Nation To Nation Aboriginal Sovereignty And The Future Of Canada:

Nation to Nation Diane Engelstad, John Bird, 1992 This collection of thirty essays constitutes a dialogue of native and non native authors on such issues as sovereignty assimilation specific claims policy land stewardship justice for First Nations the residential school experience and the rebuilding of communities women and sovereignty and the Oka experience

Nation to Nation Diane Engelstad, John Bird, 2001 Recovering Canada John Borrows, 2017-06-22 Canada is covered by a system of law and governance that largely obscures and ignores the presence of pre existing Indigenous regimes Indigenous law however has continuing relevance for both Aboriginal peoples and the Canadian state In his in depth examination of the continued existence and application of Indigenous legal values John Borrows suggests how First Nations laws could be applied by Canadian courts and tempers this by pointing out the many difficulties that would occur if the courts attempted to follow such an approach By contrasting and comparing Aboriginal stories and Canadian case law and interweaving political commentary Borrows argues that there is a better way to constitute Aboriginal Crown relations in Canada He suggests that the application of Indigenous legal perspectives to a broad spectrum of issues that confront us as humans will help Canada recover from its colonial past and help Indigenous people recover their country Borrows concludes by demonstrating how Indigenous peoples law could be more fully and consciously integrated with Canadian law to produce a society where two world views can co exist and a different vision of the Canadian constitution and citizenship can be created

The Oxford Handbook of the Canadian Constitution Peter Crawford Oliver, Patrick Macklem, Nathalie Des Rosiers, 2017 The Oxford Handbook of the Canadian Constitution provides an ideal first stop for Canadians and non Canadians seeking a clear concise and authoritative account of Canadian constitutional law The Handbook is divided into six parts Constitutional History Institutions and Constitutional Change Aboriginal Peoples and the Canadian Constitution Federalism Rights and Freedoms and Constitutional Theory Readers of this Handbook will discover some of the distinctive features of the Canadian constitution for example the importance of Indigenous peoples and legal systems the long standing presence of a French speaking population French civil law and Quebec the British constitutional heritage the choice of federalism as well as the newer features most notably the Canadian Charter of Rights and Freedoms Section Thirty Five regarding Aboriginal rights and treaties and the procedures for constitutional amendment The Handbook provides a remarkable resource for comparativists at a time when the Canadian constitution is a frequent topic of constitutional commentary The Handbook offers a vital account of constitutional challenges and opportunities at the time of the 150th anniversary of Confederation *Canadian Civilization* Jacques Dorin, Michèle Kaltemback, Sheryl Rahal, 2007 No Place for Fairness David McNab, 2009 Examining the Bear Island land claim case as a benchmark in Aboriginal land rights and land policy *Canadian Social Policy* Anne Westhues, Brian Wharf, 2012-05-25 Social policy shapes the daily lives of every Canadian citizen and should reflect the beliefs of a majority of Canadians on just approaches to the promotion of health

safety and well being Too often those on the front lines social workers nurses and teachers observe that policies do not work well for the most vulnerable groups in society In the first part of this new edition of Canadian Social Policy Westhues and Wharf argue that service deliverers have discretion in how policies are implemented and the exercise of this discretion is how citizens experience policy whether or not it is fair and reasonable They show the reader how social policy is made and they encourage active citizenship to produce policies that are more socially just New material includes an examination of the reproduction of systemic racism through the implementation of human rights policy and a comparative analysis of the policy making process in Quebec and English Canada The second part of the book discusses policy issues currently under debate in Canada Included are new chapters that explore parental leave policies and housing as a determinant of health All chapters contain newly updated statistical data and research and policy analysis A reworked section on the process of policy making and the addition of questions for critical reflection enhance the suitability of the book as a core resource in social policy courses The final chapter explores how front line workers in the human services can advocate for change in organizational policies that will benefit the people supported

Canadian Society in the Twenty-First Century, Fourth Edition Trevor W. Harrison, John W. Friesen, 2021-03-03 Confederation may have established Canada's nationhood in 1867 but the relationships framing Canada's modern existence go back much further Employing a unique socio historical perspective Canadian Society in the Twenty First Century examines three formative relationships that have shaped the country Canada and Quebec Canada and the United States and Canada and Indigenous nations Now in its fourth edition this engaging text offers students an overview of Canadian society through a series of connections rather than a collection of statistics Trevor W Harrison and John W Friesen weave together complex aspects of the nation's economic political and socio cultural development They guide readers to use this interdisciplinary framework to consider some of the tough questions that Canada is likely to face in adjusting to demands and challenges in the next few decades Reflecting the most current scholarship in the field this revised edition features new discussions on issues such as the current crisis of neo liberal globalization Canada's petroleum industry global warming the Wet suwet en dispute in 2020 and the COVID 19 pandemic Exploring the unique character of Canada today this text is a vibrant resource for sociology courses on Canadian society as well as courses in Canadian studies and Canadian history

Separate but Unequal Frances Widdowson, 2019-11-05 Separate but Unequal provides an in depth critique of the ideology of parallelism the prevailing view that Indigenous cultures and the wider Canadian society should exist separately from one another in a nation to nation relationship Using the Final Report of the Royal Commission on Aboriginal Peoples as an example this historical and material analysis shows how the single minded pursuit of parallelism will not result in a more balanced relationship between Indigenous and non Indigenous peoples On the contrary it merely restores archaic economic political and ideological forms that will continue to isolate the Indigenous population This book provides an alternative framework for examining Indigenous dependency This new perspective the political economy of

neotribal rentierism shows that Indigenous Peoples circumstances have been inextricably linked to the development of capitalism in Canada While Indigenous Peoples were integral participants in the fur trade the transition from mercantilism to industrial capitalism led to their marginalization This book is published in English Separate but Unequal fournit une analyse approfondie de l'idologie du parallélisme la vision dominante selon laquelle les cultures autochtones et la société canadienne en général devraient vivre séparément les unes des autres dans une relation de nation à nation En s'appuyant sur le rapport final de la Commission royale sur les peuples autochtones cette analyse historique et matérielle montre que les propositions parallèles visant accroître l'autonomie des Autochtones dans tous les aspects des politiques publiques ne se solderont pas en une relation plus équilibrée entre peuples autochtones et non autochtones tant donné qu'elles ne font que rétablir des formes économiques politiques et idéologiques archaïques qui continueront d'isoler la population autochtone Elle propose de recadrer la question de la dépendance autochtone en ayant recours la notion de rentierisme néotribal Ce cadre d'économie politique met en lumière le fait que les conditions des peuples autochtones ont été inextricablement liées au développement du capitalisme au Canada Ce livre est publié en anglais

criminal justice In every society criminal justice plays a key role establishing social control and maintaining the hegemony of the dominant economic classes The contributors to this anthology argue that the differential treatment of people of colour and First Nations peoples is due to systemic racism within all levels of the criminal justice system which serves these dominant classes Ideological and cultural changes are preconditions for the success of anti racist policies and practices within the criminal justice system and within other state institutions Recommendations for transformations in justice policy and practice are provided

Power Struggles Thibault Martin, Steven M. Hoffman, 2011-03-10 *Power Struggles* Hydro Development and First Nations in Manitoba and Quebec examines the evolution of new agreements between First Nations and Inuit and the hydro corporations in Quebec and Manitoba including the Wuskwatim Dam Project Paix des Braves and the Great Whale Project In the 1970s both provinces signed so called modern treaties with First Nations for the development of large hydro projects in Aboriginal territories In recent times however the two provinces have diverged in their implementation and public opinion of these agreements has ranged from celebratory to outrage *Power Struggles* brings together perspectives on these issues from both scholars and activists In debating the relative merits and limits of these agreements they raise a crucial question Is Canada on the eve of a new relationship with First Nations or do the same colonial attitudes that have long characterized Canadian Aboriginal relations still prevail

Indian Agents John L. Steckley, 2016-08-19 This book provides an introductory look at the control Indian Agents who were primarily White men exercised over Aboriginal communities in Canada from the 1870s to the 1960s The book concludes with a comparison of the Indian Agent System in Canada with similar systems in the United States Australia and New Zealand
