Loving In The War Years:

Loving in the War Years Cherrie Moraga, 2023-08-15 An updated edition combining two classic works of Chicana and queer literature with a new introduction by renowned writer and luminary Cherr e Moraga In celebration of the 40th anniversary of its original publication this updated edition of *Loving in the War Years* combines Moraga s classic memoir with *The Last Generation* Poetry and Prose resulting in a challenging inspiring and insightful touchstone for artists and activists and for anyone striving to foster care and community Cherr e Moraga s powerful memoir remains as urgent as ever She explores the intersections of her Chicana and lesbian identities moving gracefully between poetry and prose Spanish and English personal narratives and political theory Moraga recounts navigating the world largely as an outsider circling the interconnected societies around her from a distant yet observant perspective Ultimately however her writing serves as a bridge between her cultures languages family and herself enabling her to look inward to forge connections from otherwise inaccessible parts of her interior world to show how deep self awareness and compassionate engagement with one s surroundings are key to building global solidarity among people and political movements **Loving in the War Years**

Cherrie Moraga, 1983 Weaving together poetry and prose Spanish and English family history and political theory *Loving in the War Years* has been a classic in the feminist and Chicano canon since its 1983 release It remains a testament of Moraga s coming of age as a Chicana and a lesbian at a time when the political merging of those two identities was severely censured

Changing the Wor(l)d Stacey Young, 2014-01-02 *Changing the Wor l d* draws on feminist publishing postmodern theory and feminist autobiography to powerfully critique both liberal feminism and scholarship on the women s movement arguing that both ignore feminism s unique contributions to social analysis and politics These contributions recognize the power of discourse the diversity of women s experiences and the importance of changing the world through changing consciousness Young critiques social movement theory and five key studies of the women s movement arguing that gender oppression can be understood only in relation to race sexuality class and ethnicity and that feminist activism has always gone beyond the realm of public policy to emphasize improving women s circumstances through transforming discourse and consciousness Young examines feminist discursive politics critiques social science methodology and proposes an alternative approach to understanding the women s movement *Autobiographics* Leigh Gilmore, 1994 In the first comprehensive feminist critique

of autobiography as a genre Leigh Gilmore incorporates writings that have not up to now been considered part of the autobiographical tradition Offering subtle and perceptive readings of a wide variety of texts from the confessions of medieval mystics to contemporary works by Chicana and lesbian writers she identifies an innovative practice of autobiographics which covers the entire spectrum of women s self representation *The Advocate*, 2001-01-30 *The Advocate* is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the

Soto,2010-01-01 A race based oppositional paradigm has informed Chicano studies since its emergence In this work Sandra K Soto replaces that paradigm with a less didactic more flexible framework geared for a queer analysis of the discursive relationship between racialization and sexuality Through rereadings of a diverse range of widely discussed writers from Amrico Paredes to Cherr e Moraga Soto demonstrates that representations of racialization actually depend on the sexual and that a racialized sexuality is a heretofore unrecognized organizing principle of Chican literature even in the most unlikely texts Soto gives us a broader and deeper engagement with Chican representations of racialization desire and both inter and intracultural social relations While several scholars have begun to take sexuality seriously by invoking the rich terrain of contemporary Chicana feminist literature for its portrayal of culturally specific and historically laden gender and sexual frameworks as well as for its imaginative transgressions against them this is the first study to theorize racialized sexuality as pervasive to and enabling of the canon of Chican literature Exemplifying the broad usefulness of queer theory by extending its critical tools and anti heteronormative insights to racialization Soto stages a crucial intervention amid a certain loss of optimism that circulates both as a fear that queer theory was a fad whose time has passed and that queer theory is incapable of offering an incisive politically grounded analysis in and of the current historical moment
