

A misty landscape with a large tree reflected in water. The scene is serene and atmospheric, with soft light and a calm body of water. The tree on the right is a large, leafy deciduous tree, and its reflection is clearly visible in the still water. In the background, there are more trees and a small building, all shrouded in a light mist. The overall color palette is muted, with greens, blues, and greys.

Love your enemies, do  
good to those who  
hate you, bless those  
who curse you, pray  
for those who mistreat  
you.

*Luke*  
*6:27-28*

# Loving Enemies

**Mary H. Schertz**

## **Loving Enemies:**

**Loving Creation** Gary Chartier, 2022 Gary Chartier offers an alternative to natural law theories that disregard people's welfare and embrace impartiality. He envisions Christian love as focused on creation to enrich social practices and personal life. Loving Creation contributes to theological understanding, personal moral reflection, church practice, and participation in public life.

**Love Your Enemies** Sharon Salzberg, Robert Thurman, 2023-08-01 Coping with anger and pain is more challenging than ever in these times and more necessary. Two acclaimed Buddhist teachers offer strategies and wisdom in a book that's been called possibly the most inspiring and liberating meditation on love ever written. When people and circumstances upset us, how do we deal with them? Often we feel victimized. We become hurt, angry, and defensive. We end up seeing others as enemies, and when things don't go our way, we become enemies to ourselves. But what if we could move past this pain, anger, and defensiveness? Inspired by Buddhist philosophy, this book introduces us to the four kinds of enemies we encounter in life: the outer enemy (people, institutions, and situations that mean to harm us), the inner enemy (anger, hatred, fear, and other destructive emotions), the secret enemy (self-obsession that isolates us from others), and the super secret enemy (deep-seated self-loathing that prevents us from finding inner freedom and true happiness). In this practical guide, we learn not only how to identify our enemies but more important, how to transform our relationship to them. Love Your Enemies teaches us how to break free from the mode of us versus them, thinking, developing compassion, patience, and love, accepting what is beyond our control, embracing lovingkindness, right speech, and other core concepts. First published in 2013, Love Your Enemies is more than ever required reading for navigating our world. Throughout, authors Sharon Salzberg and Robert Thurman draw from ancient spiritual wisdom and modern psychology to help you find peace within yourself and with the world. Includes new prefaces from both authors.

**A Nonviolent Theology of Love** Sharon L. Baker Putt, 2021-02-02 The impetus behind the ease with which the church has periodically justified violent behavior lies in its conceptual image of God as a violent deity. This book emerges out of a passion to think differently, albeit biblically, about the character of God and articulates a theological construction of a nonviolent God, an alternative to any image of God that seems to condone human violence. It calls the church to rethink theology as something other than what might be termed redemptive violence and encourages Christians to reinterpret Scripture and traditional theological beliefs in ways that are more faithful to the God disclosed in Jesus of Nazareth. Students of theology need a fresh glimpse of the love, mercy, and redemptive power of God through Jesus. As it follows the structure of the Apostles' Creed through the various theological topics, this book reminds Christians to share in God's desires for peace and love and to recommit themselves to the call of God to be ministers of reconciliation and lovers of both neighbors and enemies, even while at times responding to violence with nonviolent resistance.

**Costly Love** John H. Armstrong, 2018-06-30 John Armstrong knows from personal experience how easy it is to put too much emphasis on correct teaching in our experience of church and how easily we lose sight of the love on which Christ built his church when we do so.

In *Costly Love* Armstrong acknowledges the importance of doctrine and theological discussion in the church but he urges Christians to focus first on whether we are following Jesus new commandment to love as he loved Our actions of love will begin to bring us closer to unity with one another and with God     *Luke* Mary H. Schertz,2023-06-27 Luke is a gospel of joy amazement and warmth From the jubilant birth narrative and Magnificat at the beginning to the wonder of the ascension at the end Luke offers a matchless portrait of Jesus Christ of Nazareth and those who followed him In the 36th volume in the Believers Church Bible Commentary series New Testament scholar Mary H Schertz helps readers inhabit the pages of the third gospel replete with parables and paradoxes and ministries of mercy In vibrant writing and with careful exegesis Schertz invites readers to investigate for themselves the surprise light and awe of the kingdom of God in which people find healing the marginalized find welcome and the poor find flourishing Schertz traces the motifs of holy warrior and suffering servant that confronted every first century Jew including Jesus and that still shape the church today Through it all Luke demonstrates both the cost of the kingdom and the exuberance of a life lived in loyalty to Jesus and the strength of the Spirit About the Believers Church Bible Commentary series This readable commentary series is for all who seek more fully to understand the original message of Scripture and its meaning for today Sunday school teachers members of Bible study groups students pastors and other seekers From the Series Forward     Summa Theologica, Volume 3 (Part II, Second Section) St Thomas Aquinas,2013-01-01 The Summa Theologica is the best known work of Italian philosopher scholar and Dominican friar SAINT THOMAS AQUINAS 1225 1274 widely considered the Catholic Church s greatest theologian Famously consulted immediately after the Bible on religious questions at the Council of Trent Aquinas s masterpiece has been considered a summary of official Church philosophy ever since Aquinas considers approximately 10 000 questions on Church doctrine covering the roles and nature of God man and Jesus then lays out objections to Church teachings and systematically confronts each using Biblical verses theologians and philosophers to bolster his arguments In Volume III Aquinas addresses faith and heresy charity peace and war mercy anger and justice prayer truth and much more This massive work of scholarship spanning five volumes addresses just about every possible query or argument that any believer or atheist could have and remains essential more than seven hundred years after it was written for clergy religious historians and serious students of Catholic thought

Falling into Love Lang Charters,2020-07-07 Lang Charters was living the American Dream until a surreal accident on a family hike stole not only that but nearly his life Yet plummeting off a cliff taught him the richest life isn t about ascending and achieving but falling into the love of God and others In *Falling into Love* he narrates an inspiring story about his accident recovery and rehabilitation He tells about people coming together when life falls apart love transcending distance hope in the midst of despair beauty blossoming from hurt and God s unending affection for us shining through in gloriously simple regular weird and awesome ways This feel good memoir faces the struggles doubts pains and questions head on grappling with deep issues thoughtfully and authentically Charters shares his story and reflections to encourage a greater love for

others self life and God If love is the point his tale of nearly dying loss sorrow transformation relationship kindness care healing and God s goodness highlights what this means **Agape and Hesed-Ahava** David L. Goicoechea,2015-02-19

Goicoechea presents his third volume in a series on agape In this book he shows in four ways how the agape of Jesus fulfills the ahava and hesed of the Hebrew Bible First he shows existentially how he learned and lived this for six years in a Benedictine Minor Seminary and then for three years in a Sulpician Major Seminary Second he demonstrates how ahava or our love for God and neighbor and hesed or God s love for us develop through the Hebrew Bible Goicoechea argues that St Matthew s Gospel explains the fulfilment of ahava and hesed with Jesus agape He concludes by drawing attention to how Levinas and Derrida two Jewish postmodern philosophers treat Jewish and Christian love **On Love and Charity** Saint Thomas Aquinas,2008-07

Among the great works of Thomas Aquinas the Commentary on the Sentences of Peter Lombard has suffered almost total neglect among translators Such neglect is surprising considering that the massive Commentary more than 4 000 pages in the last printed edition is not only Aquinas s first systematic engagement with all the philosophical and theological topics on which he expended his energy over the span of a short career but is also characterized by an exuberance and elaborateness seldom found in his subsequent writings Although Chenu had already drawn attention decades ago to the importance of studying this youthful tour de force for a fuller understanding of Thomas s more mature work the Commentary on the Sentences has remained a closed book for many modern students of Thomistic and medieval thought because of its relative inaccessibility in English or in Latin The present volume containing all the major texts on love and charity makes available what is by far the most extensive translation ever to be made from the Commentary with the added benefit that the better part of the translation is based on the as yet unpublished critical edition of the Leonine Commission The collection of texts from all four books has a tight thematic coherence that makes it invaluable to students of Thomas s moral philosophy moral theology and philosophical theology In addition the inclusion of parallel texts from Aquinas s first Parisian Commentary as well as from his second Roman attempt at a commentary the recently rediscovered *Lectura Romana* makes this edition all the more valuable for those who wish to track the internal development of Thomas s thinking on these matters The new availability of so many rich passages from the Commentary on the Sentences will encourage and facilitate use of a magnificent resource that deserves to be better known The printed volume is supplemented by a web based document containing a fuller introduction webnotes and a bibliography To reach this supplementary information [click here](#)

**ABOUT THE TRANSLATORS** Peter A Kwasniewski is associate professor of philosophy and theology at Wyoming Catholic College and editor of *Wisdom s Apprentice Thomistic Essays in Honor of Lawrence Dewan O P* Thomas Bolin O S B is a monk at the Monastero di San Benedetto in Norcia Italy Joseph Bolin is adjunct professor of philosophy at the International Theological Institute in Gaming Austria and adjunct instructor of Latin for the Austrian Program of the Franciscan University of Steubenville **PRAISE FOR THE BOOK** T he present volume contains by far the most extensive English translation from the

Scriptum to date The translators of On Love and Charity have aimed to give a translation which is neither too literal nor too liberal trying to find the golden mean between an unintelligibly Latinised or an enjoyable but unfaithful English version This impressive volume will be of a great help for those wishing to study Aquinas and the issue of love in more depth B Toth Ephemerides Theologicae Lovanienses *The Simple Secret* Joshua Graves,2023-03-28 Jesus understanding of love separates him from many of the great religious leaders in world history Jesus believed it was possible to love every person we encounter children partners friends strangers the vulnerable the poor enemies and planet Earth itself The meaning of life is not mysterious after all According to Jesus the purpose of our existence is to love and be loved When we take our last breath our life will be measured by the love we gave to each person we encountered The secret of life it turns out is not a secret at all **Walter Wink** Collected Readings,Walter Wink,2013-10-01 Walter Wink s writing has been described as brilliant provocative passionate and innovative His skills in critical scholarship were matched by an engaging and honest style that make his work a must read for twenty first century theologians and all who seek deeper understanding at the intersection of Bible theology social ethics and more *The Politics of Praise* William W. Young,2007 The Politics of Praise argues that the redemptive potential of naming God lies in how this event transforms friendship It breaks new ground by tracing the connections between naming God and friendship in the work of Thomas Aquinas and Jacques Derrida Advancing an innovative reading of Aquinas on the divine names the book explores how Dionysius mysticism shapes Aquinas appropriation of Aristotle s ethics then retraces how Derrida s reading of religion renders possible an alternative conception of friendship These explorations lead to a surprising convergence between Aquinas and Derrida on the conditions of friendship

**Strangers, Neighbors, Friends** Kelly James Clark,Aziz Abu Sarah,Nancy Fuchs Kreimer,2018-08-06 From 9 11 to Israel Palestine to ISIS the fear of the religious stranger is palpable Conservative talk show hosts and liberal public intellectuals are united in blaming religion usually Islam for the world s instability If religion is part of the problem it can and should be part of the solution Strangers Neighbors Friends co authored by a Muslim a Christian and a Jew aims to inform and inspire Abraham s children that God calls us to extend our love beyond family and fellow believer to the stranger **Summa Theologica (All Complete & Unabridged 3 Parts + Supplement & Appendix + interactive links and annotations)** Thomas Aquinas,2013-08-20 This carefully crafted ebook Summa Theologica All Complete Unabridged 3 Parts Supplement Appendix interactive links and annotations is formatted for your eReader with a functional and detailed table of contents This ebook is the best known work of Thomas Aquinas c 1225 1274 Although unfinished the Summa is one of the classics of the history of philosophy and one of the most influential works of Western literature It is intended as an instructional guide for moderate theologians and a compendium of all of the main theological teachings of the Catholic Church It presents the reasoning for almost all points of Christian theology in the West The Summa Theologica is divided into three parts and each of these three parts contains numerous subdivisions Part 1 deals primarily with God and comprises discussions of 119

questions concerning the existence and nature of God the Creation angels the work of the six days of Creation the essence and nature of man and divine government Part 2 deals with man and includes discussions of 303 questions concerning the purpose of man habits types of law vices and virtues prudence and justice fortitude and temperance graces and the religious versus the secular life Part 3 deals with Christ and comprises discussions of 90 questions concerning the Incarnation the Sacraments and the Resurrection Some editions of the Summa Theologica include a Supplement comprising discussions of an additional 99 questions concerning a wide variety of loosely related issues such as excommunication indulgences confession marriage purgatory and the relations of the saints toward the damned Scholars believe that Rainaldo da Piperno a friend of Aquinas probably gathered the material in this supplement from a work that Aquinas had completed before he began working on the Summa Theologica It seeks to describe the relationship between God and man and to explain how man's reconciliation with the Divine is made possible at all through Christ To this end Aquinas cites proofs for the existence of God and outlines the activities and nature of God Approximately one half of the Summa Theologica then examines the nature and purpose of man Finally Aquinas devotes his attention to the nature of Christ and the role of the Sacraments in effecting a bridge between God and man Within these broad topical boundaries though Aquinas examines the nature of God and man in exquisite detail His examination includes questions of how angels act on bodies the union of body and soul the cause and remedies of anger cursing and the comparison of one sin with another Aquinas is attempting to offer a truly universal and rational view of all existence Thomas Aquinas O P 1225 1274 also Thomas of Aquin or Aquino was an Italian Dominican priest and an immensely influential philosopher and theologian in the tradition of scholasticism within which he is also known as the Doctor Angelicus Doctor Communis and Doctor Universalis He was the foremost classical proponent of natural theology and the father of Thomism His influence on Western thought is considerable and much of modern philosophy was conceived in development or refutation of his ideas particularly in the areas of ethics natural law metaphysics and political theory

Food for the Journey Themes Elizabeth McQuoid, 2024-06-20 This 365 devotional provides Bible readings for the whole year from trusted Bible teachers at the Keswick Convention Featuring well known speakers such as Alistair Begg Don Carson Jonathan Lamb Peter Maiden and many more it offers daily encouragement to draw closer to God through his Word The book is an omnibus of the Food for the Journey Themes series with a theme for each month of the year It features three brand new themes that are only available in this volume Grace Suffering and The Holy Spirit and is expertly edited by Elizabeth McQuoid

Our Violent World and the Ethics of Jesus John Dudley Willis, 2019-11-29 This book is driven by forty years of study on 1700 years of Christian violence The historical section Part 1 opens with Christianity is the most homicidal religion in the history of the world Half a Billion men women children infants elderly sick and disabled slain You read how Christians were and are taught to obey their governments more than Jesus Christ whether killing as soldiers torturing for governments or harming innocent citizens as police You read the words of Christian European Kings Queens and Popes to

their Christian explorers sent into world Discover subdue and conquer      *One Man's Quest: Making Sense of Life* Brian Bridges, 2010-09-06 A sincere and thorough exploration by the author to make sense of a world full of overwhelming amounts of information and conflicting belief systems Who is telling the truth Which religion is the right one What does the Bible tell us Who are we By peering into the author's world view we develop our own sense of ourselves we appreciate life more and we make peace with many important areas of internal conflict      **PB Handbook for the Study of the Historical Jesus (4 vols)** Tom Holmén, Stanley E. Porter, 2010-12-24 A hundred years after A Schweitzer's Von Reimarus zu Wrede the study of the historical Jesus is again experiencing a renaissance Ongoing since the beginning of the 1980's this renaissance has produced an abundance of Jesus studies that also display a welcome diversity of methods approaches and hypotheses The Handbook of the Study of the Historical Jesus is designed to handle this diversity and abundance Drawing from first class scholarship throughout the world the four large volumes of the Handbook offer a unique assembly of leading experts presenting their approaches to the historical Jesus as well as a thought out compilation of original studies on a large variety of topics pertaining to Jesus research and adjacent areas      *Baxter's Practical Works, Volume 1*, 2007-12 The editor's preface 1707 p xiii stated that the works of Richard Baxter are perhaps the best body of practical divinity that is extant in our own or any other tongue Richard Baxter lived from 1615-1691 The DIRECTORY was completed in 1665 Its scope was intended to cover all of practical theology a summa of casuistry Timothy Keller calls it the greatest manual on Biblical counseling ever produced      "All Authority Has Been Given To Me" Tim Lehman, 2019-11-20 For much of Christian history greater focus has been paid to Jesus' death than to his three years of ministry and his crucifixion has often been understood primarily as a means to salvation in heaven But retired pastor Tim Lehman contends that we've drastically missed the point by not looking closely at and learning from Jesus' words and actions before his death As a result we lose out on the joy and freedom of living fully as his disciples and experiencing salvation already in this life on earth In this broad study of Matthew's Gospel Lehman challenges readers to view Jesus' death in light of his life He urges us not just to believe in Jesus but to believe Jesus to take seriously all that he taught and how he lived As Lehman leads readers along a carefully laid path Christians and non-Christians alike will have to rethink long held assumptions the place of violence in the Christian life the givenness of division in our modern world the meaning of atonement salvation and the kingdom of heaven and more But along the way we are sure to learn grow and hopefully come to know more deeply God's unconditional love for all

Yeah, reviewing a books **Loving Enemies** could build up your near links listings. This is just one of the solutions for you to be successful. As understood, deed does not recommend that you have astounding points.

### **Loving Enemies Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Loving Enemies has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Loving Enemies has opened up a world of possibilities. Downloading Loving Enemies provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Loving Enemies has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Loving Enemies. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Loving Enemies. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Loving Enemies, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Loving Enemies has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing

so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Loving Enemies Books**

1. Where can I buy Loving Enemies books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Loving Enemies book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Loving Enemies books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Loving Enemies audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or

community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Loving Enemies books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
