

An American flag is shown waving on a flagpole against a clear blue sky. The flag is positioned diagonally across the frame, with the top left corner near the top left of the image and the bottom right corner near the bottom right. The stars and stripes are clearly visible.

O say can you see by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming,
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there;
O say does that star-spangled banner yet wave,
O'er the land of the free and the home of the brave?
