Research Libraries, 1994 **Who's who in Theology and Science** , 1996 **The Writers Directory** , 2003 The Writers Directory 2008 Michelle Kazensky, 2007-06 Features bibliographical biographical and contact information for living authors worldwide who have at least one English publication Entries include name pseudonyms addresses citizenship birth date specialization career information and a bibliography *Building Your Life on the Principles of God: the Solid Foundation* Anthony Bright Atwam, 2014-12-18 Lord please continue to have mercy on humanity You have made provisions for everything we need in this world and the world to come Yet many people although desire good life are suffering some are confused others are desperate families are broken down our nation is struggling to cope many people are lost in spiritual matters and sin In this book the authors main argument is that God in his unfailing love for humanity has already provided what people are frantically seeking in life What people need to do is to turn to the Holy Scriptures for guidance This book can be of such help You see when life is calm our foundations dont seem to matter But when crisis come our foundations are tested In this book the author also argues that it is a waste of time and effort for people to build their lives on a faulty foundation Jesus describes Gods principles as a solid foundation for people to build their lives on We are strangers in this world therefore we need someone who knows the journey of life to guide us God is the creator of this world and He alone knows the in and out of this world His principles provide guidance for a perfect life The attempts by some groups of people to suppress the knowledge of God in the society have not been very helpful in many ways although they could not succeed For example these people could not provide the society with any viable alternative guiding principles on how people should live their lives This has led many people to turn to wrong sources for guidance sometimes with very little success or no success at all leading to a life of despair hopelessness and failure Because of this suppression of Gods word there seems to be famine in our society famine of truth famine of the word of God There is also darkness in our society many people are confused and some do not know what

to do with their lives But the word of God is light its gives understanding it gives hope it provides guidance on spiritual matters the salvation of the human soul and solutions to all our problems Sometimes life is easier and beautiful if you know what to do in any situation you find yourself Many people desire a good family life peace joy hope self discipline strength encouragement a connection with a higher being that transcends human existence and meaning to life in their spiritual quest As you read this book know that I am praying for you for all these blessings in Jesus name amen Anthony Bright Atwam According to scripture the church is the salt and the light of this world But the church seems to have locked the resources God has given her to be given to the world in the room and has put the keys in her pocket while the world is suffering One of the things the church needs to do is to start to unpack and release the resources God has given her to meet the needs of postmodern spiritual quest Anthony Bright Atwam **The Cumulative Book Index** ,1996 A world list of books in the English language
