Susy, a story of the plains](#) Bret Harte, 1899 *The Luck of Roaring Camp* Bret Harte, 2015-07-16 Excerpt from *The Luck of Roaring Camp Susy a Story of the Plains* A Series of designs suggested I think by Hogarth s familiar cartoons of the Industrious and Idle Apprentices I remember as among the earliest efforts at moral teaching in California They represented the respective careers of The Honest and Dissolute Miners the one as I recall him

retrograding through successive planes of dirt drunkenness disease and death the other advancing by corresponding stages to affluence and a white shirt Whatever may have been the artistic defects of these drawings the moral at least was obvious and distinct That it failed however as it did to produce the desired reform in mining morality may have been owing to the fact that the average miner refused to recognize himself in either of these positive characters and that even he who might have sat for the model of the Dissolute Miner was perhaps dimly conscious of some limitations and circumstances which partly relieved him from responsibility Yer see remarked such a critic to the writer in the untranslatable poetry of his class it ain t no square game They ve just put up the keerds on that chap from the start About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

acts and court cases particularly those about segregation and interracial marriage The Melville Revival critics discussion of a mythic and yet realistic diabolical Asian the role of a Chinese housekeeper in preserving the pioneer family in Steinbeck s East of Eden and the extent to which the history of the Mississippi Chinese sheds light on Faulkner s stagnant societies all work to subsume a troubling presence Detailing the archaeology and genealogy of Asian American Studies Invisible Subjects offers an original important and vital contribution to both our understanding of American literary history and the general study of race and ethnicity in American cultural history     Nineteenth-century Literature ,1996 Contains articles which focus on a broad spectrum of significant figures in fiction philosophy and criticism such as Austen Carlyle Dickens Thackeray the Brontes Tennyson Browning Arnold Emerson Hawthorne Thoreau Whitman Twain and Henry James     *Classified Catalogue of the Carnegie Library of Pittsburgh. 1907-1911* Carnegie Library of Pittsburgh,1914     Classified Catalogue of the Carnegie Library of Pittsburgh Carnegie Library of Pittsburgh,1914
