Love Your World:

Meditation Kelly Chance Beckman,2011 And God Answered.... Rod Guerrero,2013-11 We often allow ourselves to get defeated in sadness depression despair loneliness and ultimately self destruction These are terrible places to be But there is a way out of those places and that is through God s love and trust along with belief in yourself In And God Answered author Rod Guerrero offers a discussion of how to turn negative thoughts into positive energy Presented as a back and forth conversation between Guerrero and God this study provides a serious and thoughtful discussion of topics relevant to the lives of all beings that inhabit and share our world Guerrero maintains that to be mired in negativity is an exhausting waste of energy and that life is meant for joy and not struggle We can fill our lives with love peace and prosperity by building on the inexhaustible supply of love that exists in all of us You can unleash that authentic power within you and set yourself free Including original poems And God Answered communicates that any negativity can be bridged over to the positive by stilling your thoughts and communing with God to redirect your thoughts and create as you desire **Trailblazers 4' 2006 Ed. ,**

Pahl,2010-02-01 What is Christianity really all about Is it in its essence about proper religious rituals or correct religious beliefs or acceptable moral behavior What is at the heart of an authentic Christian faith and life In *From Resurrection to New Creation* Michael Pahl provides an introduction to Christian theology which attempts to answer these questions proposing that the heart of Christianity is not a set of rituals or beliefs or behaviors but an event the resurrection

of the crucified Jesus from the dead that prompts a story the gospel or good news of salvation through Jesus Jesus resurrection Pahl claims is the starting place and the compass in the journey of Christian theology our journey to understand God God s work in the world and how we should live out God s purposes for humanity Thus beginning with Jesus resurrection and using this event as a guide Pahl surveys the terrain of classic Christian belief and practice The Trinity the identity of Jesus the work of the Holy Spirit the nature of humanity Christ s atonement for sin salvation and the gospel baptism and the Eucharist the church and the future state all these landscapes and more are explored in this concise introductory survey of essential Christian theology

In the Image of God Shirley Mayhood,2022-05-02 We were created in the image of our Creator It was a perfect and loving relationship but when Adam and Eve chose evil over that relationship with their Creator that image of God we were created with was lost to us In our world today many Christians are more attuned to the world than to God s Word Many seem to have the attitude that because they are in the world they must be like the world But this world is not anything like God and Christians need to come to the certain knowledge that they are in the world but not of the world We as God s kids are not to live in the image of a lost world careening into a dark and bottomless pit of pure evil Jesus Christ became our atoning sacrifice so that you and I can return to that original image of God that we were created to be This ought to be our goal in life to be like God to do our very best to live in the image of God This book is a daily devotional of biblical attitudes characteristics of Jesus Christ the deep meaning and example of God s amazing precepts and loving actions God gave us a book to show us His right and loving law but when Jesus came He condensed all of the Father s law into just two Jesus said to him You shall love the Lord your God with all your heart with all your soul and with all your mind This is the first and great commandment And the second is like it You shall love your neighbor as yourself On these two commandments hang all the Law and the Prophets Matthew 22 37 40 It is my sincere hope that this book of devotions will help all who read it to know God better to love Him more and to understand what the true image of God means 451

Cogito Antoine Bacha,Liliana Franco,2007-08 While in captivity by Palestinian terrorists Antoine began hearing what he described as a loving caring voice that showed him to rise above his terrible pain and misery by connecting to his creator s spirit The voice also told him among other things that he would meet an unusual woman who would share in his spiritual journey He did not know that the woman would also experience the very same kind of intuitive lessons from the voice as he did Inspired by the loving spirit of the voice that speaks through both of them Antoine and Liliana now share that
