III., cap. 31, which established a House of Assembly and Legislative Council ... With an introductory chapter on the previous history of Canada, and an appendix of documents, &c. By a British Settler [John Fleming]., 1828 *Journals of the House of Commons of the Dominion of Canada* Canada. Parliament. Gagnon, 2015-10-01 The Constitutions that Shaped Us re examines from a comparative and critical standpoint the events key players and texts which taken together help to interpret all Canadian constitutions prior to Confederation The key constitutional documents that are studied in this book are the Royal Proclamation of 1763 the Quebec Act of 1774 the Constitutional Act of 1791 and the 1840 Act of Union Great Canadian historians of the past take turns in providing unforgettable sketches and understandings of the actions of monumental figures such as Governors Murray Carleton and Elgin British politicians from Pitt to Burke Grey and Durham without forgetting the leading political and intellectual colonial figures such as B dard Papineau La Fontaine Mackenzie and Baldwin Gathering together the most renowned and representative works of constitutional scholarship this anthology provides readers with an in depth account of the events that would ultimately lead to the union of British colonies the birth of the Dominion of Canada and the rebirth of political autonomy in a colony known successively as Quebec Lower Canada Canada East and once again Quebec in 1867 Following a general survey of the various constitutions enacted under British rule this collection includes an equal number of commentaries by French and English speaking historians concerning each of the four constitutions to offer the most nuanced view of Canada s origins to date **Canada's Founding Debates** Janet Ajzenstat, Paul Romney, Ian Gentles, William D. Gairdner, 2017-06-21 Canada s Founding Debates is about Confederation about the process that brought together six out of the seven territories of British North America in the years 1864 73 to form a country called Canada It presents excerpts from the debates on Confederation in all of the colonial parliaments from Newfoundland to British Columbia and in the constituent assembly of the Red River Colony The voices of the powerful and those of lesser note mingle in impassioned debate on the pros and cons of creating or joining the new country and in defining its nature In short explanatory essays and provocative annotations the editors sketch the historical context of the debates and draw out the significance of what was said By organizing the debates thematically they bring out the depth of the founders concern for issues that are as vital today as they

were then the meaning of liberty the merits of democracy the best form of self government the tension between collective and individual rights the rule of law the requirements of political leadership and of course the nature of Canadian nationality Canada's Founding Debates offers a fresh and often surprising perspective on Canada's origins history and political character Previously published by Stoddart Publishing 1999 *Official Reports of the Debates of the House of Commons of the Dominion of Canada* Canada.
