Lt Living On The Edge:

LT Lawrence E Taylor, J.D., 1987-09-01 Lawrence Taylor's own account of his life in football with the Super Bowl champion New York Giants. Also in this book Taylor details his substance abuse and recovery after the 1985 season. Two 8 page black and white photograph inserts. **LT** Lawrence Taylor, David Falkner, 1987 The NFL's most valuable player of 1986 offers a descriptive account of his life on and off the field including a candid discussion of his battle with drugs in 1985 and his subsequent victory over them. *Sporting Lives* James W. Pipkin, 2008 Examines autobiographies by athletes such as Wilt Chamberlain, Babe Ruth, Martina Navratilova and Dennis Rodman and analyzes common themes and recurring patterns in the accounts of their lives and sporting experiences. Provided by publisher. **Football's New York Giants** Lawrence A. Pervin, 2009-06-08 The New York Giants returned to prominence with a Super Bowl victory in 2008 but the franchise has a long and proud history. This book focuses on six different eras of the team from its 1925 inaugural season through the glory years of the 1950s with stars Frank Gifford and Sam Huff to its victory over the New England Patriots in Super Bowl XLII, one of the greatest upsets in football history. Players, coaches, general managers and critical games are highlighted along with the Mara family which has guided the franchise since its inception. The growth of the team's popularity mirrors the rise of the NFL as America's most popular spectator sport. *The Crooner* M.L. Lindberg, 2008-10-03 There is no available information at this time. **The Business of Sports Agents** Kenneth L. Shropshire, Timothy Davis, 2013-04-22 The legendary Charles C. Cash and Carry Pyle considered by most to be the first sports agent negotiated a \$3,000 per game contract for Red Grange to play professional football for the Chicago Bears in 1933. Today salaries in the tens of millions of dollars are commonplace and instead of theatrical promoters and impresarios, professionally trained businessmen and lawyers dominate the business. But whereas rules and penalties govern the playing field, there are far fewer restrictions on agents. Incidents of agents manipulating athletes ranging from investment scams to outright theft of a player's money are far too frequent and there is growing consensus for reform. In *The Business of Sports Agents* Kenneth L. Shropshire and Timothy Davis, experts in the fields of sports business and law, examine the history of the sports agent business and the rules and laws developed to regulate the profession. They also consider recommendations for reform including uniform laws that would apply to all agents, redefining amateurism in college sports and stiffening requirements for licensing agents. This revised and expanded second edition brings the volume up to date on recent changes in the industry including the closing of one of the largest agencies, high profile personnel moves, passage of the federal Sports Agent Responsibility and Trust Act, the National Football League's aggressive and high profile efforts to regulate agents. **Big Blue Wrecking Crew** Jerry Barca, 2016-08-23 *Big Blue Wrecking Crew* presents the first in-depth examination of the team that rebuilt the New York Giants franchise, a revealing look at football in the 1980s and how a larger-than-life cast of characters made something from nothing. A marauding linebacker who changed the game of football, a tough-as-nails quarterback and a fiery head coach helped the 1986 New York

Giants leave an indelible mark on the NFL Big Blue Wrecking Crew is the no holds barred story of the team that created Giant Football the pound you into submission quarterback crushing defense coupled with a powerful ball control offense that resulted in a 1986 Super Bowl Championship the first in team history In a gripping narrative of the season that changed the course of a franchise author Jerry Barca takes readers on a wild journey filled with improbable characters Linebacker Lawrence Taylor partied with the same level of recklessness and violence he put forth when he donned his jersey Bill Parcells motivated his team in an unrelenting Jersey Guy way and quiet defensive genius Bill Belichick would go on to greatness Based on years of research and hundreds of interviews Barca chronicles the Giants rise out of rock bottom to their status as a premiere NFL franchise From behind the scenes personnel discussions of general manager George Young to the meeting rooms with Parcells and defensive coordinator Bill Belichick Big Blue Wrecking Crew is filled with the riveting exploits of unforgettable players It is an unfiltered look at how enormous egos came together to win a championship playing hard and partying equally as hard along the way Ebony ,1987-12 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine

Focus On: 100 Most Popular African-American Players of American Football Wikipedia contributors, Bigger Than the Game Michael Weinreb,2010-08-05 A mesmerizing look at the year when American athletics went corporate villains replaced heroes and sports stars became superstars Greed and excess defined the 1980s and the sports world was no exception Shifting from the love of the game to the love of money athletes made the transition from representing honor and humility to becoming brash and branded Capturing the stories of headliners who capitalized on this trend Bigger Than the Game charts the rise and sometimes spectacular fall of four athletes over the span of one of the most dramatic eras in sports Meticulously researched with stirring you are there reporting Bigger Than the Game assembles a cast that includes Jim McMahon who took the Chicago Bears to Super Bowl glory despite his penchant for partying and his aversion to following the game plan Brian Bosworth the university of Oklahoma linebacker who mugged for the cameras while calling the NCAA a communist organization Bo Jackson who pursued promising careers in both pro football and baseball and Len Bias poised to ensure the Boston Celtics dominance but died of a cocaine overdose just one day after the draft Also packed with portraits of folk heroes such as Refrigerator Perry and Michael Jordan Bigger Than the Game offers a riveting ride for every sports fan

Teitelbaum, 2008-06-01 On the court and on the field they are the world's winners exhibiting a natural grace and prowess their adoring fans can only dream about Yet so often off the field our sports heroes lose their perspective their balance and ultimately their place In a work as timely as the latest fracas on the basketball court or the most recent drug induced scandal in the dugout Stanley H Teitelbaum looks into the circumstances behind many star athletes' precipitous fall from grace In his psychotherapy practice Teitelbaum has worked extensively with professional athletes and sports agents work he draws on here for insight into the psyche of sports figures and the off the field challenges they face Considering both historical and current cases he shows how in many instances the very factors that elevate athletes to superstardom contribute to their downfall An evenhanded and honest look at athletes who have faltered Teitelbaum's work helps us see past our sports stars' exalted images into what those images and their frailty say about our society and ourselves
