Louis Campbell III, 2012-12-06 One of the founders of the gay and lesbian liberation movement Jack Nichols was a warrior for gay

equality Recounting his life and work Jack Nichols Gay Pioneer Have You Heard My Message skillfully weaves the story of a man a movement and a moment that shaped gay and lesbian history This powerful biography captures the wisdom passion and spirit of a prolific activist and inspirational human being who refused to be silent in a society that considered homosexuality to be sinful and criminal As a journalist activist and editor of the first gay weekly newspaper in the United States Jack Nichols left a legacy of gay rights gay pride and tremendous courage Covering episodes before and after Stonewall during the AIDS epidemic and beyond Jack Nichols Gay Pioneer charts the life of this pivotal figure from his childhood in the suburbs of Washington DC to his final impassioned days in a Florida cancer treatment center in 2005 This book also explores Nichols family history and its unique influence on his activist tendencies as well as his revolutionary relationship with Lige Clark and their status as the most famous homosexuals in America Thoughtful and moving Jack Nichols Gay Pioneer also includes the ideas Nichols used to bring the movement to critical mass and the sources that were influential to his work Some of the topics detailed in this book are the early influence of Burns and Whitman on the homosexual movement the integration of androgyny and anarchism into his activist philosophy his attack on the psychiatric establishment s theory of homosexuality as a sickness and his work and vision in men s liberation Jack Nichols Gay Pioneer Have You Heard My Message offers a compelling look at the man and the movement as well as a wealth of hard to find summaries on underground gay journalism detailed references personal photographs and a complete bibliography of Nichols s major writings This book is an indispensable resource for anyone interested in the history and future of LGBT movements as well as students educators and researchers seeking a comprehensive and thorough treatment of this revolutionary figure

**Androphilia: A Manifesto** Jack Malebranche, 2011-06-01 like a blowtorch to the forehead The Bay Area Reporter will soon be required reading for young homosexual men looking for an alternative to disco balls rainbow flags and celebrity gossip Just Out Portland a straight talking Drill Instructor for today s gay generation weaning them off pop divas and bear beauty pageants and licking them into a more manly more self reliant shape ready to re join the masculine fray Mark Simpson British journalist who coined the term metrosexual let s just agree to hate it and leave it at that Richard LaBonte syndicated reviewer for gay newspapers nationwide The word gay has never described mere homosexuality Gay is a subculture a slur a set of gestures a slang a look a posture a parade a rainbow flag a film genre a taste in music a hairstyle a marketing demographic a bumper sticker a political agenda and philosophical viewpoint Gay is a pre packaged superficial persona a lifestyle It s a sexual identity that has almost nothing to do with sexuality Androphilia is a rejection of the overloaded gay identity and a return to a discussion of homosexuality in terms of desire The gay sensibility is a near oblivious embrace of a castrating slur the nonstop celebration of an age old emasculating stigma applied to men who engaged in homosexual acts Gays and radical queers imagine that they challenge the status quo but in appropriating the stigma of effeminacy they merely conform to and confirm long established expectations Homosexual men have been paradoxically cast

as the enemies of masculinity slaves to the feminist pipe dream of a gender neutral read anti male pro female world Androphilia is a manifesto full of truly dangerous ideas that men can have sex with men and retain their manhood that homosexuality can be about championing a masculine ideal rather than attacking it and that the oppressive construct of masculinity despised by the gay community could actually enrich and improve the lives of homosexual and bisexual men Androphilia is for those men who never really bought what the gay community was selling It is a challenge to leave the gay world completely behind and to rejoin the world of men unapologetically as androphiles but more importantly as men The 2011 Scapegoat Publishing Kindle Edition includes a new Afterword by the author **TLA Video & DVD Guide 2004** David Bleiler,2003-10-24 This is the absolutely indispensable guide to worthwhile cinema It includes over 10 000 entries on the best of film and video that a real film lover might actually want to see Filmlandia! David Schmader,2023-04-18 From Twin Peaks to Twilight from Practical Magic to Portlandia Filmlandia highlights more than 200 film and television entertainments created and centered in Seattle Portland and the greater Pacific Northwest extensively researched and curated by culture writer David Schmader The PNW has a thriving rich film culture and it s finally celebrated in a guide as visually arresting and compelling as the films and television themselves More than 200 entries are included and feature Hilarious insightful synopses Behind the scene facts and trivia Regional scenic highlights In addition sidebars pepper the pages covering Regional filmmakers like Gus Van Sant and Lynn Shelton Television shows that shaped the public s perception of the region such as Twin Peaks Shrii and Portlandia Documentaries queer cinema silent films Vancouver shot imposters and more Colorful artwork inspired by the primary VHS color palette of the 80s turns this handy guide into a visual treat as well This is a book for any cinephile but for those who love and live in the PNW Filmlandia is an absolute must have
