T. Joshi, 1996-12-01 He was the premier writer of horror fiction in the first half of the 20th Century perhaps the major American practitioner of the art between the time of Edgar Allan Poe and Stephen King Born into an upper middle class family in Providence Rhode Island Howard Phillips Lovecraft 1890-1937 had a lonely childhood but read voraciously from his earliest years He soon became interested in science and astronomy and began penning stories poetry and essays in great profusion publishing them himself when no other market was available The advent of *Weird Tales* in 1923 gave him a small outlet for his work and he attracted a large number of followers with whom he exchanged literally tens of thousands of letters many of them quite lengthy A number of these young correspondents eventually became professional writers and editors themselves Lovecraft's fame began spreading beyond fandom with the publication of his first significant collection *The Outsider and Others* in 1939 two years after his untimely death Book jacket **Sorcery Against Caesar** Richard L. P. Lovecraft,2013-05-09 Loathsomeness waits and dreams in the deep and decay spreads over the tottering cities of men A time will come but I must not and cannot think H P Lovecraft 1890 1937 was a reclusive scribbler of horror stories for the American pulp magazines that specialized in Gothic and science fiction in the interwar years He often published in Weird Tales and has since become the key figure in the slippery genre of weird fiction Lovecraft developed an extraordinary vision of feeble men driven to the edge of sanity by glimpses of malign beings that have survived from human prehistory or by malevolent extra terrestrial visitations The ornate language of his stories builds towards grotesque moments of revelation quite unlike any other writer This new selection brings together nine of his classic tales focusing on the Cthulhu Mythos a cycle of stories that develops the mythology of the Old Ones the monstrous creatures who predate human life on earth It includes the Introduction from Lovecraft s critical essay Supernatural Horror in Literature in which he gave his own important definition of weird fiction In a fascinating contextual introduction Roger Luckhurst gives Lovecraft the attention he deserves as a writer who used pulp fiction to explore a remarkable philosophy that shockingly dethrones the mastery of man

Robert W. Chambers: Master of The King in Yellow Shawn M. Tomlinson,2015-11-09 It has taken me 37 years to write this biography of author Robert W Chambers Along the way I wrote and published many articles about him but did not complete the biography until 2014 I got the idea of writing it when I was 15 and the reason I got the idea is the same reason it has taken so long to write the book There simply is not that much information about Chambers out there Despite his fame and thorough integration in New York high society very little was written about him during his lifetime This volume contains the Expanded Edition of the biography Robert W Chambers Maker of Moons as well as the collection of articles originally titled Robert W Chambers In Search of the Unknown Author of The King in Yellow [Robert W. Chambers: Maker of Moons](#) Shawn M. Tomlinson,2015-06-09 Robert W Chambers Maker of Moons Author of The King in Yellow Unmasked traces the history of the author of The King in Yellow the book that influenced H P Lovecraft and the Cthulhu Mythos Chambers was a top selling author in the early 20th century writing nearly 90 books but has been largely forgotten except by the readers of horror fiction particularly fans of the Cthulhu Mythos This is the first full biography of Chambers researched over nearly four

decades by Shawn M Tomlinson who grew up in the small town where Chambers summered Tomlinson wrote many articles about Chambers previous to this book primarily for area newspapers as well as for several magazines including Adirondack Life and Ride of the Horsemen His chapbook about Chambers first published in 1996 went to three editions Robert W Chambers Maker of Moons Author of The King in Yellow Unmasked includes portraits of Chambers interior and exterior photos of his summer home Broadalbin House and a full bibliography The Literary Haunted House Rebecca Janicker,2015-01-09 The haunted house of American fiction is an iconic union of setting and theme with an enduring presence in popular culture that traces its lineage to the early English Gothic novels Blurring the boundaries between past and present the living and the dead the haunted house synonymous with the dark side of domesticity challenges accepted notions of reality and wields a special power over the reader s imagination Focusing on the work of H P Lovecraft Richard Matheson and Stephen King this critical work offers a fresh perspective on one of the most popular motifs in American fiction Case studies demonstrate how these authors have kept the past alive while highlighting the complexities of modern society using their ghostly tales to celebrate and challenge 20th century American history and culture **Lovecraft** Donald R. Lovecraft in Popular Culture Don G. Smith,2015-01-24 Howard Phillips Lovecraft was born late in the 19th century but it was not until after his death in 1937 that he became a worldwide icon of horror and supernatural fiction Influenced largely by Lord Dunsany and Edgar Allan Poe Lovecraft s stories are known for their unique assimilation of gothic themes into science fiction Lovecraft s influence has stretched far beyond literary horror as a number of his works have been adapted for feature films television episodes comic book tales and in recent years video games This scholarly study highlights Lovecraft s profound impact on 20th century popular culture Early chapters introduce his complete writings providing an annotated bibliography of the author s horror and science fiction tales The works are discussed in the context of the Cthulhu Mythos an invented mythology centering on ancient and alien beings interacting with the terrestrial world Later chapters provide a filmography of motion pictures that credit Lovecraft or are identifiably adapted from his works as well as a discussion of the works that have been adapted for television comic books role playing video games and music The book concludes with a close examination of the Lovecraft legacy commenting on his specific social and metaphysical ideologies and placing the author in context among such notable literary personalities as Mary Shelley Nathaniel Hawthorne and Robert Louis Stevenson **Historical Dictionary of Fantasy Literature** Allen Stroud,2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to
