

## *Discover Ohio's literary treasures*

**T**he Ohio Literary Trail celebrates the Buckeye State's role in shaping culture and literature worldwide. Along the trail, developed by the Ohioana Library Association, lie historic homes, museums, library collections and historical markers honoring great authors, poets and influencers of the literary landscape. Following the state's five geographic regions for convenient self-guided tours, curious explorers can walk in the footsteps of Harriet Beecher Stowe and poet Paul Laurence Dunbar. They can view renowned collections of comics, picture book art and Nancy Drew-themed artifacts. Or they can tour the home and farm of Pulitzer Prize winner and conservationist Louis Bromfield. Compiled with care by Betty Weibel, one of the trail's creators, this guide offers something unique for the armchair traveler and the road warrior alike.

transform a national cartography that well into the twenty first century reflects white supremacist assumptions These writers question the spatial dimensions of a mythic American liberty and develop countergeographies in which descendants of the African diaspora lay claim to the America they have materially and culturally created Tracking the testimonial voice in a range of literary genres Geographies of Flight explores themes of placement and mobility in the work of Phillis Wheatley Olaudah Equiano David Walker Frederick Douglass Harriet Jacobs Booker T Washington Ida B Wells Barnett W E B Du Bois Richard Wright Ralph Ellison Malcolm X James Baldwin Toni Morrison and Octavia Butler Chains of Love and Beauty Carolyn Dever, 2025-01-28 Why a monumental diary by an aunt and niece who published poetry together as Michael Field and who were partners and lovers for decades is one of the great unknown works of late Victorian and early modernist literature Michael Field the renowned late Victorian poet was well known to be the pseudonym of Katharine Bradley 1846 1914 and her niece Edith Cooper 1862 1913 Less well known is that for three decades the women privately maintained a romantic relationship and kept a double diary sharing the page as they shared a bed and eventually producing a 9 500 page twenty nine volume story of love life and art in the fin de si cle In Chains of Love and Beauty the first book about the diary Carolyn Dever makes the case for this work as a great unknown novel of the nineteenth century and as a bridge between George Eliot and Virginia Woolf Victorian marriage plot and modernist experimentation While Bradley and Cooper remained committed to publishing poetry under a single male pseudonym the diary which they entitled Works and Days and hoped would be published after their deaths allowed them to realize literary ambitions that were unfulfilled during their lifetime The women also used the diary which remains largely unpublished to negotiate their art desires and frustrations as well as their relationships with contemporary literary celebrities including Robert Browning Oscar Wilde William Butler Yeats and Walter Pater Showing for the first time why Works and Days is a great experimental work of late Victorian and early modernist writing one that sheds startling new light on gender sexuality and authorship Dever reveals how Bradley and Cooper wrote their shared life as art and their art as life on pages of intimacy that they wanted to share with the world
