Miracle Raven,2010-10-21      *Legends and Miracles of Buddha, Sakya Sinha* Kṣemendra,1895      **My 20 Miracle Prayers For a Wife** Craig L. Snyder,2023-04-26 My testimony about a man me praying for a wife for years and a beautiful woman who still is a singer today but I never knew about her back then until God did 20 plus miracles in 2007 to prepare and send me to Fort Lauderdale to enter a cruise liner on February 25th to March 2nd 2008 The first day on that ship in the auditorium God arranged this beautiful brunette singer to meet me face to face on a cruise in the Bahamas But the enemy foiled that meeting and the two never did marry as God had designed Then 15 years later on 11 11 22 God stirred me up again to write this book to reenergize that missed romantic moment back then So I m writing today per God s request to reconnect to this same original singer I missed in February 25th Key words Please Come cause Hope s Alive      **A Mother for Amanda and The Doctor's Miracle** Anna Schmidt,2007-12-01 A MOTHER FOR AMANDA Raising a child alone in the wilderness widowed park ranger Greg Stone wanted no part of any big city schoolteacher Yet Beth Baxter s gentle faith and her kindness to his little girl made this bitter man long for the courage to open up his heart once more THE DOCTOR S MIRACLE Singer Rachel Duke was drawn to Paul McCoy the doctor who treated her after she d collapsed onstage Could she truly find love with him and help the doctor heal a faith shaken by memories of war      In the Name of Love Heather Fraser,2008-10-07 Although love is the hallmark of humanity it is not widely discussed in social work and other related professions with respect to its potential connection to abuse In this groundbreaking book the author argues that while love and abuse should not co exist they often do Using a feminist narrative approach stories about love abuse and social work are told with the purpose of understanding domestic violence and other forms of abuse Based on interviews with 84 women of varying ages in Canada and Australia the author shows how the pain and shame of intimate abuse can leave its mark on the bodies minds and souls of victims survivors long after abusive episodes have ended Additionally Fraser also discusses the importance of hope enlightened witnesses income support and educational opportunities for women who refuse to renounce love relationships altogether but are instead trying to foster relationships that are respectful as well as erotic      *Enchanted Love* Marianne Williamson,2013-12-17 Three of Marianne Williamson s previous bestsellers A Return to Love A Woman s Worth and Illuminata explored the issue of relationships Now in this deeply personal collection of essays prayers and self reflection she turns to romantic love In Illuminata Williamson wrote that we experience God to the extent to which we love forgive and focus on the good in others and ourselves Now in Enchanted Love she writes that enchanted partnership begins with the conscious understanding on the part of two people that the purpose of their relationship is not so much material as spiritual and the internal skills demanded by it are prodigious High romance she says is not about past or future It is not about practicality It is not about society or worldly routines It is an audacious ride to the center of what is at the heart of every person It is a bold and masterful inquiry into what two people really are and how we might become while still on earth the angels who reside within us      **Love in America** Lawrence R.
