*Perfect Love Too Good To Be True?* Dan Robins, 2012-04-29 It says in John 3:16 For God so loved the world that He gave His only Son In 1 John 4:8 that God is love And in 1 John 4:18 There is no fear in love but perfect love drives out fear You probably know those verses but do you believe them Do you really believe that God loves you with perfect love Despite what

you may have been told God is not angry with you He s not disappointed He is smiling over you Whatever you ve done wherever you ve been whatever you will do God has a single relentless feeling towards you perfect love This book is an ever helpful reminder that God is head over heels in love with you It will pull back the curtains and help you realise how loved you are so that your joy may be made full complete and overflowing It will help you do much more than develop a healthy theology It will help you experience Father God s affectionate embrace feel His unconditional acceptance and hear His tender words of love in deeper ways than you have ever known Living Next Door to the God of Love Justina Robson,2006-03-28 Where do you run when a world is out to get you AIs Forged beings superheroes angels and worlds that change in the blink of an eye here is a richly imagined tale of ordinary redemption in an extraordinary world from one of the most provocative writers working today Francine is a young runaway looking to find a definition of love she can trust In Sankhara she finds a palace where rooms are made of bone flowers and the hearts of heroes She finds a scientist mapping the territory of the human mind She finds a boyfriend And she finds Eros itself incarnated in the androgynously irresistible form of Jalaeka But not everyone is in love with the god of love Unity for one wants to assimilate Jalaeka along with every other soul in the universe And contrary to what everyone always believes love alone can t save the day It will take something both more and less powerful than the human heart to save the worlds upon worlds at risk when gods collide For Robson world building is a literary device like any other useful for exposing buried fears and desires to the light of day no matter how strange the sun New York Times Book Review
