Loves Humility:

Love's Humility John MacArthur, 1986-05 *To Love as God Loves* Roberta C. Bondi, 1987 Being a Christian means learning to love with God's love But God's love is not a warm feeling in the pit of the stomach It has definite characteristics we learn in the course of our life in the behavior and teaching of the early monastics as we ponder over what we can say about God as God deals with us and finally as we model our own lives on what we have learned The God Who Loves You Peter Kreeft, 2009-09-03 God's love is the subject of Peter Kreeft's imaginative and thoughtful book a revised and updated version of his book *Knowing the Truth of God's Love* With unusual clarity Kreeft points out that the man or woman who begins to glimpse the God who is Creator Redeemer and Lover of our souls will never be the same He describes Scripture as God's love story and then tells why divine love is the answer to our deepest problems and the fulfillment of our deepest desires Posing the hard questions about love that rankle the heart Peter Kreeft never settles for easy answers He exposes today's superficial attitudes about love to lead people to a deeper understanding of what it means to be loved by God addressing these issues and many more Traveling Light Max Lucado, 2023-04-18 We're all weighed down by loads we were never intended to carry With New York Times bestselling author and pastor Max Lucado as your guide *Traveling Light* invites you to release some of those heavy burdens and experience true rest We've all seen weary travelers everything they own crammed into their luggage staggering through terminals and hotel lobbies with overstuffed suitcases trunks duffels and backpacks Backs ache Feet burn Eyelids droop We can all be people like that if not with our physical luggage then at least with our spiritual load of guilt discontentment doubt or loneliness Centered around the comforting uplifting words of Psalm 23 *Traveling Light* will give you the encouragement and the tools you need to release the burdens of Self reliance Arrogance Hopelessness Disappointment Shame There are certain weights in life that we simply aren't designed to carry and Max reminds us that the Lord is asking you to set them down and trust him He is the father at the baggage claim When a dad sees his five year old son trying to drag the family trunk off the carousel what does he say The father will say to his son what God is saying to you Set it down child I'll carry that one What if we took God up on his offer We just might find ourselves traveling a little lighter Saint Hildegard Susan Garthwaite, 2025-07-30 *Saint Hildegard Ancient Insights for Modern Seekers* is a treasure trove of St Hildegard's bracing rich and transforming insights Written for today's seekers and spiritual directors it takes us deeper into our own experiences in the company of the mystic visionary St Hildegard whose twelfth century wisdom still strikingly relevant to our contemporary struggles enriches our journeys Spiritual director and retreat guide Susan Garthwaite knows this journey well she's traveled it for years St Hildegard has influenced Garthwaite's spiritual life as well as her work as a spiritual director and here she gives concrete examples of spiritual experiences and practices in which St Hildegard's insights can draw out our own wisdom She also gently touches our worst experiences and offers St Hildegard's light for our liberation and fullness of life Like all of us today St Hildegard dealt with a world in turmoil She believed spiritual

development was the key to peace in troubled times With her guidance read reflect pray discern journal heal befriend your soul and discover your mystic self A richer life awaits **Thinking About Love** Diane Enns, Antonio Calcagno, 2015-11-10 Does love command an ineffability that remains inaccessible to the philosopher Thinking About Love considers the nature and experience of love through the writing of well known Continental philosophers such as Hannah Arendt Simone de Beauvoir Jacques Derrida and Maurice Merleau Ponty Evolving forms of social organization rapid developments in the field of psychology and novel variations on relationships demand new approaches to and ways of talking about love Rather than offering prescriptive claims this volume explores how one might think about the concept philosophically without attempting to resolve or alleviate its ambiguities paradoxes and limitations The essays focus on the contradictions and limits of love manifested in such phenomena as trust abuse grief death violence politics and desire An erudite examination of the many facets of love this book fills a lacuna in the philosophy of this richly complicated topic Along with the editors the contributors are Sophie Bourgault John Caruana Christina M Gschwandtner Marguerite La Caze Alphonso Lingis Christian Lotz Todd May Dawne McCance Dorothea Olkowski Felix Murchadha Fiona Utley and M lanie Walton *The Prodigal You Love* Theresa Aletheia Noble, 2019-03-25 Using the Parable of the Prodigal Son Sr Theresa Noble a formerly fallen away Catholic gently covers the necessary elements of approaching those who have left the Church She encourages you to meet them where they are while emphasizing the importance of the faith With her gentle encouragement she will lead you to continue to hope for their conversion so that you might share the joy of the Father when The Prodigal You Love returns home Church Administration Handbook Bruce P. Powers, 2008-01-01 The third edition of the popular Church Administration Handbook pays special attention to modern issues of leadership ministry and missions **Character Coins** Robert E. Living in Abundance Fidelis O. Nwachukwu, 2012-04-21 This is a religious motivational book The whole idea about Living in Abundance stems from John 10:10b where Jesus Christ said that he has come so that we might have life and that we might have life more abundantly Therefore Living in Abundance vol 1 has the central message of preaching prosperity wealth and abundance for the believers in Christ as our portion in redemption even

in spite of apparent global economic meltdown and hardship It seeks to let believers realize that in all that we do we are created to be the head and not the tail the first and not the last we are to be above and not beneath Our portion is to be the best in all We are created to be like a city set on hill that cannot be hid We are to live in Abundance in every aspect of our lives because Jesus Christ was rich but he was made poor so that we can become rich Deut 28 1 13 Matt 5 14 2 Cor 8 9

Against the Grain Doug Grane,2021-12-29 In a world increasingly hostile to traditional faith Doug Grane delivers an inspiring journey through two millennia of Catholic history through the lives of twenty one remarkable saints who dared to go against the grain Each chapter spotlights a different century and saint illuminating how these extraordinary individuals embodied specific virtues while challenging the prevailing cultures of their times From Saint Martha s friendship in the first century to Saint Carlo Acutis s joyful witness in our digital age Grane masterfully weaves historical context biographical details and spiritual insights to show how these heroes remained steadfast in their faith despite overwhelming opposition Notable figures include Saint Nicholas Owen who built priest hideouts during England s religious persecution Saint Wolfgang whose diligence helped reform tenth century monasticism and Blessed Franz J gerst ter who chose execution rather than serve Hitler s regime More than mere history Against the Grain is a clarion call for readers to embrace heroic virtue in their own lives Grane doesn t shy away from addressing contemporary challenges to religious freedom and moral conviction offering practical guidance for living counter culturally with Catholic integrity The book includes helpful Virtue Challenges that allow readers to cultivate the same heroic qualities demonstrated by these saints Timely meticulously researched and deeply personal this work will inspire Catholics to

rediscover their rich heritage and find courage to stand firm in their convictions If you enjoyed *Saints and Sinners The Well Versed Catholic or How the Catholic Church Built Western Civilization* you ll love *Against the Grain Ways & Power Of Love* Pitirim A. Sorokin, 2015-10-22 *The Ways and Power of Love* was originally published in 1954 when Pitirim Sorokin was in the twilight of his career and leading the Harvard Research Center in Creative Altruism His elaborate scientific analysis of love with regard to its higher and lower forms its causes and effects its human and cosmic significance and its core features constitutes the first study on this topic in world literature to date Sorokin was the one absolutely essential twentieth century pioneer in the study of love at the interface of science and religion Bringing *The Ways and Power of Love* back into print allows a new generation of readers to appreciate Sorokin s genius and to move forward with his endeavor at a time when civilization itself continues to be threatened by a marked inability to live up to the ideal of love for all humankind It is certainly right to hope with Sorokin that progress in knowledge about love can move humanity forward to a better future Turning the sciences toward the study of love is no easy task but it can and must be done
