Players make their way around the gameboard acquiring Position, Item, and Foreplay cards. The first player to reach the winner circle gets to cleverly incorporate all of their collected cards into a continuous sex play.

Game Play: Place the board on a flat surface and position Position, Item, and Foreplay cards face down on their allotted spaces on the board. Each player chooses a token to represent them on their travels around the board. Both tokens are placed on the starting square. Players roll the die to determine who goes first. Rolling the die, players make their way around the board collecting cards from the squares they land on. For a little added heat, you may land on a square that instructs you to strip a piece of clothing along your way to the winner circle.

Winner: The first player to reach the winner circle gets to incorporate all of their cards for a fun finale!
