Gazette of the Union, Golden Rule and Odd-fellows' Family Companion, 1848 [The Gazette of the Union, Golden Rule, and Odd Fellows' Family Companion](#), 1848 **A Gecko for Luck** Horst H. Geerken, 2015-05-05. The large house gecko called tokek is regarded as a lucky talisman by the Indonesians. When its Toke resounds in the night they count how many times it calls both in town and in the country and this number determines how lucky the call is. Only an odd number is lucky; seven is already quite good but nine promises the peak of success and good fortune. The author has spent 18 years in Indonesia and helped the young independent country in its development and construction on the sectors of telecommunications, electrotechnical and solar power engineering. Amusing and interesting events from his private and professional life during those years make this book historically interesting and also humorous reading for anyone who is interested in getting to know Indonesia off the beaten tourist track. The author and his family had tokeks in both their house in Jakarta and their weekend home in Carita. He often has heard nine successive calls and the prophecy was fulfilled: Indonesia has brought the author luck and happiness. *Herd Register* American Jersey Cattle Club, 1924

Winning at the Card Game of Life Bob McGlenn, 2009-06-10. Do you want to be successful? Of course you say everyone wants to be successful yet how many people know what it takes or how to develop what it takes or even know what it looks like? Is success fame or wealth or is it something else? Not everyone can be famous or rich yet everyone can be successful. Success is within the grasp of anyone who learns how to turn the cards they were dealt into a winning hand. *Winning at the Card Game of Life* not only identifies the behaviors and approach involved in someone being successful but also how you can develop those same skills yourself. Through the example of everyday people who achieved success you can see how you too can win at the card game of life. Everyone wants to succeed and everyone can. *Winning at the Card Game of Life* shows how success does not depend upon the cards you were dealt but rather how you play them. Success starts with learning how commitment, attitude, resources, decision making and scheme CARDS make up the foundation of all successful people. A journey through the lives of twenty-three seemingly common yet also dedicated, inspirational and successful people confirms the book's premise that there are many roads to success. To help the reader with their own journey to success there are exercises included in the book for self-exploration and skill development.
