The Lucifer Directive Jon Land,1984 **Strong Justice** Jon Land,2025-08-22 Fifth generation Texas Ranger Caitlin Strong is back pursuing justice the Ranger way She takes on the case of a Mexican girl on the run from white slavers For Caitlin the case evokes memories of her legendary grandfather s run with the Rangers even as it brings her face to face with a serial killer who s left a trail of bodies along the Mexico border Pursuing the killer brings Caitlin to a sleepy Texas town suddenly riddled by violence and to the site of a major water find The connection between these two disparate places lies buried beneath the plains of West Texas a deadly weapon with the potential to give a new enemy the means to terrorize the United States Her grandfather s past collides violently with Caitlin s present as she fights to save her world in the same border town where he fought to save his Caitlin will learn just as he did that only strong justice can save the day But this time outmanned and outgunned even that may not be enough to keep Caitlin Strong and the country itself alive At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **The Pillars of Solomon** Jon Land,2000-04 The pillars of Solomon Jon Land **Hope Mountain** Jon Land,1998-11-15 Jamie accepts a job at the White Mountain Adaptive Ski School hoping for a second chance at life *Dark Light* Jon Land,Fabrizio Boccardi,2017 Drawn into a plot to unleash a deadly epidemic across the globe Navy SEAL Max Younger reunites with his ex girlfriend an infectious disease expert to stop the threat and save the world *Mastema* Julian LeSouffrir,2014-06-11 Mastema Last of the Satanims is the prequel to Historia Regum Obscurum Book I and recounts the events that would forever shape the world From the Early patriarchs the earliest kings of Sumer to the fall of the Watchers and the War of the Nephilim this book will illustrate the events leading to the Great Flood that was necessary to purge the world of the evil that had gripped it Julian LeSouffrir brings life to the things that have been passed off as mere myth lore and legend **Lucifer's Hope the Guv** James L. Clark,2002 Unlike humans Lucifer is ineligible for redemption and therefore doomed to eternal hell Playing on God s sense of fairness Lucifer appeals to the Archangel Michael for a chance to redeem himself by turning a person he corrupted into a paragon of virtue Against his own wishes Michael makes the deal However since moral perfection is impossible for anyone he decrees that Lucifer must attain redemption by seeing that his subject does not break nine of the Ten Commandments politically The agreement is struck and the target of Lucifer s effort will be the corrupt wealthy governor of Kentucky who is gearing up for reelection and is hopelessly paranoid about his opponents Besides engaging in the usual local corruption the Guv worms his way into a deal to bring riverboat gambling to the state Lucifer dispatches an imp disguised as a political consultant to infiltrate the campaign and influence the governor toward political righteousness The imp and the governor s spokeswoman share a romantic attraction which is also resolved in this rollicking metaphysical muckraking of Kentucky politics **Lucifer's Banker Uncensored** Bradley C. Birkenfeld,2020-09-30 A page turning real life thriller Lucifer s Banker Uncensored is a fascinating behind the scenes look at the secret Swiss high net worth banking

industry and a harrowing account of our government's justice system Updated and Uncensored As a private banker working for the largest bank in the world UBS Bradley Birkenfeld was an expert in Switzerland's shell game of offshore companies and secret numbered accounts He wined and dined ultrawealthy clients whose millions of dollars were hidden away from business partners spouses and tax authorities As his client list grew Birkenfeld lived a life of money fast cars and beautiful women but when he discovered that UBS was planning to betray him he blew the whistle to the US Government The Department of Justice scorned Birkenfeld's unprecedented whistle blowing and attempted to silence him with a conspiracy charge Yet Birkenfeld would not be intimidated He took his secrets to the US Senate the Securities and Exchange Commission and the Internal Revenue Service where he prevailed His bombshell revelations helped the US Treasury recover over 15 billion and counting in back taxes fines and penalties from American tax cheats But Birkenfeld was shocked to discover that at the same time he was cooperating with the US Government the Department of Justice was still doggedly pursuing him He was arrested and served thirty months in federal prison When he emerged the Internal Revenue Service gave him a whistle blower award for 104 million the largest such reward in history A page turning real life thriller Lucifer's Banker Uncensored is a fascinating behind the scenes look at the secret Swiss high net worth banking industry and a harrowing account of our government's justice system Readers will follow Birkenfeld and share his outrage with the incompetence and possible corruption at the Department of Justice and they will cheer him on as he hammers one of the most well known and powerful banks in the world

Rails Under My Back Jeffery Renard Allen, 2015-10-20 Will put Allen in the company of writers such as James Joyce August Wilson and Ralph Ellison The Philadelphia Inquirer When it was first published fifteen years ago Jeffery Renard Allen's debut novel Rails Under My Back earned its author comparisons to some of the giants of twentieth century modernism The publication of Allen's equally ambitious second novel Song of the Shank cemented those lofty claims Now the book that established his reputation is being restored to print in its first Graywolf Press edition Together the two novels stand as significant achievements of twenty first century literature Rails Under My Back is an epic that tracks the interwoven lives of two brothers Lucius and John Jones who are married to two sisters Gracie and Sheila McShan For them their parents and their children life is always full of departures someone is always fleeing town and leaving the remaining family to suffer the often dramatic sometimes tragic consequences The multiple effects of the comings and goings are devastating These are the almost mythic expression of the African American experience in the half century that followed the Second World War The story ranges as the characters do from the city which is somewhat like both New York and Chicago to Memphis to the West and to many inner and outer locales Rails Under My Back is a multifaceted brilliantly colored intensely musical novel that pulses with urgency and originality
