

Loving without Giving In

**Christian Responses
to Terrorism & Tyranny**

Ron Mock

Foreword by Senator Mark O. Hatfield

Loving Without Giving In Christian Responses To Terrorism And Tyranny

**Laura A. Stivers, Christine E.
Gudorf, James B. Martin-Schramm**

Loving Without Giving In Christian Responses To Terrorism And Tyranny:

Loving Without Giving in Ron Mock, 2004 How can Christians love their neighbors and their enemies at the same time What if the enemies are terrorists and tyrants and the neighbors include the people they terrorize or tyrannize Can governments be terrorists Or only individuals Is there a Golden Rule for nations These are among the many urgent questions addressed in Loving Without Giving In Disarming the Church Eric A. Seibert, 2018-04-11 If Christians follow the Prince of Peace why do they often behave so violently What can be done to transform the church so that it looks more like Jesus Eric Seibert explores these questions in this important and timely study He builds a biblical and practical case for living nonviolently in all areas of life and urges Christians to reexamine their most fundamental attitudes toward violence warfare and killing Through true stories and careful analysis Seibert demonstrates that it is possible to resolve conflict correct injustice and stop oppression without resorting to violence Many nonviolent alternatives are discussed throughout the book alternatives that can be used in a wide range of situations from dealing with an unwanted intruder at home to removing a dictator from power In a world filled with so much violence hate and fear alternatives like these are desperately needed This book offers hope that a better way is possible one that has the potential to transform the church and change the world So read on and join in The Cambridge Companion to Quakerism Stephen W. Angell, Pink Dandelion, 2018-04-19 A vigorous innovative compelling introduction to Quakers fully global in reach and utilizing the best Quaker scholars from every continent Opposition to War Mitchell K. Hall, 2018-01-04 How have Americans sought peaceful rather than destructive solutions to domestic and world conflict This two volume set documents peace and antiwar movements in the United States from the colonial era to the present Although national leaders often claim to be fighting to achieve peace the real peace seekers struggle against enormous resistance to their message and have often faced persecution for their efforts Despite a well established pattern of being involved in wars the United States also has a long tradition of citizens who made extensive efforts to build and maintain peaceful societies and prevent the destructive human and material costs of war Unarmed activists have most consistently upheld American values at home Opposition to War An Encyclopedia of U S Peace and Antiwar Movements investigates this historical tradition of resistance to involvement in armed conflict an especially important and relevant topic today as the nation has been mired in numerous military conflicts throughout most of the current century The book examines a largely misunderstood and underappreciated minority of Americans who have committed themselves to finding peaceful resolutions to domestic and international conflicts individuals who have proposed and conducted an array of practical and creative methods for peaceful change from the transformation of individual behavior to the development of international governing and legal systems for more than 250 years Readers will learn how individuals working alone or organized into societies of various size have steadfastly campaigned to stop war end the arms race eliminate the underlying causes of war and defend the civil liberties of Americans when wartime nationalism most threatens

them *Good and Evil* Jackie Leach Scully,2016-04-22 In this multi disciplinary collection we ask the question What did and do Quakers think about good and evil There are no simple or straightforwardly uniform answers to this but in this collection we draw together contributions that for the first time look at historical and contemporary Quakerdom s approach to the ethical and theological problem of evil and good Within Quakerism can be found Liberal Conservative and Evangelical forms This book uncovers the complex development of metaethical thought by a religious group that has evolved with an unusual degree of diversity In doing so it also points beyond the boundaries of the Religious Society of Friends to engage with the spectrum of thinking in the wider religious world Good and Evil Dr Jackie Leach Scully,Dr Pink Dandelion,2013-05-28 In

this multi disciplinary collection we ask the question What did and do Quakers think about good and evil There are no simple or straightforwardly uniform answers to this but in this collection we draw together contributions that for the first time look at historical and contemporary Quakerdom s approach to the ethical and theological problem of evil and good Within Quakerism can be found Liberal Conservative and Evangelical forms This book uncovers the complex development of metaethical thought by a religious group that has evolved with an unusual degree of diversity In doing so it also points beyond the boundaries of the Religious Society of Friends to engage with the spectrum of thinking in the wider religious world

The Mennonite Quarterly Review Harold Stauffer Bender,2006 Terrorism and Tyranny James Bovard,2025-06-25 The war on terrorism is the first political growth industry of the new Millennium So begins Jim Bovard s newest and in some ways most provocative book as he casts yet another jaundiced eye on Washington and the motives behind protecting the homeland and prosecuting a wildly unpopular war with Iraq For James Bovard as always it all comes down to a trampling of personal liberty and an end to privacy as we know it From airport security follies that protect no one to increased surveillance of individuals and skyrocketing numbers of detainees the war on terrorism is taking a toll on individual liberty and no one tells the whole grisly story better than Bovard *Nonviolent Response to Terrorism* Tom H. Hastings,2004-07-15 Terrorism which by definition targets civilians is unacceptable but a violent response to violence usually causes more violence This book outlines some of the best thinking about nonviolent methods of resisting terrorism in the growing fields of international aid and nonviolent interposition The first section covers immediate nonviolent response to terrorism international negotiations mediations and adjudication UN and citizen sanctions cross cultural communication citizen initiatives international treaties and the World Court the International Criminal Court and nonviolent resistance through raising consciousness to mobilization and resisting state sponsored terror The second section on long term non violent response to terrorism discusses halting arms trade and militarism stopping arms flow to terrorists defunding the military building sustainable just economies aid to the poor reducing privileged overconsumption peace and conflict education understanding and using the media refugee repatriation and helping indigenous liberation struggles Instructors considering this book for use in a course may request an examination copy here **Quakerism: The Basics** Margery Post

Abbott, Carl Abbott, 2020-12-14 Quakerism The Basics is an accessible and engaging introduction to the history and diverse approaches and ideas associated with the Religious Society of Friends This small religion incorporates a wide geographic spread and varied beliefs that range from evangelical Christians to non theists Topics covered include Quaker values in action The first generations of Quakerism Quakerism in the eighteenth and nineteenth centuries Belief and activism Worship and practice Quakerism around the world The future of Quakerism With helpful features including suggested readings timelines a glossary and a guide to Quakers in fiction this book is an ideal starting point for students and scholars approaching Quakerism for the first time as well as those interested in deepening their understanding **American Book Publishing Record** ,2005 **Quaker Life** ,2004 **Christian Ethics** Laura A. Stivers, Christine E. Gudorf, James B. Martin-Schramm, 2012 Rev ed of Christian ethics Robert L Stivers et al **Desire and Mental Health in Christianity and the Arts** David Torevell, 2023-08-21 This book considers the connection between the world of mental health in the twenty first century and the traditional concept of desire in Christianity and the Arts It draws parallels between the desire for rest from anxiety among mental health sufferers with the longing for peace and happiness in Religion and the Arts The author presents Biblical philosophical and theological insights alongside artistic ones arguing that desire for rest remains at the heart of spiritual living as well as mental health recovery The chapters draw from historical and contemporary voices including Plato Augustine of Hippo Julian of Norwich Gerard Manley Hopkins Simone Weil Samuel Beckett Tennessee Williams Jean Louis Chr tien Eric Varden and others The study demonstrates why longing continues to fascinate and grip individuals creative endeavour and society at large not least in the development of the understanding of mental health It is valuable for scholars and advanced students of Christian theology and those interested in spirituality and the arts in particular *Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur* ,2006 [Swords Into Plowshares](#) Roger Burggraave, Marc Vervenne, 1991 **On Liturgical Theology** Aidan Kavanagh, 1992 A compilation of two lecture series focusing on liturgy Examines liturgy in relation to the world and theology *The Living Church* ,1949 *Fear's Empire: War, Terrorism, and Democracy* Benjamin R. Barber, 2004-10-17 Fear s Empire lays the foundation for a principled opposition based on America s truest and best values Senator Gary Hart The author of Jihad vs McWorld analyzes how American foreign policy has gone wrong and how it could go right In this hard hitting but pragmatic new critique of the Bush administration s foreign policy Benjamin R Barber exposes in detail the folly of an agenda of preventive war placing it in the context of two hundred years of American strategic doctrine including the recent history of deterrence and containment He shows how chosen rogue states have been made to stand in for terrorists too difficult to locate and destroy and how the United States continues to support dictatorship in nations it regards as friends while still believing we can impose democracy on vanquished enemies at the barrel of a gun Barber argues for an America that promotes cooperation multilateralism international law and pooled sovereignty For as law and citizenship alone secure liberty within nations law and citizenship

alone can secure liberty among them freeing them from fear Church, Society, and the Christian Common Good Ephraim Radner, 2017-07-14 Philip Turner's contributions as a leader and thinker in Christian missions and social ethics are here engaged by an array of friends and colleagues Turner's scholarly and clerical career spans a key era of transition in American and world Christianity and his thinking and teaching about the intersection between ecclesial and civil life have encouraged several generations of Christian theologians and ministers The essays in this collection touch on key topics in which Turner has been involved cross cultural missions social relations in terms of family and procreation ecclesiology scriptural interpretation the nature of the public good and the character of a human life before God Turner has been a pioneer within the Anglican world especially in promoting what has been called a generous orthodoxy and these essays by prominent theologians from America and the United Kingdom extend his witness in lively and fruitful ways
