## **Loyal And The Disloyal:**

J. Hofmeyr,Rice, Bernard J. Rice, Butch Rice, Hofmeyr,2003-01-01 Keeping and gaining market share is what most businesses strive for in the race to make brands profitable In a hugely competitive world customer loyalty has become a key area for concern What would happen if you could go one step further and identify not just those customers who are loyal to your brand but those who are truly committed to your product or service This book helps you to do just that Over ten years ago Jannie Hofmeyr and Butch Rice created something called The Conversion Model a technique that analyses the degree of a person's psychological commitment to anything and everything Marketers will be able to gain a strategic advantage within their market if they implement the thinking tools and strategies outlined through the use of The Conversion Model in this book   **The Loyal and the Disloyal** ,1956   **Loyalty and Disloyalty** David Knowles,2013 The theme of this book is simple 250 000 years ago the Group and Loyalty to it was our whole world was everything because without it you would starve to death or be killed by predators Loyalty to the Group was everything and Disloyalty was a crime the only crime Here the author proposes that same Disloyalty projected forward into the enormous groups called countries we live in today must still be the basis of mosts if not all crimes Therefore Loyalty and Disloyalty must also lie at the core of human morality

**Employee Loyalty** Stephan Meschke,2021-02-18 This book aims to provide a deeper understanding of the concept and negative outcomes of employee loyalty considering employees in organizations and OB theory and comparing employee experiences across both European and East Asian cultures Through an international analysis of employee loyalty within the service industry the author highlights the importance of this highly relevant but often overlooked topic to addressing practical issues such as conflict solution employee retention service mentality and work effort Building on a clear definition and evaluation of the concept of employee loyalty this book explores meaningful theoretical and practical implications of employee views of the organization working group and supervisor   **Loyalty to Loyalty:Josiah Royce and the Genuine Moral Life** Mathew A. Foust,2012-07-02 This work engages Royce's moral theory revealing how loyalty rather than being just one virtue among others is central to living a genuinely moral and meaningful life Foust shows how the theory of loyalty Royce advances can be brought to bear on issues such as the partiality impartiality debate in ethical theory   **Loyalty** Bob Sorge,2004 This book sounds a bold call for loyalty to God and to God's Davids God's Davids are leaders male and female who are safest to follow because of their unwavering passion to be intimate with Christ God is turning the hearts of fathers to the children and giving the children a heart of loyalty to the fathers Knowing the power of loyalty to produce Kingdom blessing at every level Satan has done everything in his power to give this subject a bad reputation But today's generation isn't buying it anymore Now more than ever the bride of Christ is giving her heart with intense loyalty to her Beloved and preparing eagerly for His return Get ready this book could rock your world   **The Marble Worker** ,1909   **The Fra** Elbert Hubbard,Felix Shay,1908   **Engineering and Mining Journal** ,1914   **Congressional Record** United States.

Congress, 1907 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873      **The New Statesman**, 1918      **The Extinction in Perpetuity of Armaments and War** Albert William Alderson, 1908      Congressional Record USA. **Games Prisoners Play** Marek M. Kaminski, 2018-06-05 On March 11 1985 a van was pulled over in Warsaw for a routine traffic check that turned out to be anything but routine Inside was Marek Kaminski a Warsaw University student who also ran an underground press for Solidarity The police discovered illegal books in the vehicle and in a matter of hours five secret police escorted Kaminski to jail A sociology and mathematics major one day Kaminski was the next a political prisoner trying to adjust to a bizarre and dangerous new world This remarkable book represents his attempts to understand that world As a coping strategy until he won his freedom half a year later by faking serious illness Kaminski took clandestine notes on prison subculture Much later he discovered the key to unlocking that culture game theory Prison first appeared an irrational world of unpredictable violence and arbitrary codes of conduct But as Kaminski shows in riveting detail prisoners to survive and prosper have to master strategic decision making A clever move can shorten a sentence a bad decision can lead to rape beating or social isolation Much of the confusion in interpreting prison behavior he argues arises from a failure to understand that inmates are driven not by pathological emotion but by predictable and rational calculations Kaminski presents unsparing accounts of initiation rituals secret codes caste structures prison sex self injuries and of the humor that makes this brutal world more bearable This is a work of unusual power originality and eloquence with implications for understanding human behavior far beyond the walls of one Polish prison      *The Living Age*, 1918      Labor, Loyalty, and Rebellion Carl R. Weinberg, 2005-04-28 On April 5 1918 as American troops fought German forces on the Western Front German American coal miner Robert Prager was hanged from a tree outside Collinsville Illinois having been accused of disloyal utterances about the United States and chased out of town by a mob In Labor Loyalty and Rebellion Southwestern Illinois Coal Miners and World War I Carl R Weinberg offers a new perspective on the Prager lynching and confronts the widely accepted belief among labor historians that workers benefited from demonstrating loyalty to the nation The first published study of wartime strikes in southwestern Illinois is a powerful look at a group of people whose labor was essential to the war economy but whose instincts for class solidarity spawned a rebellion against mine owners both during and after the war At the same time their patriotism wreaked violent working class disunity that crested in the brutal murder of an immigrant worker Weinberg argues that the heightened patriotism of the Prager lynching masked deep class tensions within the mining communities of southwestern Illinois that exploded after the Great War ended      The Ohio Teacher, 1918      Congressional Record, 1889
