Matej's Journey to America Donald F. Chmelka, 2002-11-19 Matej s Journey to America is a creative nonfiction chronicle exploring the forces that drove our immigrant ancestors to new lands After Adam and Eve s eviction from Eden man slowly scattered with a great dispersion occurring about 2700 BC as the Lord confounded the tongues of presumptuous Babylonians building a tower to heaven Among the afflicted was an Aryan slave named Chmelka who was growing hops chmel in the new Slavic language to flavor beer for his Semitic masters As the Slavs fled northward toward unknown Czech lands other tribes migrated in all directions According to The Book of Mormon the righteous Jared took a Semitic clan from Babel across the mountains deserts and oceans to a New World later named America Another Semitic clan that passed through Babylon 850 years later included a young Abraham destined to be the patriarch of Judaism Christianity and Islam He introduced the concept of a single God revered by all his religious descendants but despite their many commonalties each of these three great religions seem convinced it has the only correct formula for salvation justifying incredible atrocities with God always on its side The descendants of the first Chmelka struggled as great civilizations developed and fell through the turmoil and bloodshed of the Dark Ages Marco Polo awakened Europe in the late 13th century to the riches of the Far East giving rise to explorers like Christopher Columbus who stumbled onto the North American Continent in 1492 The Protestant Reformation began to divide the Holy Roman Empire at the time adding to the bloodshed as Austria Prussia and France fought for domination in Europe Meanwhile Spain England and France were colonizing and competing for control in the New World that was becoming home to an increasing number of European emigrants looking for a better life The American Colonies fought for independence and then began to absorb all lands from the Atlantic to the Pacific Thomas Jefferson purchased the immense Louisiana Territory from Napoleon in 1803 after which mountain men opened the West to homesteaders miners and ranchers My great great grandfather Matej was born as the Rocky Mountain fur trade boomed in 1825 and grew up on a 13 acre farm in Moravia where the Chmelkas had been serfs since Charlemagne was crowned the first Holy Roman Emperor a millennium earlier Matej became a Dragoon in the Austrian Imperial Army and helped put down a revolution in Prague in 1848 the year gold was discovered in California but war spread and life worsened for European peasants Gold homesteads and wild Texas longhorns free for the taking lured thousands of oppressed Europeans to America on steamships and railroads now making long distance travel feasible After Prussia defeated the

Austrian Empire including Bohemia and Moravia and then France Matej's family escaped its misery and immigrated to Nebraska in 1871. They found a difficult life with grasshoppers, drought, hail, and fires destroying crops, spurring Matej's fourteen-year-old son to join a Texas cattle drive and then dodge Indians and gunfighters for fourteen years in the Wild West. New technologies in farm equipment, transportation, and communications made America the envy of the world in 1902 when Matej died and was buried near the prairie church; he helped build Matej's Journey to America, which honors him and his fellow immigrants, ordinary men and women generally lost in history for the legacies and opportunities they gave us in our great land of freedom.

**American Cycle** Larry Beckett, 2022-07-01. American Cycle, a sequence of long poems inspired by our folklore and past, was written over forty-seven years. Its themes are love, local mythology, history, justice, memory, accomplishment, and time. The books are extraordinary, sustained explosions of authentic American language and energy. Each is entirely different from the others in style, voice, form, and narrative content, each so rich in imagery and nuance and texture and event and so finely crafted. Paul Williams, author of *Bob Dylan Performing Artist*; American Cycle holds Spanish words loaned from Old California, rough colloquialisms in Paul Bunyan, the power of African American vernacular English in John Henry, bare oratory in Chief Joseph, old west phrases in Wyatt Earp, circus ballyhoo in P. T. Barnum, aviation jargon in Amelia Earhart, backwoods dialect in Blue Ridge. As Walt Whitman says, "I hear America singing the varied carols."

*Arkansas* Bryan Pezzy, 2002. This book provides a description of Arkansas history, geography, economy, and culture.

**Global Government 2017** Masayuki Kishimoto, 2019-01-15. Global Government 2017: Making Global Citizen Education Mandatory. In recent years, the wisdom of mankind has evolved, supercomputers and quickly decoded gene sequences. AI (artificial intelligence) has now analyzed the enormous history of the 8,000 years of humanity and captured the image of the future human society in the field of vision. In the near future, where human kind will reach, AI clarified that global governance is indispensable for global governance of people.
