Nathan Hale M. William Phelps,2015-03-03 Few Americans know much more about Nathan Hale than his famous last words I only regret that I have one life left to give for my country But who was the real Nathan Hale M William Phelps charts the life of this famed patriot and Connecticut s state hero following Hale s rural childhood his education at Yale and his work as a schoolteacher Even in his brief career he distinguished himself by offering formal lessons to young women Like many young Americans he was soon drawn into the colonies war for independence and became a captain in Washington s army When the general was in need of a spy Hale willingly rose to the challenge bravely sacrificing his life for the sake of American liberty Using Hale s own journals and letters as well as testimonies from his friends and contemporaries Phelps depicts the Revolution as it was seen from the ground From the confrontation in Boston to the battle for New York City readers experience what life was like for an ordinary soldier in the struggling Continental Army In this impressive well researched biography Phelps separates historical fact from long standing myth to reveal the truth about Nathan Hale a young man who deserves to be remembered as an original American patriot

The New England Historical and Genealogical Register ,1915 Beginning in 1924 Proceedings are incorporated into the Apr number

Nathan Hale Nathan Olson,2005-09 In graphic novel format tells the life story of Revolutionary War hero and spy Nathan Hale Provided by publisher

The Martyr and the Traitor Virginia DeJohn Anderson,2017-05-01 In September 1776 two men from Connecticut each embarked on a dangerous mission One of the men a soldier disguised as a schoolmaster made his way to British controlled Manhattan and began furtively making notes and

sketches to bring back to the beleaguered Continental Army general George Washington The other man traveled to New York to accept a captain s commission in a loyalist regiment before returning home to recruit others to join British forces Neither man completed his mission Both met their deaths at the end of a hangman s rope one executed as a spy for the American cause and the other as a traitor to it Neither Nathan Hale nor Moses Dunbar deliberately set out to be a revolutionary or a loyalist yet both suffered the same fate They died when there was every indication that Britain would win the American Revolution Had that been the outcome Dunbar convicted of treason and since forgotten might well be celebrated as a martyr And Hale caught spying on the British would likely be remembered as a traitor rather than a Revolutionary hero In *The Martyr and the Traitor* Virginia DeJohn Anderson offers an intertwined narrative of men from very similar backgrounds and reveals how their relationships within their families and communities became politicized as the imperial crisis with Britain erupted She explores how these men forged their loyalties in perilous times and believed the causes for which they died to be honorable Through their experiences *The Martyr and the Traitor* illuminates the impact of the Revolution on ordinary lives and how the stories of patriots and loyalists were remembered and forgotten after independence
