Natashas Will:

Natasha's Will Joan Lingard, 2000-08-03 Natasha's story is set against the background of the Russian Revolution as she and her family flee persecution. Her story is dramatically and cleverly linked with the present as her heirs search for her will. The will can only be found through a trail of literary clues from classic children's books. C. J. Louis, 2011-08 In search of greener pastures millions of people find death and destructions. An exhilarating tale that reveals the unfortunate realities of time and unmask the deadly activities of drug cartels in the world. It's a tool at hand for anti drug and human trafficking campaign in Africa among the youths especially those of school age. The girl successfully traded herself in for some grams of drugs by letting the guys have what she has between her legs and after the sexcapades with the three barrel chested niggas the guys ecstatically jumped into the hip hop hall moving their heads in time with the DJ's beat. Lucas heaved a sigh. Tallest another nigga popped out of club to have some fresh air and looked around. While he was outside the club hall the boyfriend of the junky girl who had got the information of the transaction through his girl friend angrily rushed into the club premises with a loaded short silenced gun and immediately sighted and blasted Tallest who was the first nigga he met. This is him the murder fucker the killer shouted. Yes Lucas. What you have heard is real. And can not be news anymore to you since the Morocco Algeria Libya and Tunisia desert crossing to Spain and other Europe's is always on TV's news and documentary like on Aljazeera stations. Damn that one really scared me when I watched the documentary. But was it real asked Lucas. Oh Common it's more than real. Replied Brown. I can hardly believe how our sons and daughters wasted their lives in desert took their urine as water and ate their waste as food just for the sake of getting to Europe. How I wish the whites will come back for slavery and pick them instead. Both had a loud laugh. No this is not funny you know said Lucas. And who were the girls. Brown asked. I don't really recognize them but believe they would be among these girls you recently exported from Lagos. And what made you think so. Brown asked. **The Slavonic Review**, 1924. They remember the times when they were happy together and the times when somehow they weren't. They think about the times when they could happily kill each other. PRESUMPTION.
