Thailand's International Meditation Centers Brooke Schedneck,2015-05-15 This book explores contemporary practices within the new institution of international meditation centers in Thailand It discusses the development of the lay vipassana meditation movement in Thailand and relates Thai Buddhism to contemporary processes of commodification and globalisation Through an examination of how meditation centers are promoted internationally the author considers how Thai Buddhism is translated for and embodied within international tourists who participate in meditation retreats in Thailand Shedding new light on the decontextualization of religious practices and raising new questions concerning tourism and religion this book focuses on the nature of cultural exchange spiritual tourism and religious choice in modernity With an aim of reframing questions of religious modernity each chapter offers a new perspective on the phenomenon of spiritual seeking in Thailand Offering an analysis of why meditation practices appeal to non Buddhists this book contends that religions do not travel as whole entities but instead that partial elements resonate with

different cultures and are appropriated over time The Travel and Tourism Index ,1992 *A Heritage of Ruins* William R. Chapman,2013-07-31 The ancient ruins of Southeast Asia have long sparked curiosity and romance in the world's imagination They appear in accounts of nineteenth century French explorers as props for Indiana Jones adventures and more recently as the scene of Lady Lara Croft's fantastical battle with the forces of evil They have been featured in National Geographic magazine and serve as backdrops for popular television travel and reality shows Now William Chapman's expansive new study explores the varied roles these monumental remains have played in the histories of Southeast Asia's modern nations Based on more than fifteen years of travel research and visits to hundreds of ancient sites *A Heritage of Ruins* shows the close connection between ruins conservation and both colonialism and nation building It also demonstrates the profound impact of European derived ideas of historic and aesthetic significance on ancient ruins and how these continue to color the management and presentation of sites in Southeast Asia today Angkor Pagan Bagan Borobudur and Ayutthaya lie at the center of this cultural and architectural tour but less visited sites including Laos's stunning Vat Phu the small temple platforms of Malaysia's Lembah Bujang Valley the candi of the Dieng Plateau in Java and the ruins of Mingun in Burma and Wiang Kum Kam near Chiang Mai in northern Thailand are also discussed All share a relative isolation from modern urban centers of population sitting in park like settings serving as objects of tourism and as lynchpins for local and even national economies Chapman argues that these sites also remain important to surrounding residents both as a means of income and as continuing sources of spiritual meaning He examines the complexities of heritage efforts in the context of present day expectations by focusing on the roles of both outside and indigenous experts in conservation and management and on attempts by local populations to reclaim their patrimony and play a larger role in protection and interpretation Tracing the history of interventions aimed at halting time's decay Chapman provides a chronicle of conservation efforts over a century and a half highlighting the significant part foreign expertise has played in the region and the ways that national programs have in recent years begun to break from earlier models The book ends with suggestions for how Southeast Asian managers and officials might best protect their incomparable heritage of art and architecture and how this legacy might be preserved for future generations The Routledge Companion to Tour Guiding Shailja Sharma,2025-08-29 This comprehensive handbook offers an in depth exploration of both the theoretical and practical dimensions of tour guiding as a profession It provides readers with valuable insights into examining the key and dynamic role of tour guides in the tourism industry and the evolving expectations of modern travelers Enriched with global case studies spanning a diverse range of niche tours offered as tourism products around the world the book highlights emerging trends and the importance of continuous skill development in the profession It covers topics such as pre tour preparations the art of effectively opening and closing tours engaging narration at attractions the importance of technology for tour guides and the nuances of managing diverse groups Additionally it delves into the growing practice of virtual tour guiding and offers practical guidance on addressing guest

inquiries managing grievances and handling emergencies besides addressing the new emerging trends in the field of tour guiding This companion is designed for students and educators in tourism travel and hospitality management programs worldwide It serves as a valuable training manual for national regional and local tourism authorities as well as tour operators and travel agencies Furthermore both seasoned professionals and aspiring tour guides will find it an essential reference to refine their skills and stay updated with contemporary best practices **National Geographic Almanac 2019** National Geographic,2018 Provides the latest information in exploration geology astronomy biology medicine and world views
