Leaders of the Pack Julie Kumble,Donald F. Smith,2017-03-15 Veterinary medicine has undergone sweeping changes in the last few decades Women now account for 55 percent of the active veterinarians in the field and nearly 80 percent of veterinary students are women However average salaries have dropped as this shift has occurred and even with women in the vast majority only 25 percent of leadership roles are held by women These trends point to gender based inequality that veterinary medicine a profession that tilts so heavily toward women is struggling to address How will the profession respond What will this mean for our students and schools What will it mean for our pets entrusted to veterinarian care Who has succeeded in these situations Who is taking action to lead change What can we learn from them to lead the pack in our lives *Leaders of the Pack* by Julie Kumble and Dr Donald Smith explores key themes in leadership and highlights women in veterinary medicine whose stories embody those themes In it Kumble and Smith cull over three years of interviews to profile a wide variety of women as they share triumphs and challenges lucky as well as tough breaks and the sound advice and words that inspired them to take their careers in unanticipated directions By sharing unique stories that illuminate different paths to leadership and reflecting on best practices through commentary and research *Leaders of the Pack* will allow more female leaders to create wider pathways to the top of their profession Relationship-Rich Education Peter Felten,Leo M. Lambert,2020-11-03 A mentor advisor or even a friend Making connections in college makes all the difference What single factor makes for an excellent college education As it turns out it s pretty simple human relationships Decades of research demonstrate the transformative potential and the lasting legacies of a relationship rich college experience Critics suggest that to build connections with peers faculty staff and other mentors is expensive and only an option at elite institutions where instructors have the luxury of time with students But in this revelatory book brimming with the voices of students faculty and staff from across the country Peter Felten and Leo M Lambert argue that relationship rich environments can and should exist for all students at all types of institutions In *Relationship Rich Education* Felten and Lambert demonstrate that for relationships to be central in undergraduate education colleges and universities do not require immense resources privileged students or specially qualified faculty and staff All students learn best in an environment characterized by high expectation

and high support and all faculty and staff can learn to teach and work in ways that enable relationship based education Emphasizing the centrality of the classroom experience to fostering quality relationships Felten and Lambert focus on students influence in shaping the learning environment for their peers as well as the key difference a single well timed conversation can make in a student s life They also stress that relationship rich education is particularly important for first generation college students who bring significant capacities to college but often face long standing inequities and barriers to attaining their educational aspirations Drawing on nearly 400 interviews with students faculty and staff at 29 higher education institutions across the country Relationship Rich Education provides readers with practical advice on how they can develop and sustain powerful relationship based learning in their own contexts Ultimately the book is an invitation and a challenge for faculty administrators and student life staff to move relationships from the periphery to the center of undergraduate education

What We Now Know about Jewish Education Roberta Louis Goodman,Paul A. Flexner,Linda Dale Bloomberg,2008 When *What We Know about Jewish Education* was first published in 1992 Stuart Kelman recognized that knowledge and understanding would greatly enhance the ability of professionals and lay leaders to address the many challenges facing Jewish education With increased innovation the entry of new funders and the connection between Jewish education and the quality of Jewish life research and evaluation have become over the last two decades an integral part of decision making planning programming and funding

The Manager as Mentor Michael Marquardt,Peter Loan,2005-11-30 One of the most valuable roles a manager can perform in today s rapidly changing environment is to mentor and inspire the people around them to learn By nurturing talent motivating individual development and encouraging excellence a manager s mentoring can enhance individual performance and the organization s prospects for success Mentoring is not an easy skill to develop and many managers who may excel at leading or coaching may be disasters as mentors when it comes to creating a bond and bringing out untapped qualities in others *The Manager as Mentor* goes beyond traditional approaches to explore the newest techniques in mentoring and collaboration Featuring personal development tools worksheets and references *The Manager as Mentor* will enable managers to bring out the best in themselves the people they guide and their organizations Mentoring is an age old practice tracing its roots in ancient Greek folklore to Odysseus friend Mentor whom the Homeric hero entrusted as guide to his son s development Today with the ascendance of the knowledge age and the transformation of the workplace into an environment of continual learning mentoring has emerged as one of the most important and valuable roles a manager can perform By serving as a role model providing feedback nurturing talent inspiring individual development and facilitating excellence a manager s mentoring strengthens relationships within the organization and ultimately contributes to such critical factors as improved job performance low turnover and greater profitability Mentoring is not an easy skill to attain however and many managers who may excel at leading teams or coordinating projects may be disasters as mentors *The Manager as Mentor* explores emerging trends and approaches to help

managers master the skills of effective mentoring and enhance themselves their proteges and their organizations in the process Drawing from extensive research dozens of examples and their own practical application in training managers around the world the authors argue that exceptional mentoring skills can be developed They guide the reader toward understanding the key roles that mentors play and the activities and techniques they can employ for maximum impact Diagnostic exercises will help readers assess their strengths weaknesses and opportunities for development and create a step by step action plan for achieving goals either individually or in groups The authors also offer an extensive listing of resources for more in depth information on various aspects of mentoring such as problem solving active listening and employee advocacy Ultimately The Manager as Mentor offers the tools by which managers can promote learning empowerment and insight to create vibrant organizational cultures *Business* □□□□□□□□,2003 **Evaluating the Effectiveness of**
