect His Hate for Sin Do not let your sin trick you into thinking that you are condemned before having a meeting with God s love and justice for God s justice is the opposite of men s justice When you plead guilty in front of men you get a sentence however when you plead guilty in front of God He lets you walk free Writing this book just like any other assignments from God has been a challenge for me in many ways From the time this message was placed in my spirit it has searched me convicted me taught me and freed me I hope the Holy Spirit uses it to do the same for you and more This book will teach you how to love yourself and others better It will bring peace knowing that there is hope after messing up It will give you the courage to forgive and love people you may not like This book will teach you how to find freedom over sin and live an abundant life

 Station Steward,2015-01-05 O wanderer O man unrepentant though you go about seeking for that certainty as if it were a  
 thing unknown yet you could have known Even Christ But you are given to the inhabitation of the times and that has carried  
 the day for you But there is another that shall come even death and his inhabitation shall take the times away from you What  
 worth your claim ignorance For the glory of the Lord even Christ Jesus is it not to fill all the earth But betaken with the times  
 you reject the glory of God Yet to that one who is weary repentance would have reconciled this one wanderer with a road

 Allender,Tremper Longman,2021-12-21 We ve come to view love as being nice yet the kind of love modeled by Jesus Christ

 masterpiece the Summa Theologiae He pairs these easily digestible quotes from the Summa with his own delightfully written  
 commentary in order to answer the kinds of questions real people ask their spiritual directors These 358 passages from the  
 Summa have helped Kreeft in his own struggles to grow closer to the Lord His practical personal and livable advice is the  
 fruit of his labors to apply the insights of Aquinas to his own quest for sanctity happiness and union with God      The
