**By Knowledge & by Love** Michael S. Sherwin, 2005 What is the relationship between charity and knowledge in the theology of Thomas Aquinas Did Aquinas in his mature thought portray charity's act as antecedent to and independent of practical reasoning Did he view charity's motion as rendering us morally good before God apart from whether or not we do what is right in our actions A dominant stream in contemporary Catholic ethics holds for precisely such a concept of charity and many recent commentators on Aquinas maintain that this is his position as well According to Michael S Sherwin however the contrary is in fact the case By Knowledge and By Love represents a major contribution to Thomistic moral theology and philosophy by providing a thoughtful examination of Aquinas psychology of action and his theology of charity Through a comprehensive analysis of the relation between intellect and will knowledge and love and charity and the infused intellectual virtues Sherwin concludes that far from divorcing the will from reason Aquinas in his later works integrates reason and will more closely together Saint Augustine says No one can love what he does not know this dynamic in the gift of charity which depends on faith's knowledge and on the knowledge provided by the other infused cognitive virtues and gifts Charity is a virtue and like any virtue its acts require some knowledge of their object Sherwin argues that not only is this a faithful reading of Aquinas it also has profound implications for any conception of moral development The role of a mentoring community the characteristics of friendship with God and the specific actions required by love all play a part in Sherwin's analysis

**LOVE** Adrian Gabriel Dumitru,2021-03-22 LOVE the pathless path that goes to your soul Is really love a necessity for our lives Why can t life be much simple mathematical with very clear rules to follow Why we need to fall in love We should spend our lives only following the path the society taught us about finish school get a job make money try to be successful retire and then die Why we need this complicated story of studying what love is about Well first all of you have a heart inside of you to feel the life and being in a love story everything becomes more real Following just the paths the society told you about should be boring This is why lots of poets and writers wrote so much trying to define the meaning of love in our lives When you are the kind of person that look at life in a logical and rational way falling in love looks like useless like a pathless path But discovering the love feelings in a time when everything looked like boring in your life redefines everything Is never a good moment to fall in love cause you will always need to do something in the real life and looks like there is no time to loose for those silly feelings but one day when the feelings become so strong inside of you you realise that you just started to feel ALIVE You always did what other taught you to do in life the parents friends teachers or people you know but no one came to you to whisper the secret of life IF YOU WANT TO FEEL ALIVE JUST LET YOUR HEART TO FALL IN LOVE You might loose your soul your heart your mind but you will feel being alive No other path gives you those feelings Yesss truth be told LOVE is the pathless path but it goes to your soul
