Things Jason Alvis, 2016-01-13 This book examines the various encounters between Jean Luc Marion and Jacques Derrida on the gift considers their many differences on desire and demonstrates how these topics hold the keys to some of phenomenology's most pressing structural questions especially regarding deconstructive approaches within the field The book claims that the topic of desire is a central lynchpin to understanding the two thinkers conflict over the gift for the gift is reducible to the desire to give which initiates a turn to the topic of generosity To what degree might loving also imply giving How far might it be suggested that love is reducible to desire and intentionality It is demonstrated how Derrida the generative father of deconstruction rejects the possibility of any potential relation between the gift and desire on the account that desire is bound to calculative repetition economical appropriation and subject centered interests that hinder deconstruction Whereas Marion a representative of the phenomenological tradition demands a unique union between the gift and desire which are both represented in his reduction to givenness and erotic reduction The book is the first extensive attempt to contextualize the stark differences between Marion and Derrida within the phenomenological legacy Husserl Heidegger Kant supplies readers with in depth accounts of the topics of the gift love and desire and demonstrates another means through which the appearing of phenomena might be understood namely according to the generosity of things The Bar Belle Sara Havens, 2011-10 Sara Havens is The Bar Belle for LEO Weekly and writes about everything from the Louisville Ky nightlife and hangover cures to the latest in bars cocktails and watered down American swill A personality driven column that runs every other week in LEO The Bar Belle was created in 2006 which is ironically the year Sara's mother stopped reading the paper The Bar Belle was named Best Column for a circulation under 50 000 at the 2011 AltWeekly Awards This book features 100 of her best columns from 2006 2010 **Sleuths in Skirts** Frances A. Orientalizing the Jew Julie Kalman, 2017-01-16

Seeks to further our understanding of the relationship between perceptions of Jews and the reality of their existence in nineteenth-century France. H. France Review. *Orientalizing the Jew* shows how French travelers depicted Jews in the Orient and then brought these ideas home to orientalize Jews living in their homeland during the 19th century. Julie Kalman draws on narratives, personal and diplomatic correspondence, novels, and plays to show how the Jews of the East featured prominently in the minds of the French and how they challenged ideas of the familiar and the exotic. Portraits of the Jewish community in Jerusalem, romanticized Jewish artists, and the wealthy Sephardi families of Algiers come to life. These accounts incite a necessary conversation about Jewish history, the history of anti-Jewish discourses, French history, and theories of Orientalism in order to broaden understandings about Jews of the day. A well-argued, beautifully written, and intellectually stimulating investigation of representations of Middle Eastern and North African Jews by French Catholic pilgrims, writers, artists, and bureaucrats over the 19th century. Maud Mandel, author of *Muslims and Jews in France*. Jews of France nominally full citizens since the French Revolution, experienced uncertainty regarding whether their status would be reversed with each change of government. Kalman's work contributes significantly to an understanding of that insecurity as she fleshes out the stereotypes that others, officials, artists, authors, and intellectuals projected onto the Jews living among them inside France. French History.
