Lucky Texan:

The Lucky Texan & The Desert Trail, 2000 **Movie Westerns** John Howard Reid, 2005-12 No less than 150 classic western movies are surveyed ranging from super productions like *The Big Country* *Destry Rides Again* *The Mark of Zorro* *Red River* *The Searchers* *The Spoilers* and *Unconquered* to the output of such popular B western film stars as Gene Autry Roy Rogers Randolph Scott William Boyd Johnny Mack Brown Tim Holt and Wayne Morris Plus a big tip of the sombrero to Charles Starrett and John Wayne **Duke** Ronald L. Davis, 2012-09-06 Almost two decades after his death John Wayne is still America's favorite movie star More than an actor Wayne is a cultural icon whose stature seems to grow with the passage of time In this illuminating biography Ronald L Davis focuses on Wayne's human side portraying a complex personality defined by frailty and insecurity as well as by courage and strength Davis traces Wayne's story from its beginnings in Winterset Iowa to his death in 1979 This is not a story of instant fame only after a decade in budget westerns did Wayne receive serious consideration for his performance in John Ford's 1939 film *Stagecoach* From that point on his skills and popularity grew as he appeared in such classics as *Fort Apache* *Red River* *She Wore a Yellow Ribbon* *The Quiet Man* *The Searchers* *The Man who Shot Liberty Valance* and *True Grit* A man's ideal more than a woman's Wayne earned his popularity without becoming either a great actor or a sex symbol In all his films whatever the character John Wayne portrayed John Wayne a persona he created for himself the tough gritty loner whose mission was to uphold the frontier's and the nation's traditional values To depict the different facets of Wayne's life and career Davis draws on a range of primary and secondary sources most notably exclusive interviews with the people who knew Wayne well including the actor's costar Maureen O Hara and his widow Pilar Wayne The result is a well balanced highly engaging portrait of a man whose private identity was eventually overshadowed by his screen persona until he came to represent America itself *The Lucky Texan & Man From Utah* Robert Bradbury, **Becoming John Wayne** Larry Powell, Jonathan H. Amsbary, 2018-03-01 Exploring the early westerns of John Wayne from his first starring role in *The Big Trail* 1930 to his breakthrough as the Ringo Kid in John Ford's *Stagecoach* 1939 the authors trace his transformation from Marion Mitchell Morrison movie studio prop man into John Wayne a carefully crafted film persona of his own invention that made him world famous Wayne's years of training went well beyond honing his acting skill as he developed the ability to do his own stunts perfected his technique as a gun handler and became an expert horseman The Embattled Road J.M. Madden, 2015-02-19 This is a 20 000 word story prequel to the *Lost and Found* Series It contains strong language violence and adult situations Not for readers under 18 In the harrowing prequel to *The Lost and Found* series three embattled Marines must deal with their devastating physical and emotional injuries in a world that seems to have turned against them When the rescue helicopter crashes into his convoy in Iraq Marine First Sergeant Duncan Wilde struggles with the loss of men his career and the use of his body Things can't get much worse Until his fiancée decides she has to move on with her life and that of her unborn child by another man Sergeant Chad Lowell

knew when he went to war that it would come with a price And it did A young Marine under his command is killed by a landmine Chad s left with one less leg and a mountain of recriminations That doesn t mean he wants to be pitied by every female he comes in contact with Gunnery Sergeant John Palmer is furious at the hand he s been dealt He s served his country faithfully if not without antagonism for many years Now they re turning him out like a relative who has overstayed his welcome And since he s not even a real man anymore maybe it is time to move on permanently Can these wounded warriors use a friendship borne out of adversity to form a partnership rescuing others And can they find real love in spite of their challenges

Count and Mass Across Languages Diane Massam, 2012-09-13 This volume explores the expression of the concepts count and mass in human language and probes the complex relation between seemingly incontrovertible aspects of meaning and their varied grammatical realizations across languages In English count nouns are those that can be counted and pluralized two cats whereas mass nouns cannot be at least not without a change in meaning two rices The chapters in this volume explore the question of the cognitive and linguistic universality and variability of the concepts count and mass from philosophical semantic and morpho syntactic points of view touching also on issues in acquisition and processing The volume

also significantly contributes to our cross linguistic knowledge as it includes chapters with a focus on Blackfoot Cantonese Dagaare English Halkomelem Lithuanian Malagasy Mandarin Ojibwe and Persian as well as discussion of several other languages including Armenian Hungarian and Korean The overall consensus of this volume is that while the general concepts of count and mass are available to all humans forms of grammaticalization involving number classifiers and determiners play a key role in their linguistic treatment and indeed in whether these concepts are grammatically expressed at all This variation may be reflect the fact that count mass is just one possible realization of a deeper and broader concept itself related to the categories of nominal and verbal aspect

The Invention of the Western Film Scott Simmon,2003-06-30 Table of contents **John Wayne** Michael Munn,2005-03-01 A rare behind the scenes look at John Wayne the legend hero and Hollywood icon of numerous epic Western films including an Academy Award winning performance in True Grit No legend ever walked taller than The Duke Now author Michael Munn s startling new biography of John Wayne sets the record straight on why Wayne didn t serve in World War II on director John Ford s contribution to Wayne s career and the mega star s highs and lows three failed marriages and two desperate battles with cancer Munn also discloses publicly for the first time Soviet dictator Josef Stalin s plot to assassinate Wayne because of his outspoken potentially influential anti Communist views Drawing on time spent with Wayne on the set of Brannigan and almost 100 interviews with those who knew him Munn s rare behind the scenes look proves this absolute all time movie star was as much a hero in real life as he ever was on screen

Love in Western Film and Television S. Matheson,2012-12-28 This collection of ground breaking articles examines problems romance presents in the American Western Looking a range of films this book offers readers important and challenging insights into the complicated nature of love and the versatile frontier narrative that address key social political and ethical components of the Western genre

Gunfight at the Eco-Corral Robin L. Murray,Joseph K. Heumann,2012-10-01 Most film critics point to classic conflicts good versus evil right versus wrong civilization versus savagery as defining themes of the American Western In this provocative examination of Westerns from Tumbleweeds 1925 to Rango 2011 Robin L Murray and Joseph K Heumann argue for a more expansive view that moves beyond traditional conflicts to encompass environmental themes and struggles The environment after all is the fundamental stage for most western stories from land rush dramas that pit sod busters against ranchers to conflicts between mining town communities and corporations Because environmental issues lie at the forefront of so many conflicts today Murray and Heumann believe that the Western is ripe for such new examination Drawing on perspectives from both film studies and environmental history the authors show how western films frequently deal with issues related to land use and different ways of looking at the natural world In films as diverse as Gene Autry musicals early John Wayne B Westerns and revisionist critiques such as the 2010 remake of True Grit resources are exploited in the name of progress Beginning with an analysis of two iconic Westerns Shane and The Searchers Murray and Heumann identify the environmental dichotomies previously overlooked by critics that

are broached in both films and they clarify the history that lies behind the environmental debates in these films and many others How do Westerns respond to the historical contexts they present And what do those responses suggest about American views of nature and its exploitation The conflicts these movies address grow out of differing views of progress frequently in relation to technology The authors show that such binary oppositions tend to blur when examined closely demonstrating that environmental issues are often more complex than we realize

John Wayne Richard D. McGhee, 2016-09-30 After the death of Marion Morrison known as John Wayne in 1979 President Jimmy Carter said that Wayne was bigger than life In an age of few heroes he was the genuine article But he was more than a hero he was a symbol of many of the qualities that made America great The first section of this study concentrates on Wayne s style of work and sphere of action as an actor The man who works for a living and is concerned with his audience and the constraints of his immediate environment The second section examines the artist the man who lives in his art who disappears into his character as an archetype of human fears and desires Analyses of films that have made Wayne a hero are presented in the third section A comprehensive filmography and numerous photographs are included
