

**How to lower your
cholesterol without drugs**

Lower Cholesterol Without Drugs

Roger Mason

Lower Cholesterol Without Drugs:

Lower Your Cholesterol Without Drugs Roger Mason, 2012-07-03 According to the American Heart Association high cholesterol is the leading cause of coronary heart disease which continues to be the number one killer in North America While millions of Americans take prescription medications to lower their cholesterol the fact is these drugs often have very dangerous side effects In his updated edition of *Lower Your Cholesterol Without Drugs* best selling author Roger Mason offers you safe and natural alternatives to effectively lower your cholesterol levels He does so in a no holds barred manner separating the fairy tales from the scientifically valid truths Divided into two parts the book first looks at the causes of high cholesterol citing primarily poor diet and nutrition Part Two details how a balanced vitamin rich diet can naturally and safely lower cholesterol The author explains which foods to avoid and offers important tips on how to read the nutrition labels on food packages In addition the author provides information on natural supplements that can help lower even genetically high cholesterol If you think it s time to achieve a healthy cholesterol level without using risky prescription drugs you have come to the right place Doing so is neither complicated nor expensive it is simply a matter of knowing the simple steps to take In *Lower Your Cholesterol Without Drugs* you will have the solution in hand [High Cholesterol: Natural Cure Without Drugs](#), 2024-04-20 As a clinician working in my clinical practice for the last 35 years I have seen many cases of patients with high cholesterol levels and more importantly high LDL lipoproteins It appears that the number of patients seems to be increasing yearly and most of them have already started taking Statin drugs in order to control their cholesterol levels When I tell them that it is possible to come off these drugs and stabilize their cholesterol and LDL levels naturally while also optimizing their overall health and wellbeing they look at me like I m from another planet I understand why this is the case I really do If these patients who have usually seen a few medical doctors before sitting in front of me have been told that the only answer to their cholesterol problem is to take pills then who am I to disagree with the mainstream This is one of the reasons why I wrote this book in order to give people the information that they need to empower them to take responsibility for their health and become drug free and healthier in the meantime If you KNOW what to do then it s not difficult I have witnessed hundreds of patients stabilizing their blood fats and getting better by making the changes that I am recommending in this book The beauty is that it does not take very long to achieve the desired results if everything I recommend in this book is implemented then you should see permanent results in 90 days I sincerely hope that you become one of the lucky ones who follows through on the recommendations I give and optimizes your health when you get there please write to me and let me know what you achieved Let s begin our health journey by answering some of the basic questions like what is cholesterol Is there bad and good cholesterol What is the normal range Why do we need cholesterol and more [Lower Blood Pressure Without Drugs](#) Roger Mason, 2012-05-21 High blood pressure can cause strokes heart attacks and congestive heart failure but while prescription drugs may relieve this problem they often have dangerous side effects Fortunately there are natural

alternatives This book first examines the major causes of this disorder including poor nutrition and obesity It then details how a healthy diet rich in vegetables beans and whole grains can regulate blood pressure and improve health The author also discusses supplements that can enhance well being **Lower Blood Pressure Without Drugs** ,2020-04-02 Over sixty five million Americans have high blood pressure Although prescription drugs may effectively treat this problem they have potentially dangerous side effects Fortunately natural alternatives are available In this updated edition of Lower Blood Pressure Without Drugs best selling author Roger Mason provides a proven nutritional approach to lowering blood pressure safely and naturally The book begins by explaining what hypertension is what causes it and how it is diagnosed From there it goes on to describe how a simple diet rich in whole grains and low in fat can improve both blood pressure and general health This is followed by chapters that address such key topics as the best nutritional supplements to take which exercises are most effective how to maintain hormonal balance and just as important how to overcome poor dietary and lifestyle habits Lower Blood Pressure Without Drugs can be your first step towards safely and effectively improving your health **The Natural Prostate Cure** Roger Mason,2012-06-06 By the age of fifty three out of four men have enlarged prostates which can lead to serious health problems including prostate cancer The Natural Prostate Cure provides unique and effective alternatives to traditional treatments such as surgery and chemotherapy The author begins with a lesson in nutrition and the best supplements to take for prostate health He then details the causes of and natural treatments for common prostate disorders Finally he discusses natural hormone treatments that can prevent and combat prostate disease

Direct-to-consumer Advertising United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Oversight and Investigations,2008 **Diabetes without Drugs** Suzy Cohen,2010-11-09 Based on breakthrough studies Cohen s program reveals how people with diabetes can reduce their need for prescription medication and minimize the disease s effect on the body Most doctors consider diabetes a one way street once you have it your only option is to manage the symptoms with a restricted diet close monitoring of blood sugar and expensive medications Pharmacist Suzy Cohen shows that diabetes can be treated instead through safe natural means like food and vitamins rather than strictly relying on prescription drugs She shifts the focus away from glucose management to a whole body approach using supplements minerals and dietary changes to lose weight repair cell damage improve insulin function and reduce the side effects from prescription drugs many of which rob nutrients from the body and cause additional symptoms This 5 step program uses natural alternatives such as drinking nutrition packed green drinks adding vitamin D and anti inflammatory supplements increasing fiber intake and including minerals in the diet to help restore the body s own supply of insulin Diabetes without Drugs explains how patients can protect their heart kidneys eyesight and limbs from the damage often caused by diabetes and shows the impact that the right foods and the right supplements can make in reducing blood sugar levels aiding weight loss and restoring vibrant health to everyone with diabetes *Good Health Naturally Without Drugs* Norman Jollyman,2002

The book outlines some of the theories about the ageing process a natural process but one which can slowed down but it is main objects is to suggest ways of keeping healthy and keeping disease at the bay **Prevent High Blood Pressure and Dementia Without Medication** Ken Casey,2023-02-07 This book shows how to prevent high blood pressure diabetes osteoporosis arthritis and dementia without medication The book shows how to lower blood pressure by the use of potassium and garlic supplements The book then demonstrates how to reduce diabetes using the 8 hour maintenance diet which effectively reduces insulin resistance by unclogging fat from the cell s receptors The book next shows how to reduce osteoporosis by reducing blood acidity using alkaline supplements as a buffer The book then points out the benefits of exercise in preventing arthritis by removing waste products from the joints The book lastly points out the benefits of NAD and PQQ in preventing dementia and Alzheimer s disease by improving the health and number of brain cell mitochondria
