## **Lover Of God:**

**The Love of God** John C. Peckham, 2015-07-28 Theology has constantly wrestled with the nature of God's love and what it means for how God relates to the world In this comprehensive canonical theology of divine love John C Peckham argues for an account that avoids the errors of both voluntarist and experientialist theologies and faithfully represents the full biblical witness *Preventing Love: or, God's love to us, the cause of our love to Him. Being a sermon, preached on 1 John iv. 19, etc* Ralph Erskine, 1764

**Partners in God's Love** John Davey, 2007-04 Written by a retired missionary in the form of a daily devotional this book combines a lifetime of personal experiences with biblical principles It covers topics such as patriotic love brotherly love love calling children home love among the ruins and self love Practical Life **The Love of God in China** John Peale, 2005 This well researched and thorough work presents Chinese Christianity in a way that will lead Christians and others to better understand their faith and China The Love of God in China examines various aspects related to Christianity in this socialist country including the status of Chinese Christian churches the policy of Chinese government for state control of religion the attitudes of Chinese people towards Christianity theological perspectives in China the Chinese perception of religious principles successful efforts to cultivate Chinese Christianity Author John Peale objectively presents the competing and conflicting positions of the diverse Chinese Christian groups As he identifies the challenges faced by Christian individuals and churches in China he not only suggests resolutions but also proposes what Western Christians could learn from their Chinese family in the faith Peale explores the ways Christianity can be submerged into Chinese culture

God's Love In 3-Dimensions Jim McGrew, 2007-03-27 Could there be anything more exciting and blessed assurance in our life than knowing that the creator of the universe loves us That is what this book God's love in 3 dimensions is about God's love for us and His designed purpose for our lives Reflecting back over more than forty years of service in the Body of Christ I have found the most important things to be taught and expressed to bring love and unity and success to the life of the Church and to our personal lives are God's love for us Our love for God and Our love for one another For the success and the life of the Church and for our personal lives God's love must prevail God's Love in 3 dimensions reiterates the plea of the writings of our Lord's Apostles and the prayer of our Lord for love and unity The apostles of our Lord pleaded for us throughout the scriptures to have love and unity through the Spirit of God's love Jesus our Lord prayed for God's unity and love for His followers that all of them may be one Father just as you are in Me and I am in You I have made You known to them and will continue to make You known in order that the love You have for Me may be in them and that I Myself may be in them John 17 21 26 What great accomplishments and success await us when we walk in unity with our Lord and Heavenly Father The greatness of God's love joy and peace fills our hearts souls and minds providing divine direction and assurance as we walk in our Lord's Spirit of love And what great accomplishments have been made by the body of Christ when our Lord's love and unity prevail among His body members when working together in the directives and spirit of their Lord What

creates and produces unity with the Heavenly Father within us and within the body of Christ God's love What motivated God's plan of salvation for mankind God's love What power innovated and sustained our Lord and Savior in carrying out God's plan of salvation God's love What would be the greatest and most significant news a person could receive God loves you What is the greatest and most significant news one could ever share with another God loves you What brings unity and peace within our individual selves and the Lord's Church The knowledge the receiving and the expression of God's love This book is written through the spiritual desire to glorify and praise the Triune God Head for their love *A Divine Cordial: or, the transcendent privilege of those that love God, etc* Thomas WATSON (Rector of St. Stephen's, Walbrook.),1830 **The Fortnightly**,1911 *An Exposition of All the Books of the Old and New Testaments: ...*,1810 *Becoming Two in Love* Roland J. De Vries,2013-07-25 This book draws Soren Kierkegaard and Luce Irigaray into conversation on the nature and ethics of sexual difference While these two initially seem like doubtful dialogue partners the conversation between them yields a rich and compelling account of intersubjectivity between man and woman an account that moves beyond the limited and tired debate over egalitarianism vs complementarianism Through engagement with Irigaray and Kierkegaard this book develops a constructive theological ethics of sexual difference that focuses on an epistemological and subjective gap that sets man and woman at a decisive distance from each other They are a mystery to each other Yet it is also an ethical framework that allows woman and man to encounter one another in ways that respect the independence subjectivity and becoming of each Above all this is a theological ethics of sexual difference that centers on Jesus Christ who is defined as the middle term in every relationship and whose love command defines the encounter between man and woman in difference **The Message of Love** Patrick Mitchel,2019-09-19 Love such a deceptively simple and popular little word It is universally agreed that we need love to live and flourish as human beings and yet within our contemporary culture there are numerous confusing competing and evolving ideas about what love is There are few greater subjects in Christian theology than love yet it is a surprisingly complex and challenging concept to understand let alone live out faithfully Patrick Mitchel's conviction is that Christians need to be thinking about and practising love in compelling and authentic ways Our task is not only to articulate what love is but also to show to the world what true Christian love looks like in practice The only thing that counts is faith expressing itself through love Gal 5:6 NIV Mitchel's exposition explores love in the Old Testament how the love of God is supremely revealed in the mission and death of Jesus Christ love in the life and teaching of Jesus and the church's calling to be a community of love He helps us to grasp afresh the breadth depth scope and radically counter cultural nature of the Bible's teaching on love With a fully integrated study guide suitable for both individuals and groups *The Message of Love* will help you to see how the Bible's unified teaching on this vital theme can impact your life today *Exposition of the Old and New Testament* Matthew Henry,Samuel Palmer,1831 *On Self-Harm, Narcissism, Atonement, and the Vulnerable Christ* David Vincent Meconi,2019-11-14 *On Self Harm Narcissism Atonement and the Vulnerable Christ* explores St Augustine of

Hippo's theology of sin described as various forms of self loathing and self destruction in addition to sin's antidote a vulnerable relationship with the crucified Christ Incorporating recent thinking on self destruction and self loathing into his reading of Augustine David Vincent Meconi explores why we are not only allured by sin but will actually destroy ourselves to attain it even when we are all too well aware that this sin will bring us no true lasting pleasure Meconi traces the phenomena of self destruction and self loathing from Augustine to today In particular he focuses in on how self love can turn to self harm and the need to provide salvage for such woundedness by surrendering to Christ showing how Augustine's theology of sin and salvation is still crucially applicable in contemporary life and societies

DOOLITTLE, 1723      **101 Overcomers' Rhema Loaded with Daily Benefits** Akintayo Emmanuel, 2024-12-20 From the garden of Eden where our Lord Jesus Christ called out to Adam and said Adam where art thou to the new Jerusalem city where the Spirit and the bride say Come the Lord Jesus Christ has been yearning to bring man back into union with His eternal life 101 Overcomers Rhema Loaded with Daily Benefits is not a daily devotion but God's Word spoken by the Spirit of God directly to the humble and meek reader especially those who are desperately hungry and thirsty for Jesus Eating this Word means you are becoming like Jesus the bread of life the divine flesh and blood known as the Word made flesh Those who eat this Word will receive the life of God Zoe in an abundant measure and become an overcomer that sits with Jesus Christ in His throne The wonderful tree of life that metamorphosized to trees of life only grows and bears its fruit by the banks of the river of life the Holy Spirit The tree of life the Word grows out of the river of life the Holy Spirit signifying that the life of the tree is derived from the life of the river of life All who would be trees of life must first access the river of life These kinds of people are God's overcomers a Joel's strong army a people with the nature and the more excellent ministry of Jesus Christ Hitherto cherubims with a flaming sword guarded the way to the tree of life at the garden of Eden to prevent man from entering the garden but now through the cross of Jesus Christ the cherubims have been removed the flaming sword has been sheathed the wall has been broken down the handwriting of ordinances that was against us has been taken out of the way the gates of the holy city have been swung wide open never to be closed again the pathway has been bathed in brilliant light and upon entering the city there is no longer a tree of life but trees of life a whole vast forest of them super abundant complete and perfect overcomers a Christlike people who will sit alongside Jesus Christ on His throne reigning forever with him My family and I are eternally grateful to Jesus Christ to be a part of these overcomers As you are about to open the pages of this book rejoice in the Lord because you are also an overcomer alongside Jesus Christ      Friendship in Islamic Ethics and World Politics Mohammad Jafar Amir Mahallati, 2019-11-20 Based on a decade of direct diplomatic

engagement with the United Nations a decade of teaching on international relations and another decade of research and teaching on Islamic and comparative peace studies this book offers a friendship related academic framework that examines shared moral concepts philosophical paradigms and political experiences that can develop and expand multidisciplinary conversations between the Christian West and the Muslim East By advancing multicultural and interreligious discourses on friendship this book helps promote actual friendships among diverse cultures and peoples This is not a monologue It provides a model of conversations among scholars and political actors who come from diverse international and interreligious backgrounds The word Islamic should not mislead the reader to suspect that this edited volume delves only into religious discourses Rather it provides a forum for conversations within and between religious and philosophical perspectives It sparks friendship conversations thematically and through disciplinary and cultural diversity The result of the work of many prominent international scholars and diplomats over many years it conveys at least one message clearly friendship matters for not only our happiness but also for our survival
