Lovers in Marriage Louis Evely, 1968 Lovers in Marriage Louis Evely, 1969 Married Lovers, Married Friends Steve Chapman, Annie Chapman, 1999 With a unique blending Scripture humor and candid personal experiences this book shows 11 ways to build a fulfilling marriage *Husbands, Wives, and Lovers* Patricia Mainardi, 2003-01-01 In this interdisciplinary exploration of the cultural and social history of early 19th century France Patricia Mainardi focuses on what was considered a major social problem of the time adultery In a period when expectations about marriage were changing the problems of husbands wives and lovers became a major theme in theatre literature and the visual arts The author demonstrates that this intense interest was historically grounded in the post revolutionary collision between the new concept of the individual s right to happiness and the traditional prerogatives of family and state duty or happiness more important Are arranged marriages doomed to be empty of love and poisoned by adultery Should adulterous wives and their lovers be punished while husbands may commit adultery with impunity Out of such legal social and cultural debates ultimately emerged modern bourgeois family values Mainardi argues And she illuminates how art in all its varieties both influences and is influenced by social change *Married Men Make the Best Lovers* Ruth Dickson, 2014-04-01 If you re going to adopt a philosophy to live by make it one that gets your heart pumping and unleashes your spirit of adventure *Married Men Make the Best Lovers* is a classic smart and sassy advice book from the 1960s the heyday of the sexual revolution As one of the most outspoken leaders of the movement Ruth Dickson unleashes a wicked mind a razor edged wit and the freewheeling attitude that made her one of the most popular writers of the day After years of personal research she offers pointed advice on becoming a happy and successful Other Woman covering everything from the selection capture and care of a married lover to his ultimate release She leaves no stone unturned discussing every aspect of the affair up to and including the problematic Wife Wrapping things up with an informative Q A *Married Men Make the Best Lovers* is a must read for any woman who treasures both her single status and the enjoyment of a rich fulfilling sex life And for those ladies and gentlemen who seek further enrichment Dickson went on to author the definitive non marriage manual *Now That You ve Got Me Here What Are We Going to Do Sexier than Helen Gurley Brown wittier than Xaviera Hollander* Ruth Dickson tells the truth makes you laugh gives you innovative ideas and thoughtful advice on how to navigate the tricky waters of true freedom of choice Other Woman status may not be for everybody but it s difficult to disregard Dickson s cleverly persuasive argument in defense of this provocative lifestyle

Romantic Love Yolanda van Ede, 2006 **Romantic Love and Personal Beauty** Henry T. Finck, 1887 **Sacred Marriages** Martti Nissinen, Risto Uro, 2008-06-30 The title of this volume *Sacred Marriages* consciously plays with the traditional concept of sacred marriage but the plural form *sacred marriages* gives the reader an idea that something more is at stake here than a monomaniacal idea of manifestations deriving from a single prototype Following the guidelines of one of the contributors Ruben Zimmermann the editors tentatively define sacred marriage as a real or symbolic union of two complementary entities imagined as gendered in a religious context *Sacred marriages* plural then refers to various expressions of this kind of union in different cultures that seek to overcome to cite Zimmermann again the great dualism of human and cosmic existence The subtitle indicates that the contributors are primarily interested in different aspects of the divine human sexual metaphor that is the imagining and reenactment of a gendered relationship between the human and divine worlds This metaphor which is essentially about relationship rather than sexual acts can find textual ritual mythical and social expressions in different times and places Indeed the sacred marriage ritual itself should be considered not a manifestation of the sacralized power of sexuality experienced in sexual intercourse but one way of objectifying the divine human sexual metaphor **An Experiment in Marriage** Charles Joseph Bellamy, 1889 **Handbook of LGBT-Affirmative Couple and Family Therapy** Jerry J. Bigner, Joseph L. Wetchler, 2012-05-04 The editors and contributors of this comprehensive text provide a unique and important contribution to LGBT clinical literature Spanning 30 chapters they discuss the diverse and complex issues involved in LGBT couple and family therapy In almost 15 years this book provides the

first in depth overview of the best practices for therapists and those in training who wish to work effectively with LGBT clients couples and families need to know and is only the second of its kind in the history of the field The clinical issues discussed include raising LGBT children coming out elderly LGBT issues sex therapy ethical and training issues Because of the breadth of the book its specificity and the expertise of the contributing authors and editors it is the definitive handbook on LGBT couple and family therapy Couple Relationships in a Global Context Angela Abela,Sue Vella,Suzanne Piscopo,2020-04-03 This book examines the significance of the couple relationship in the 21st century exploring in depth how couple relationships are changing in different parts of the world It highlights global trends and cultural variations that are shaping couple relationships The book discusses diverse relationships such as intercultural couples same sex couples long distance couples polygynous marriages and later life couples In addition chapters offer suggestions for ways to best support couples through policy clinical practices and community support The book also investigates aspects of a relationship that help predict fidelity and stability Topics featured in this book include Couple relationships when one partner has an acquired physical disability Impact of smartphones on relationships Online dating and its implications for couple relationships Assessment and intervention in situations of infidelity and non monogamy Parenting interventions for the transition from partnership to parenthood Online couple psychotherapy to support emotional links between long distance partners Couple Relationships in a Global Context is an essential resource for researchers professors and graduate students as well as clinicians and practitioners in family therapy clinical psychology general practice family medicine social work and related psychology and medical disciplines **The Good Marriage: How and Why Love Lasts** Judith Wallerstein,2019-08-09 When it first appeared in 1995 The Good Marriage became a best seller It offers timeless clues to the secret of happy long lasting marriages Based on a groundbreaking study of fifty couples who consider themselves happily married psychologist Judith Wallerstein presents the four basic types of marriage romantic rescue companionate and traditional and identifies nine developmental tasks that must be successfully undertaken in a good marriage separation from the family of origin up and down vicissitudes of early years children balance of work and home dealing with infidelities and more The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation especially in the midst of societal pressures that can tear marriages apart But they also convey an inspirational message for almost all of them feel that their marriage is their single greatest accomplishment The Good Marriage explains why and its lively mix of storytelling and analysis will challenge every couple to think in a profoundly different way about the most important relationship in their lives Should be required reading for all who are interested in marriage W Walter Menninger Should prove a lifesaver for many couples Publishers Weekly Will enrich the sparse literature on happy marriages USA Today One of the nice things about The Good Marriage is its modesty It doesn't pretend to offer a philosophy or even a lecture on marriage It takes no position on the ideologically charged issues of women's marital roles and status Equally important it

ignores the two most common ways of talking about marriage as a contract negotiated between two equal parties and as the pathway to individual fulfillment For this reason it is refreshingly free of rights talk and therapy talk Indeed Wallerstein places much more emphasis on the development of good judgment and a moral sense than on the acquisition of effective communication or negotiation skills Barbara Dafoe Whitehead The Atlantic A lagniappe to enduring couplehood The strength of this study is that Ms Wallerstein a gifted interviewer persuades the couples to reveal their interior lives in rich explicit detail Susan Jacoby The New York Times Book Review Written in a masterful style that often reads like the best popular fiction Wallerstein and Blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages Tara Aronson San Francisco Examiner Chronicle Groundbreaking Boston Globe This is a wonderfully readable and immensely valuable book full of wise and original insights about the many many roads to marital happiness Judith Viorst With wisdom humor and sympathetic understanding Judith Wallerstein helps us recognize and rediscover the good marriage lucid psychologically sophisticated and generously wise David Blankenhorn Newsday Historically informative as well as profoundly wise psychologically Joan M Erikson For a long time as a Rabbi I've been using The Good Marriage by the late Judith Wallerstein in my pre marital counseling She provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong Rabbi Carl M Perkins A welcome addition to the field of literature on contemporary marriage The style is clear concise sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford Clinical Social Work Journal In The Good Marriage Wallerstein's new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation A best selling author Wallerstein employs a thoughtful nonaggressive style that appeals to the general public Wallerstein has performed an invaluable service in The Good Marriage Elizabeth M Tully M D Journal of Academy of Child and Adolescent Psychiatry Solid impressive Those interested in social policy should be pleased that so well respected a liberal academic as Ms Wallerstein has written a book that celebrates marriage and points the way toward restructuring it Wall Street Journal With extraordinary skill and compassion Wallerstein and Blakeslee take us inside the lives of fifty American couples and find that a good marriage still provides the best framework for enduring love and intimacy Sylvia Ann Hewlett A very appealing book clearly written and clearly thought out Library Journal Wallerstein's major contribution is not about how and why love lasts but about how and why love develops It is in such a context less idyllic but more realistic that the book will prove to be a lasting contribution Readings A Journal of Reviews and Commentary in Mental Health Friends and Lovers Sam Laing, Geri Laing, 1996
