selected texts by five award winning authors are linked to social intellectual and political changes in the period covered and draw on postcolonial feminist cultural and children s literature theory highlighting the political and ideological dimensions of home and the value of children s literature as a lens through which to view culture and society as well as an imaginative space where young people can engage with complex ideas relevant to their lives and the world in which they live Examining the works of O R Melling Kate Thompson Eoin Colfer Siobh n Parkinson and Siobhan Dowd Ciara N Bhroin argues that Irish children s literature changed at this time from being a vehicle that largely promoted hegemonic ideologies of home in post independence Ireland to a site of resistance to complacent notions of home in Celtic Tiger Ireland **Motion Pictures**
