Reading Country Music Cecelia Tichi,1998 With its steel guitars Opry stars and honky tonk bars country music is an American original Bringing together a wide range of scholars and critics from literature communications history sociology art and music this anthology looks at everything from the inner workings of the country music industry to the iconography of certain stars to the development of distinctive styles within the country music genre 72 photos Cold War Country Joseph M. Thompson,2024-03-22 Country music maintains a special decades long relationship to American military life but these ties didn t just happen This readable history reveals how country music s Nashville based business leaders on Music Row created partnerships with the Pentagon to sell their audiences on military service while selling the music to servicemembers Beginning in the 1950s the military flooded armed forces airwaves with the music hosted tour dates at bases around the world and drew on artists from Johnny Cash to Lee Greenwood to support recruitment programs Over the last half of the twentieth century the close connections between the Defense Department and Music Row gave an economic boost to the white dominated sounds of country while marginalizing Black artists and fueling divisions over the meaning of patriotism

This story is filled with familiar stars like Roy Acuff, Elvis Presley and George Strait as well as lesser known figures, industry executives who worked the halls of Congress, country artists who dissented from the stereotypically patriotic trappings of the genre and more. Joseph M. Thompson argues convincingly that the relationship between Music Row and the Pentagon helped shape not only the evolution of popular music but also race relations, partisanship and images of the United States abroad.

**Billboard**, 1946-06-29 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital events brand. Content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video, gaming, media, digital and mobile entertainment issues and trends. **The**

**Encyclopedia of Country Music** Michael McCall, John Rumble, Paul Kingsbury, 2012-02-01 Immediately upon publication in 1998, the Encyclopedia of Country Music became a much-loved reference source, prized for the wealth of information it contained on that most American of musical genres. Countless fans have used it as the source for answers to questions about everything from country's first commercially successful recording to the genre's pioneering music videos to what conjunto music is. This thoroughly revised new edition includes more than 1,200 A-Z entries covering nine decades of history and artistry from the Carter Family recordings of the 1920s to the reign of Taylor Swift in the first decade of the twenty-first century. Compiled by a team of experts at the Country Music Hall of Fame and Museum, the encyclopedia has been brought completely up to date with new entries on the artists who have profoundly influenced country music in recent years, such as the Dixie Chicks and Keith Urban. The new edition also explores the latest and most critical trends within the industry, shedding light on such topics as the digital revolution, the shifting politics of country music and the impact of American Idol reflected in the stardom of Carrie Underwood. Other essays cover the literature of country music, the importance of Nashville as a music center and the colorful outfits that have long been a staple of the genre. The volume features hundreds of images, including a photo essay of album covers, a foreword by country music superstar Vince Gill, the winner of twenty Grammy Awards and twelve fascinating appendices ranging from lists of awards to the best-selling country albums of all time. Winner of the Best Reference Award from the Popular Culture Association. Any serious country music fan will treasure this authoritative book. The Seattle Times: A long-awaited major accomplishment which educators, historians and students, broadcasters and music writers, artists and fans alike will welcome and enjoy. The Nashville Musician: Should prove a valuable resource to those who work in the country music business. But it's also an entertaining read for the music's true fans. Houston Chronicle: This big, handsome volume spans the history of country music, listing not only artists and groups but also important individuals and institutions. San Francisco Examiner: Promises to be the definitive historical and biographical work on the past eight decades of country music. Well-written and heavily illustrated, an unparalleled work worth its price and highly recommended. Library Journal. **Billboard**, 1981-12-12 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital events brand. Content and data licensing platform. Billboard publishes the most trusted

charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
