**Nashik Kumbh Mela** Govind Swarup, 2003 Once every twelve years the planets align in a configuration eagerly awaited by millions of Hindu devotees. It is time for the Nashik Kumbh Mela, a gathering of sadhus, pilgrims and tourists who congregate for a dip in the Godavari, one of India's holy rivers. The very act of setting out for the Kumbh, the journey, the austere often difficult stay all culminate in this holy dip which the faithful believe will wash away their sins. Nashik Kumbh Mela: A Spiritual Sojourn draws us into the very heart of this ancient festival with insights into its origin and significance and into the world of the reclusive sadhus. **Religious Celebrations** Bloomsbury Publishing, 2011-09-13 This two-volume work presents a comprehensive survey of all the ways people celebrate religious life around the globe. Religious Celebrations is an alphabetically organized encyclopedia that covers more than 800 celebratory occasions from all of the world's major religious communities as well as many of the minor faith traditions. The encyclopedia provides a complete reference tool for examining the myriad ways people worldwide celebrate their religious lives across religious boundaries, providing information on numerous celebratory activities never before covered in a reference work. Offering the most comprehensive coverage of religious holidays ever assembled, this two-volume book covers festivals, commemorations, holidays and annual religious gatherings all over the world, with special attention paid to the celebrations in larger countries. Entries written by distinguished researchers and specialists on different religious communities capture the unique intensity of each event, be it fasting or feasting, frenzied activity or the universal cessation of work, a huge gathering of the faithful en masse or a small family-centered event. The work spotlights celebrations that currently exist without overlooking now abandoned celebrations that still impact the modern world.

Gordon Melton, the Distinguished Professor of American Religious History at the Institute for Studies of Religion, Baylor University, takes readers on a tour among angels, Marian apparitions and religious figures such as Jesus, the Buddha, Muhammad and Tao Tzu. Melton reports on dreams, feng shui, statues that bleed, snake handling, speaking in tongues, stigmata, relics including the Spear of Longinus and the Shroud of Turin, and sacred locales such as Easter Island, the Glastonbury Tor, the Great Pyramids, Mecca, Sedona and much more. Each entry includes a description of a particular phenomenon and the religious claims being made about it, as well as a discussion of what scientists say about it.
