Nation Canada Since Confederation:

Federalism in Canada Thomas O. Hueglin, 2021-04-07 Federalism in Canada tells the turbulent story of shared sovereignty and divided governance from Confederation to the present time with three main objectives in mind The first objective is to convince readers that federalism is the primary animating force in Canadian politics and that it is therefore worth engaging with its complex nature and dynamic The second objective is to bring into closer focus the contested concepts about the meaning and operation of federalism that are at the root of the divide between English Canada and Quebec in particular The third objective is to give recognition to the trajectory of Canada's Indigenous peoples in the context of Canadian federalism from years of abusive neglect to belated efforts of inclusion The book focuses on the constitution with its ambiguous allocation of divided powers the pivotal role of the courts in balancing these powers and the political leaders whose interactions oscillate between intergovernmental conflict and cooperation This focus on executive leadership and judicial supervision is framed by considerations of Canada's regionalized political economy and cultural diversity giving students a compelling and nuanced view of federalism in Canada

Opera Indigene:

Re/presenting First Nations and Indigenous Cultures Pamela Karantonis, Dylan Robinson, 2016-05-13 The representation of non Western cultures in opera has long been a focus of critical inquiry Within this field the diverse relationships between opera and First Nations and Indigenous cultures however have received far less attention Opera Indigene takes this subject as its focus addressing the changing historical depictions of Indigenous cultures in opera and the more contemporary practices of Indigenous and First Nations artists The use of re presenting in the title signals an important distinction between how representations of Indigenous identity have been constructed in operatic history and how Indigenous artists have more

recently utilized opera as an interface to present and develop their cultural practices This volume explores how operas on Indigenous subjects reflect the evolving relationships between Indigenous peoples the colonizing forces of imperial power and forms of internal colonization in developing nation states Drawing upon postcolonial theory ethnomusicology cultural geography and critical discourses on nationalism and multiculturalism the collection brings together experts on opera and music in Canada the Americas and Australia in a stimulating comparative study of operatic representation

House of Difference Eva Mackey, 2005-06-20 Mapping the contradictions and ambiguities in the cultural politics of Canadian identity The House of Difference opens up new understandings of the operations of tolerance and Western liberalism in a supposedly post colonial era Combining an analysis of the construction of national identity in both past and present day public culture with interviews with white Canadians The House of Difference explores how ideas of racial and cultural difference are articulated in colonial and national projects and in the subjectivities of people who consider themselves mainstream or simply Canadian Canadians

National Dreams Daniel Francis, 2002-07-01 As Canadians we remember the stories told to us in high school history class as condensed images of the past the glorious Mountie the fearsome Native the Last Spike National Dreams is an incisive study of the most persistent icons and stories in Canadian history and how they inform our sense of national identity the fundamental beliefs that we Canadians hold about ourselves National Dreams is the story of our stories the myths and truths of our collective past that we first learned in school and which we carry throughout our adult lives as tangible evidence of what separates us from other nationalities Francis examines various aspects of this national mythology in which history is as much storytelling as fact Textbooks were an important resource for Francis For me these books are interesting not because they explain what actually happened to us but because they explain what we think happened to us For example Francis documents how the legend of the CPR as a country sustaining national affirming monolith was created by the company itself a group of capitalists celebrating the privately owned railway albeit one which was generously supported with public land and cash and reiterated by most historians ever since Similarly we learn how the Mounties were transformed from historical police force to mythic heroes by a vast army of autobiographers historians novelists and Hollywood filmmakers with little attention paid to the true role of the force in such incidents as the Bolshevik rebellion in which a secret conspiracy by the Government against its people was conducted through the RNWMP Also revealed in National Dreams are the stories surrounding the formation and celebration of Canadian heroes such as Louis Riel and Billy Bishop

Female imperialism and national identity Katie Pickles, 2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license Through a study of the British Empire's largest

women's patriotic organisation formed in 1900 and still in existence this book examines the relationship between female imperialism and national identity. It throws new light on women's involvement in imperialism on the history of conservative women's organisations on women's interventions in debates concerning citizenship and national identity and on the history of women in white settler societies. After placing the IODE Imperial Order Daughters of the Empire in the context of recent scholarly work in Canadian gender imperial history and post colonial theory the book follows the IODE's history through the twentieth century. Tracing the organisation into the postcolonial era where previous imperial ideas are outmoded it considers the transformation from patriotism to charity and the turn to colonisation at home in the Canadian North. *Canada's Prime Ministers and the Shaping of a National Identity* Raymond B. Blake, 2024-06-15. Since Confederation Canadian prime ministers have consciously constructed the national story. Each created shared narratives formulating and reformulating a series of unifying national ideas that served to keep this geographically large ethnically diverse and regionalized nation together. This book is about those narratives and stories. Focusing on the post Second World War period Raymond B. Blake shows how regardless of political stripe prime ministers worked to build national unity forged a citizenship based on inclusion and defined a place for Canada in the world. They created for citizens an ideal image of what the nation stood for and the path it should follow. They told a national story of Canada as a modern progressive liberal state with a strong commitment to inclusion a deep respect for diversity and difference and a fundamental belief in universal rights and freedoms. Ultimately this innovative history provides readers with a new way to see and understand what Canada is and what holds us together as a nation.

Bookseller & Stationer and Office Equipment Journal, 1914 **Encyclopedia of National Dress** Jill Condra, 2013-04-09. This two volume set presents information and images of the varied clothing and textiles of cultures around the world allowing readers to better appreciate the richness and diversity of human culture and history. Debates of the Senate of the Dominion of Canada Canada. Parliament. Senate, 1921 **Capitalism and Colonialism: The Making of Modern Canada 1890-1960** Bryan D. Palmer, 2025-09-02. This second volume of Bryan Palmer's history of Canada covers 1890 to 1960. Weaving together themes that include business labour politics and social history this account brings the experiences of Indigenous peoples into the centre of the narrative. Canada experienced extraordinary growth during these decades notably after the Second World

War when many Canadians quickly became far better off Yet vast inequalities persisted Indigenous peoples experienced ongoing and often worsening deprivation and ordinary people saw little or no real improvement in their lives These realities set the stage for the interplay of reform resistance and reaction that followed after 1960 Palmer examines the continuing role of capitalism and colonialism in structuring Canada in the period between 1890 and 1960 from capital s conflicts and fragile ententes with labour to the struggles of Indigenous Peoples and francophone Canada and the changing role of Canadian capital internationally Relying on the work of scholars who have produced a vast academic literature on a wide range of topics in Canadian history Bryan Palmer offers a new history of Canada which reflects the knowledge and values of 21st century Canadians

The Top Books of the Year Nation Canada Since Confederation The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. Nation Canada Since Confederation : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Nation Canada Since Confederation : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
